POETRY

THE BRAVE AT HOME. BY T. B. READ.

The mid who blad her warrier's sach,
With malls that well her pain dissemble
The while hereash her droughed,
One drary tearling hangs and trambles,
Though Harwar alsons records the fast;
And fame thall diere know her story,
Her heart shall sheen know her story,
are the ward does not contain the same also we will be seen also we have the same also we will be seen also we wi

As ever devect the field of glory.

The wife who girds her burband's awa
this diffillences who men apportuned at
And grarely speaks the checking won'
What though her heart be rent assue
Doozed nightly in her drams to hear
The botts of war around him rattle,
Hath field as acred blood as e'e:
Was poured upon a field of battle.

Was porcel upon a field of battle.
The mother who conceals her grief,
When to her breast her end the process.
The breasther a few brave words and brief,
Kadeig the parinted brow the Messes,
With no one but her covert Gel
To have the grain that weight upon her,
Shoed buty blood as even they see

itectived on freedom's field of honor.

In some undern novels, sin grows scattemental. Satan covers his cloven foot with a satin slipper, and emits a complex odor made up of soliphur and Javender, hot pitch and cologne water.

and cologoe water. We may be cured of little cilmes by con-templating a groat criminal, as the children of Israel when bitten by serpents, were healed by looking at the big serpent uplifted by Aaron.

by Area.

A will—the wip does not always lead unto questions in crucining dera hadown we sometimes care the adjustment of the angular contraction to most valuable resulting.

The world's travellers may as well understand that, allbungh it many sometimes be their duly to derite from the world with from the casen path, they do so as to risk of being torn by the ordings.

killed. In a hel summer when there is most thirst there are fewest brooks. So of many people's chardiss—they are rarest when most needed.

The hadies are sometimes accused of insin-ently, but probably there neer wis a time when they practised as little concealment as they do now.

when they practiced as little concenterative they do now.

Many real virtues may be acquired by the strength of the strength o

tion."

Ere ate but one apple from the tree of knowledge. Many a daughter of her's flatters herself that she has robbed the whole tree.

To have a good style in writing, you should have none; as beauty of face consists in the absence of any prodominant feature. Gamblers consistes a creat miny tricks. Gamblers practise a great many tricks with playing cards, and ladies a few with visiting ones.

visiting ones.

There's many addip between the cup and the lip, and not a few between the Bras kiss and the ring.

Stuffing is a very good way to preserve a dead bird, but a very poor one to preserve a live person.

SABBATH READING. TIS SWEET TO PRAY

'Tis sweet to pray 'noath lighted skies, When prospects radiant anile. To bid the spirit's incense rise, And heaven alone beguile!

40

This sweet to pray when sorrows come, And treaspred joys depart; When lightnings ecsibe our love-wreathed h And desolate the heart.

When sickness flings its abadews to Around our femaly room. Aroung our lonely room, ind only echoes from the past, Cheer through the darkening gle

When hopes by disappointment riven, Lie withering o'er our way. O; when no hold is left but heaven.— Then—then, 'th sweet to pray.

But sweeter still, methicks you say,
If th' Holy Breath be give.
To melt the heart, to lead the way,
And light the read to heaven.

rect to breathe the humble soul, prateful prayer above.

Presence of God.

Prosence of God.

The blakitost conviction of the presence of God is the noversign remoty in tempts. The constant is cleanly in tempts of the presence of the provided property of the provided property of the provided property flatters it, to confident in the property flatters it, our life is a continual warface, but Joseph Christ contains with the property flatters it, our life is a continual warface, but Joseph Christ contains with the property flatters it, our life is a continual warface, but Joseph Christopher (and the property flatters) who described the property flatters in the proper

upright anections, most w most upright attetions, most uccessary at-tachments, must be regulated by his will; but it is not the multitude of hard duties, it is not restrain.

but it is not the multitude of hard duties, it is not treatment and contantum, that advances us in our Christian course. On the century, it is the yielding of our wills, contanty, it is the yielding of our wills, containing the con

A Mother.

A Mother.

By the quiet fireside of home, the true mother, in the midst of her children, is some fig., as in vesse of earth, the scody's plant; that shall sometime give to heaven the shall be as a reason of angelic feel, the one blot chirting that the can make the error seconding and expending only of the children to her Maker. Every word that now usive goes from heart to heart with a power usive goes from heart to heart with a give usive goes from heart to heart with a give using the reason of the children of the childr

us in their speculations that we cannot hill a finger without moving the distant spheres. Soleum is the thought, but not more soleum can to the Christian mother than the thought that every word that falls from her lips-griff, expression, of, her, countenance, even the sheltered walk and retirement of home, may leave an indelible impression on even the snearces home, may leave an indelible impress young souls around her, and form were an underlying strain of that edu which peoples heaven.

A Curious Custom.

A traveler in China, in speaking of bu rials there says: "In point of fact, the corpse is buried in China, when it is laid it its collin. The cofflin is made of very thick its coffin. The coffin is made of very thick, beary imber and the joints are all carefully closed by pairing layers of paper over them, so as to make them are tight. For greater security, a little lime is generally part in youth the corpus. In this way it is possible to keep the corpus in the house for years, without any unpleasant consequences. The practice, indeed, is not uncommon. Some have not the means at land for larying in coch side such the vaniel with 1 by most place to soft them. Thus it sometimes hap peus that on entering the Chinese gentle man's house, a coffin is one of the most prominent objects con among the articles

is nade up of all things. It is statement an age that covering a critical particular, a great deck. True great new conjunction in a great deck. True great new conjunction in great in little things. If it was reduced, build 1 by one shored find at state. Thus cooling, one shored find at state. Thus to be willing to do a little good at a time, and the recreated to do a great of all at some. If we would do much good in the deck of the willing to do good in third things, last again on the state of the sunstance. The state of the sunstance of the su

of the oppressor, lest my lury go out its fire, and burn that none can quench it, be cause of the cril of your doings. "-Bible.
