Death, that gount spectre who pursues mortal man from the moment of birth, overtaking him in youth, in middle-age and in the Winter of life; who snatches the baby from the cradie, the youth from his studies and even the conqueror from his kingdom at the coment of victory, has again pointed his lear finger this way and taken from our midst one of the sweetest, purest young lives a Divine Providence ever permitted to dwell here, sending to an untimely tomb-a loving and devoted wife, a kind and considerate friend and neighbor, one who was beloved and esteemed by all. "Makel 8, Johnson, wife of former Sheriq Euch L. Johnson, passed away early in the week in Denver, Colorado, after patiently suffering for many years, a few days after she left here in a last brave attempt to ward off the dread disease with which she was afflicted. Details of her denise are lacking beyond a brief telegram sent sometime between Monday midnight and Wednesday morning, though word was previously received that she was sinkibit and the sad tidings were momentarily expected, She ralled awhile after the fatiguing journey, then lost strength little by little, passing away in her sleep. Her husband started Wednesday on his sad return journey and beexpected to reach here with her body early this morning,

Mrs. Johnson, in her twenty-eighth year'at the line of her death, was born September 14, 1884, at Steelm caville, this County, to Lewis E. Jeffries and Annie R. Smith, both of whom are now deceased. She attended the public schools at Steelmanville and Linwood, mov-

ing to this place when about nine years of age, [where she has since resided. After graduating from the High School here, she attended Normal School at Trenton and afterward taught school here for two years. Of people don't give sufficient attention to the important matter of selecting an Executor. The Atlantic Safe Deposit and Trust Co. is organized under the law. If any of its officers die, they are succeeded by men equally as capable. Therefore, when they are your Executor, there is no chance of loss or mismanagement through the death of the party acting in this capacity. We draw wills free when appointed Executors.
