To the Trustees of  
Hammononton Baptist Church—  
Hammononton Presbyterian Church—  
It is our earnest wish to donate a quantity of the L. M. Paint to your church and every church whenever it is to be painted.

10,000 churches painted with L. & M. 4 gallons L. & M. mixed with 3 gallons linseed oil will paint a moderate sized house.

L. & M. costs only \$1.30 per gallon. L. & M. Zinc hardens L. & M. White Lead and makes the paint wear like iron.

Barrows & Peck, Montpelier, Vt., writes: "School house No. 1 painted with L. & M. two coats. Used only five gallons L. & M. and nine gallons oil. Cost of paint, 97¢ cents a gallon." Hold by Harry McEl. Little.

### The School Commencement.

If a crowded auditorium, frequent applause, and indications of approval, are any criterion, the Commencement exercises of the Hammononton High School, held last Friday evening, in the Presbyterian Church, were an unqualified success.

The exercises had been looked forward to with unusual interest, as they were the first held in two years. The class of '06 was the first to graduate under the extended course of study, and the first since Hammononton was placed on the "approved list."

The class consisted of four young men and four maidens, each having part in the exercises.

Back of the graduates, on the stage, was the large High School Chorus, whose music was a great feature of the evening, and reflected much credit on the director, Miss Emma Faunce. Some of the selections were: "Morning-Invitation" (Vezin); "I Know a Bank" (Horne); and "Away to the Fields" (Wilson). The duet, "Now the Silver Moon" (Nevin), sung by Miss Faunce and Mr. W. R. Seely, both Hammononton favorites, was very well received.

The essays by members of the graduating class were well written and clearly presented.

Harry Lea Smith gave a very lucid account of "Esperanto," and presented good arguments for its adoption as a universal language.

"Causes of Success and Failure" was well treated by Mary Werner.

Ina Blake and Kathryn Berry gave excellent resumes of the histories of "The Panama Canal" and "Hague Peace Tribunal," and comprehensive accounts of their present status.

"The Heroic Island Kingdom" was the subject of an interesting eulogy on Japan, by Mabel Small.

"History of Astronomical Theories," by James W. Cottrell, showed that the author was not only somewhat conversant with the history of ancient theories, but also with modern ideas on the subject.

The Class History and Prophecy, by John Birdsall and George Greis, respectively, provoked considerable mirth, as usual, and disposed of each member satisfactorily. Harry Smith gave the "supplement" to each.

An interesting event, not on the programme, was the presentation to the School by George Greis, in behalf of the class of '06, of a fine stand with a register for the signatures of all the alumni. Mr. Seely accepted the gift for the School, in a few well chosen words.

Mr. C. F. Osgood, President of the Board of Education, presented the Diplomas to the graduates.

Mr. N. C. Holdridge, Supervising Principal, presented diplomas to the following members of the Eighth (Grammar) Grade:

Helen Bernshouse	Valeria Loveland
Rugenia Beekler	Melita Loveland
Adeline Cunningham	James Myers
Albert Ellis	Gertrude Miller
Wm. F. Kinck	Anthony Maerl
Chas. F. Kinck	Irma L. Tilton
Edw. Klingenberg	H. Langill Joslyn
Geo. U. Lobley	Frank Laitton

Two popular young people were united in marriage on Wednesday afternoon, June 20th, in St. Joseph's Church, by Rev. Father Joseph Transoria, assisted by Rev. J. Riedel. The contracting parties were Mr. Robert McKee, of Pleasant Mills, and Miss Gertrude Wescoat, daughter of Thos. H. Wescoat, of Hammononton. They will reside at Pleasant Mills, where Mr. M. is connected with the Neocochague Paper Co. Their many friends wish them a happy and prosperous wedlock.

The Garton family has been considerably scattered during the last few weeks, but the father expects a reunion soon. Miss Katharine has been visiting Prof. H. O. Krebs, at Somerville, N. J. Miss Josephine is making an extended visit with relatives in Atlantic City. Miss Annie has returned from a visit at Ateo. Charles has been employed by the Bell Telephone Company, at Ocean City.

## Base-Ball.

Well, they did it again, last Satur-  
day—the Crescents—defeating Egg  
Harbor's best by 2 to 1. It certainly  
was a well-played game, not one run  
being made until eighth inning, when  
the visitors scored. In the ninth, two  
of our boys crossed the plate.

Much credit is due to Blake, the  
Crescent pitcher. One of the visiting  
team, who had fanned out twice, said  
"That man's balls are great; they  
come up easy like, straight for the  
plate, and you whack away for a  
home run; but the catcher holds the  
ball while the umpire bawls; three  
strikes—out!" He's a wonder.

During the week ending June 18,  
about 2367 crates of berries were shipped  
from the Hammonton station. This  
was a low water mark, the close of the  
strawberry season and too early for  
many raspberries. Prospects are good  
for raspberries and prices are excellent.  
Many early raspberries brought 30 3/32  
cents a quart. Yesterday's New York  
prices were: reds, 14-18; caps, 14;  
hucks, 24; and blacks (mostly dew bor-  
ries), 12-14. Philadelphia sold reds 12-  
14, Blacks, 10.

Probably ere this is read, Mrs.  
John Bothell will have passed beyond  
this life of pain, she being unconscious  
since Thursday morning. Mrs. B. is in  
her 89th year, and has long suffered  
from cancer. A Christian, and, with  
her deceased husband, among our early  
settlers. There will be no public funeral  
service; but simply prayers by Revs.  
Williams and Hoffman.

Esther, seventeen months-old  
daughter of Walter H. Andrews, died  
very suddenly on Monday last, at their  
home in Atlantic City. The little one  
had been suffering with measles, pneu-  
monia followed, and affected her heart.  
Funeral services were held at the resi-  
dence of H. E. Andrews, Hammonton,  
on Wednesday. Burial in Greenmount  
Cemetery.

In nearly every place where a  
Fourth of July celebration is planned,  
the Council appropriates money to aid  
in paying expenses. Certainly it is an  
excellent advertisement of the town,  
and it would not be inappropriate to  
pay a portion of the bills from public  
funds. What say, Councilmen?

testimony so incriminated himself that  
both men were held in \$500 bail.

## The Borough of Folsom.

Thirty-eight of the sixty-three legal

almost without a scratch, and the fol-  
lowing officers are expected to be patri-  
otic enough to serve without compen-  
sation during their first terms:

Edw. Schulze, 3 yrs., Jacob Blazer, 2 yrs.,  
Jacob Eckhardt, 2 years, Henry Benner,

Overseer Bernhouse took the  
broken-back Italian to Smith's Landing  
on Tuesday. The sufferer, on his cot,  
was placed in Mart's three-seated sur-  
vey, and driven the thirty miles. It  
was an easy ride, and the best possible  
way to transport him. This takes a  
load off of the Overseer's mind, and will  
cost the Town less than before. The  
farm and house (partly paid for), and a  
little personal property, can now be  
sold, and the proceeds applied to care  
of the patient.
