Radical Infamy Rebuked.

The Thirty-ninth Congress will long be celebrated, and, we trust, lauded in the annals of this country for its utter disregard of the principles of the Constitution, and for its persistent efforts to destroy the fundamental principles of free government. Its whole history has been one of usurpation, and of legislation providing for times, and even such as the framers of the Constitution never dreamed of. Its every act has been a violation of the Constitution, and its every effort has been to destroy the rights of the States, and to concentrate all power in the hands of the President and Congress. Its whole history has been one of usurpation, and of legislation providing for times, and even such as the framers of the Constitution never dreamed of. Its every act has been a violation of the Constitution, and its every effort has been to destroy the rights of the States, and to concentrate all power in the hands of the President and Congress.

We take the following extracts from the Philadelphia Age, which is edited by Col. Forney, the clerk of the House of Representatives, and the organ of the Radical party in Pennsylvania. They will show the spirit which has been manifested by the Radical leaders in the House, and will serve to illustrate the character of the legislation which has been enacted by the Thirty-ninth Congress:

"The plain fact is, that the Republicans of Congress, and such eminent patriots as Thaddeus Stevens, Charles Sumner, Wendell Phillips, Henry Winter Davis, and Wade, have been in advance of the people, and have been struggling to lead them to the position which they now occupy. The people are now ready to follow their leaders, and the latter are willing to go forward. The Democratic party is only a drag upon the wheels of progress. It is the party of the past, and its every effort is to keep the country in the mire of the past. Of course there are features in the so-called Democratic party which are not to be found in the Democratic party of the past. The Democratic party of the past was never, and never could be, the party of treason and rebellion. It was never, and never could be, the party of the enemies of the Union. It was never, and never could be, the party of the enemies of the Union. It was never, and never could be, the party of the enemies of the Union

HELMBOLD'S
FLUID EXTRACT BUCHU,

A positive cure for all diseases of the Urinary Organs, whether existing in Male or Female, from Excesses, Habits of Dissipation, Early Indiscretion, symptoms with the following Symptoms:

Indisposition to Exertion, Loss of Memory, Weak Stomach, Horror of Disease, Diseases of Vision, Dizziness, Pain in the Back, Dryness of the Skin, Universal Lassitude, Pain in the Head, Trembling of the Body, Hysterics, Fits, &c.

Any one symptom is allowed to go on (which this Medicine is invariably recovered), soon follow—

FATUITY, EPILEPTIC FITS, &c., in one of which the patient may expect. The cause may be and generally followed by those "Terrible diseases."

INSANITY AND CONSUMPTION!

Many are aware of the cause of the disease, but none will confess. The records of the Insane Asylum and the melancholy deaths by consumption bear ample witness to the truth of the assertion.

The Constitution, once impaired by sexual weakness, requires the aid of medicine to restore it to its original tone; the system, which HELMBOLD'S EXTRACT OF BUCHU invariably does. A trial will convince the most sceptical.

HELMBOLD'S
EXTRACT BUCHU
IN
IMPROVED ROSE WASH
Cures Secret Diseases

In all their stages. Little expense, little or no change of diet, no inconvenience or exposure.

USE HELMBOLD'S
EXTRACT BUCHU

For all affections and diseases of that organ, whether EXISTING IN MALE OR FEMALE.

From whatever cause originating, and no matter of how long standing. Diseases of these organs require the aid of a diuretic.

HELMBOLD'S EXTRACT BUCHU
Is the Great Diuretic.

And it is certain to have the desired effect in all diseases for which it is recommended.

BLOOD, BLOOD! BLOOD!
Helmbold's
HIGHLY CONCENTRATED COMPOUND
FLUID EXTRACT SARSAPARILLA.

For purifying the Blood, removing all chronic constitutional diseases arising from an impure state of the Blood, and the only reliable and effectual known remedy for the cure of Scrofula, Scald Head, Salt Rheum, Pains and Swellings of the Bones, Ulcerations of the Throat and Legs, Mercurial Affections, Old Sores, Pimples on the Face, Tetter, Erysipelas, and all scaly Eruptions of the skin,

AND BEAUTIFIES THE COMPLEXION.

NOT A FEW

of the worst disorders that afflict mankind arise from the corruption that accumulates in the blood. Of urine diseases that are now said to prevail, none are more frequent in their constitutional origin than Scrofula. Hence the importance of a medicine which will purify the blood, and enable it to throw off the humors which make disease. It stimulates the healthy functions of the body, and expels the disorders which corrupt and ramify in the blood. Such a remedy that could be relied on has long been sought for, and now, for the first time, the public have one on which they can depend. One trial will convince the most incredulous of its virtues. The total of eatable testify will show to their truth that it is to virtues surpassing anything that have ever taken, as a table proof of the failure of Sarsaparilla added to a pint of water is equal to the Ambos Helmbold, and one bottle is fully equivalent to a gallon of the decoction or syrup sold by

HELMBOLD'S ROSE WASH.

As a curative in the following cases, it is unequaled by any preparation, used in connection with the Extracts Buchu and Sarsaparilla, as directed in pamphlets. Extracts of the most responsible and reliable character will accompany the medicines. Also explicit directions for use, and many of the most remarkable living witnesses, and upwards of 30,000 unsolicited certificates and recommendations, many of which are from the highest sources, can be produced if necessary.

Nothing omitted Physicians, Clergymen, Statesmen, &c., will be found to have used and recommended the Extracts Buchu, Sarsaparilla and Rose Wash in their practice, as will be seen by reference to the pamphlets.

Beware of Counterfeits and Worthless Imitations, and do not be induced to purchase any other than Helmbold's, or what you call for, but insist upon having it, if you expect to be cured. Do not be deceived by the use of large bottles, pint bottles, and the name Buchu, Sarsaparilla, Rose Wash, &c., as they are worthless and dangerous compounds.

Helmbold's Extracts are prepared by the celebrated Dr. Helmbold, Chemist, and Pharmaceutist, and are the only Extracts ever offered to the public which will not ferment and sour in any climate. Prepared and published in the Transactions of the American Pharmaceutical Association.

These Certificates can be obtained at our office, or will be sent by mail. Watch to be sent by express for payment of the $12 and return of the Certificate.

This is not a lottery, but a *bona fide* sale, and any one wishing to obtain a Watch at a low price, should send at once and procure a certificate, and as the Watches will surely soon be sold, get a Watch at half the usual price at least, and many will get a splendid Gold Watch for the trifling sum of $12
