### The Revival Movement.

The following prayer by the Rev. Floyd W. Tompkins, D. D., of Philadelphia, is so full of sympathy with the revival movement that I want to ask you to publish it in your columns, and to ask every reader to make it his prayer until we shall see hearts in our town vibrating with the movement which is sweeping over the country. This prayer has been licensed by Bishop Whitaker to be used in the congregations of his diocese from now until Easter.

#### PRAYER

Almighty God, Father of all mercies, Giver of every good gift, receive our thanksgivings for all thy loving kindness to us and to all men. We pray that thy heavenly grace may be abundantly given to all who endeavor to extend thy kingdom, and especially that it may please thee to bestow thy rich gifts upon the special mission to be held in this city.

May thy Holy Spirit in all things direct and rule the hearts and minds of those who are preparing for it; that all things may be done to thy glory.

Grant that thine own people may be strengthened in the faith, and that there may be added unto thy Church many who shall be eternally saved.

Mercifully hear the supplication of thy people, grant to us the forgiveness of our sins and the peace which passeth understanding, through Jesus Christ our Lord. Amen.

If we want a revival in Hammonton, we must both pray and labor for it. If all Christians can forget all non-essentials and work for unity in essential things, the work will grow. Philadelphia has prayer circles; why not have one in Hammonton?

Surely, "Jesus of Nazareth passeth by."

PAUL.

### Who is Interested?

A leading manufacturer of canned goods and fruits is in correspondence with the Secretary of the local Board of Trade, with the view of securing large shipments of tomatoes, fall beets and spinach from Hammonton and vicinity. The Secretary informs us that the price to be offered will be ready for announcement in a few days. The firm will furnish seeds and crates to growers. The products required would have to be delivered by growers at the station.

All who may desire to enter into contract will please advise the Secretary (J. A. Burgan) as early as possible what acreage of the required products they could plant, and furthermore advise him, in confidence if they desire, of the prices they would be willing to accept, per ton.

No delay should occur in deciding on this question and communicating with Mr. Burgan. There will probably be no time to call a meeting before further communication is had with the firm referred to; but all who are interested in the matter will be welcome at the next meeting of the Board of Trade, in Firemen's Hall, on Tuesday evening, Feb. 13th.

### About Crosswalks.

Is it the duty of the Town to keep the street-crossings clear of mud, so that pedestrians can cross without getting mired? If not, why not appropriate a sufficient sum for that purpose?

The condition of the crosswalks on Bellevue Avenue, during the past week, is a disgrace to any refined community.

Ordinarily, any one doing business on a corner, or near a crossing, would have pride enough to clear the mud from it, if not for the convenience of his customers. And, by the way, I know of one trader who has lost custom by neglecting to do this decent thing.

Men can get along anyway, but for a woman it's a different thing. With skirts, bundles, and thin shoes it is no easy thing to ford some of these treacherous sloughs.

WILLIAM G. HOTT

SATURDAY, JAN. 27, 1906

Mr. Editor: While visiting around at the various churches in town, I saw several young people who manifested a decided lack of good training, by their whispering, giggling and otherwise inattention.

If I possessed no reverence whatever for the sacred place, old sinner that I am, I would not think of interrupting services which other people would like to hear, but cannot on account of my buzzing. No one could censure the minister should he call out the name of the parties acting so rudely, and caution them to cease their unbecomingly or unbecomingly conduct.

Should this also meet the eye of any such thoughtless young persons, may it result in their reformation.

### FARMERS' INSTITUTE.

A Farmers' Institute will be held in Union Hall, Hammononton, next week Thursday, Feb. 1st. Farmers, citizens, ladies, and the young will be welcome.

Bring your questions, also pencil and paper. This promises to be an exceptionally interesting meeting.

Here is the programme:

10:00 a.m.—Address by Mr. G. P. Warren, who was here last year.

10:30—"Soil Erosion and its Work," Prof. J. A. Loomis.

Discussion by Prof. G. M. Gowell.

2:00 p.m.—"Livestock Management," Prof. J. A. Loomis.

2:30—"Some of the Common Diseases of Farm Animals," Prof. G. M. Gowell.

2:45—"The Prevention of Frost and How to Deal with It," Dr. C. J. Smith, Veterinarian of New York State Prison.

3:30—"Principles of Insect Warfare," Prof. J. A. Loomis.

Discussion by Prof. G. P. Warren.

7:30—"Higher Education for Farmers' Boys and Girls," Prof. J. A. Loomis, in charge of the department in the Agricultural College.

Discussion by Prof. Warren.

8:15—"Suggestions on the Revival of the Peach Industry in this section of Atlantic County," Prof. Warren.

Fully illustrated with stereoscopic slides.

### Elm Gossip.

A surprise party was given to Miss Katie Mearns, last Friday evening, at the residence of her brother, John. After a number of games, refreshments were served. Music followed, and the entire evening was enjoyed by all who were present.

The young people of this vicinity think this is the dearest winter on record.—only two nights of skating, so far.

Messrs. William Holtz, Michael Applegate and Donald Chapman took a trip to Marlton last week.

How about the murder tale? Quite a sensation over nothing.

### The New England Club.

The Club met with full ranks on Thursday evening.

An interesting programme was most successfully carried out. The violin, as usual, took the blue ribbon. All who took part in the entertainment are entitled to the gratitude of the Club.

In a semi-historical sketch by Rev. Mr. Preble, we found much of interest and amusement.

The hours of the Club are from eight to ten o'clock. If the hall is used for other purposes after that hour, the Club is not responsible.

N.

Greenmount Cemetery Association held its annual meeting last Friday evening.

After hearing and accepting the annual financial report, Messrs. W. R. Tilton and D. C. Herbert were elected Trustees for three years.

At a subsequent meeting of the Trustees, the old officers were re-elected.

President, W. L. Black.

Vice-Pres., J. B. Small.

Treasurer, W. R. Tilton.

Secretary, Osvaldo E. Hoyt.

Sup't., H. E. Andrews.

### Frank Hurlbut.

Painting in practical work. Skill wins.

It's the same with paint making.

You know a gallon of L. & M. mixed paint will cover 100 sq. ft. of wall.

Buy L. & M. and don't pay \$1.50 a gallon for L. & M. oil, as you do in really for-use paint, but buy oil fresh from the barrel at 50 cents and mix with L. & M. L. & M. oil only \$1.25 per gallon.

Miss Margaret Slattery, from  
Fitchburg, Mass., has been secured as  
the principal lecturer at the school of  
Methods of the New Jersey Sunday  
School Association, to be held at As-  
bury Park, July 7th to 14th. Miss  
Slattery's subject will be "Practical  
Teacher Training." On Sunday, July  
8th, a model Sunday School session will  
be held. The idea of this School of  
Methods is to train teachers as special-  
ists in different departments. More  
than eighteen hundred teachers have  
attended its sessions in the last twelve  
years.

M. S. Whittier, formerly of this  
place, has been promoted in the customs  
service of Alaska, in which he has been  
for several years past, and transferred  
to Skagway. Heretofore, Mr. W. has  
been stationed at Juneau, in the head  
office of the district, and has held a good  
position. A promotion means that he  
has fallen into one of the best berths in  
the district, at one of the best points.  
It will be pleasing news to the many  
friends of Mr. Whittier here to learn of  
his success.—*Port Townsend (Wash.)*

Sunday, Feb. 4th, will be the

tian Endeavor movement. An espe-  
cially prepared programme has been  
adopted, and will be used by both the

latter in place of the usual preaching  
service. All are cordially invited.

Charles Vohlstadt, Leonard's  
baker, evidently bears a charmed life.  
Some time ago he was shot at; about  
the same time his horse ran away; three  
weeks ago he slept through a boiler  
explosion; last week a kettle of hot  
lard tipped onto him; and this week he  
spent most of his time in bed, sick.  
He looks no worse for the experiences.
