Reading Offline with Mobile Apps

Enhance your reading experience with Zinio for Libraries mobile device apps, including those for iPad® and iPhone®, Android™, Kindle Fire™/HD/HDX. Access your app store directly or from the links provided on the library collection page.

Zinio for Libraries apps require a downloaded edition of the magazine.

To check out additional magazines from your library, toggle back in your browser to your library

collection page. All checkouts are completed in a browser. The apps are for **READING ONLY**.

The Kindle Fire™ app requires enabling your device to accept apps from "other" non-Kindle Store sources. Kindle Fire™/HD/HDX install instructions are in the Zinio for Libraries Collection Page Footer.

Note: Zinio for Libraries apps are for reading only. You must use a browser and return to your library collection page to check out additional magazines.
