ALI PROMISE RECORD STATEMENT OF THE STATEMENT OF

## MANUEL AND ING. SPIRIT-FLOWERS

BY IN IT FLOW ERS.

A young child stood by its mother's side,
Westeling the shirting noted

Or a grave, fresh scooped from ond grave dust,
By a seaton gray and old;
And why do they harp as, mother dear,
Down in the earth so cold?

By the seaton gray and old.

By the seaton gray and old.

By the setton gray and old.

"The Barth is not could, my durling child,"
Softly his mother sail;
"Its bosons is warms, not to steep and rest,
Castly was buy the deed;
Its bosons is warm, my dwiling child,
And quader his son and shower.
The soul will rise from its quiet steep.
A beautiful bod on flower.

And angels will bear it up, my child, Into the Heaven above, ever again to droop or die me up, my child, more un Heaven above. Nerse again to droop or the Best bloom in the light of lave. The sun's warm rays and the shining des Are shape of an angel band. Who, sent to gather the Spirit-dowers, Over the grave turf stand."

'Indicate the "

And silest, the young child answered not, But knew from that blessed hour. Why she had gasted and workered so much At every beautiful flower; And ever in after fears the breath Of the flowers was aweeter far. They led her to the Spirit-land,

Somebody is Waiting for Me."

"Somebody is Waiting for Mo."
These words are not very stirking, yet
they are very impressive. How often we
then, and prohaps use then countries,
without the least thought of their messing it
the corner of that street. "I can t say, somebody is setting from," ways one, and with
a mille upon his sun-burnt face he is gonebody in the companion in vite whom he
are the contribution of the contribution of the

in the contribution of the contribution of the contribution
in the contribution of the contribution of the contribution of the contribution
in the contribution of the contribut takes her accustomed sext in the garden to the first to meet him. White, his wife is preparing supper for him, and her countenance is so pleasing, that we may well say, happiness is an inmate of that house. How different it is with the gambler. Though he knows that someboy is waiting for him each night, yet that does not induce him to, hatten home. No, he has become an added to raded in vice, that he cares for neither wife

raded in view, that he cares for mether wise nor children.

Will three not be somebody using for the arrival of them frends who were in the ill-dated vessel which sank with all he visible cares of the unani here? Ah, you take cares of the unani here? Ah, you take care to the unani here? Ah, you take care the property of the care that the wasting for the normal orlife. All the wasting for the normal orlife, and soldenty they with hear. Whise is last. "And we there not teachers atting for use as soldentiated with the great plant of their carment labors spring up and yield a pleatful harvest? Our presents, too, are waiting for use-those who have nourable pleatful harvest? Our presents, too, are waiting for use-those who have nourable the pleatful harvest? Our presents, too, are waiting for use-those who have nourable versus the control of the present the second of the present the pres

us to comply with their wiskes, should we not be actuated by a higher motive—that, of doing what our Creator has commanded? Society is waiting for the tince when we shall be able to take an actue part in all its duties, and sick and dying are waiting for us to come and conflort them. Let us not them stand at the corners of life.

sten foward, and when we eternal boine, there will be a kind Savious in heaven waiting to receive us to himself. -Caroline H. Irsen.

## Beautiful Figure.

Boantial Figure.

Rev. Mr. Barnes, in his termon on "life at Three Sorre," illustrates the magnitude of esternal limits of este

at all times to be of the same magnitude. In all human time is morphism and morphism all and morphism all and morphism and sternty appeared distant and small in a portance. But at the period of like which I have now reached, it seems as if the earth have now reaffed, it seems as if he earth hal felt the obt of its annual morments, and was making a rapid and direct flight to the was. The objects of eternity, towards which I am moving, rapidly enlarge themselsers. They have been on exposurancy bright and grand. They fill the whole field of vision, and the earth, with all which light the common object of human ambition and purnetl, if a visiode ways?

I Seat List Office or Trace . The desirable of led glay and placare shall that have be, when still the millions of mackind this three beson reduced by the blood of the Links of God shall meet tageither and stand around him, with every clonges and every heart full has, with every clonges and every heart full has glary and the joy of shat sky, when all the sands shall just houghter in one common ong of gratitude and love, and of everything transferance to their Redpener University transferance to their Redpener to the transmission of shall interpretable consecution shad in that are used from tag-wat skills, and rejolee in the prosect. I SHALL BE ONE OF THEM - How die
