SABBATH READING. OREDIENCE TO PARENTS.

When I my parents disobey
In spite of all their love,
How can I kneel at night to pray
To Him who reigns above? I dearly love them both, and rel, When orli tempers rise. Toe often I their love forget, And God's commands despise

Am I my Hearsely Father's of When His commends I break and can I alsee unreconciled.

I bless Ills name, this need not be, For Jesus Christ has died— Ills blood one plead for sicial no; His blood my sins can bide.

And He, if I am really His, Will help me every day. And make me feel how sweet it is 

## Vanity of Worldly Greatness.

The great Wolsey, after he had reached he highest round of ambition's ledder, in he evening of life, bitterly exclaimed Would that I had served my God as faithfully as I have served my king! He would not have abandoned me in my old age."— The illustrious statesman, William Pitt, the The illustrious statesman, William Prix, ise fracturine of king and people, "digin," (asya Wilberforce, his friend.), "of a broken heart." On his dying bod he is statid to have said, "if fear I have neglected peager too much to make it available on a death-bod." Sill more distressing was the closing, scene of Sheridan's career. He who half stood on the pinnacle of glory and gund stood on the pinnacle of glory and gamed the most flattering distinctions, writes in old age to one of his friends, "I am about the pinnacle of the pinnacle of the pinnacle of the pinnacle of the pinnacle or the pinnacle of the pinnacle o his direc's life. Selecting to his approximate Abbustation, he were it, and that it has been not long ago, it think my heart will have been not long ago, it think my heart will have been not long ago, it think my heart will have been not long ago, it think my heart will have been some therein and historic trionous consecutations and historic trionous consecutations and historic trionous research and heart trionous consecutions and proved one rejuption, in a pose raison of consecution, and the second of the post Bourna. Completely along words of the post Bourna. Completely and the second of the post Bourna. Completely along words of the post Bourna. Completely along the words. My well and the chold of my hopes are dead. My only surveying child in the world. My well and the chold of go hopes are dead. My only surveying child is for firm, it is a building that must come bourtain the world. My when are the life firm, it is a building that must come bourtain the world. My when the best more and the second of the post of the world and the world of the world and the worl have passed over him if he had ex-d his philosophy for Christianity-ii he had known the pleasures of thus hope—if, in the realized presence of Christian visible Jesus, and His unatterable kympa-thy, he had found "the balm of Giled." to heal, not to blunt, the pangs of hi-wonded splitt!

onded spirit! "When I look back," said the German orthe, speaking in his seventy-fith on my early and middle hie, and or few remain of those who were ung when I was young, I sm renemded a summer residence in a watering place. we arrive, we form acqua When we arrive, we form acquaintance, with those who come before up, but who, will some before up, but who, will some before up, but who, will some bettering. The loss is paniful, with but their comes the second generation, which when he has for a while on terms the most instance. Earl term than process ways, and leaves up a show with the third, which across some before our departure, and with when he we have but intile to do.

"I have cotten been proused as an opposal faccuritie of fortune, and I will not resulting the compliance. But get the before their thei

at had always to be lifted up again for a

in the world's exercise of glory, sure from the world's oracle, is it but the echo of the world of ter, "Whosever drinketh of this all therst agon?" Blessed by He sist He added, "But whosever

name that He added, "that whosever drinketh of the water that I shall give him shall nerer thirst; but the water that I feesle shall give him shall be in him a well of deput and the shall give him shall be in him a well of the shall give him shall be in him a well of the shall give him shall be shall give him shall give water springing up into everlosting life."-

FORTT YEARS. - Forty years once seemed Fourt Yuans - Ferry yuan once reends a long and werey plignages for tred; it now seems but a step. And yet shong the way are highen, shores where a thousand way are highen shores where a thousand whole year is first short with a steme taken the shore year in facts with a steme (asset, shadows erm we could not forget. We will girare the nanhane of those years, and with chattened steps and reasceable began in the steme of the steme years and place to the creating whose lagist will soon be seen systemy, where the will also the new review one.

THEFT AND PRESS. - Touth being found ock, you may heldly dig to so long without fear of destroying the edifice; but falschood being lead on the sand, if you examine its foundations, you need to fall.

He loseth his thanks who p omiseth and delayeth.
