NEED \$1,500 MORE TO COMPLETE HIGH SCHOOL

SPECIAL ELECTION TO VOTE APPROPRIATION

Board of Education Asks Additional Funds to Thoroughly Finish and Equip Structure - Will Hold School in Other Buildings.

In order to finish up the rebuilding of the High School in a thorough manner, the Board of Education, at a meeting held Tuesday, evening last, passed a resolution asking for an additional appropriation of \$1,500. Notices will be posted by the District Clerk of a special election to be held at Library Hall Friday evening, August 5, for the purpose of voting on the appropriation.

The additional appropriation is intended to at the three entrances to the building, to replace the windows in the old portion of the ured over the Cafawba reach, so the boats will building with one-plate windows to match those in the new portion, to provide more light for the basement by building larger windows, to purchase new black-boards, to pay the architect and make incidental minor improve Redmen, Oddfellows and Mechanics ments thought necessary for the proper com pletion of the building. Provision for these is not made in the present contract. Work on the rebuilding of the structure is

still delayed owing to lack of lumber, but when everything is in readiness a large force of men will rush the addition to completion nd it is hoped to have it in readiness for ool purposes by November. The contract res the work to be completed within one ed working days, so the consideration eather will enter into the question. to holding school elsewhere until the ding is ready for use, but it is said by that quarters will probably be rented hat time. The salaries of the large ing corps must be paid from the opening the school term in September and as the ime lost cannot be made up later than June it will be necessary to hold school somewhere or lose the State allowance for attendance, which and refreshments were served. would amount to about \$1,500.

Tennis Grounds Not Public.

So many persons have been using the tennis court on the County grounds recently, damaging the lawn and injuring the court, that Capt-Daniel F. Vaughn, supervisor of the grounds, has been obliged to call attention to the fact that the tennis court, built by members of the local lawn tennis club, is not a public playground, "It is a private court," says Capt. Vaughn, "and if any persons wishing to play tennis so desire, they can build a public court of weakfish Saturday last down the river at on the rear plot of the County grounds. We did not object to a few players using the court, but lately so many persons, most of them boys, wharf at Meadoweroft. have been using the grounds all hours of the day that it became a nuisance,"

REGATTA AT CATAWBA.

May's Landing Yacht Club Plans Annual Meet for August. The May's Landing Yacht Club held a wellattended meeting Thursday evening last and

appointed a committee of three to arrange for the annual regatta of the club, which will be held at Catawba, Saturday, August 13. The committee consists of Messrs, A. B. Entwisle, B. F. Jarrett and W. W. Jackson. The arrangements for the regatta will all be made by The races, which will be divided into classes

suitable for the size and power of the contesting motor boats, will be open to all, whether members of the club or not and it is hoped to have every craft on the waters here entered. Suitable prizes will be offered for the winners. Tickets for the races and luncheon afterward will be issued at a nominal sum. These will be sold by the members. Provision will be made to have the members and guests conveyed to Catawba. The regatta will be held in the afternoon according to present plans and nothing will be omitted by the committee to

have it a complete success. Last year the Club held its first regatta, which proved very successful, and it is certain defray the expense of building concrete steps that this year's meet will be still more interesting. A course for the rices will be measbe in sight of the spectators during the contests.

IMPROVE M. E. CHURCH

Structure Will Be Raised, Basement Built for Sunday School, Choir Loft Changed, Rooms Recarpeted and Sidewalks Paved.

At the Second Quarterly Conference of the May's Landing M. E. Church held last Monday evening, it was unanimously decided to make extensive improvements to the church property. The whole matter has been carefully considered, and was presented to the Quarterly Conference by the Pastor of the thurch, the Rev. S. K. Moore, who prepared the plans and outlined the work.

The entire church building will be raised three and one-half feet and a basement constructed with a steel ceiling. The latter will be fitted up for Sunday School purposes. The altar platforms. An addition 12x14 ft, will be built at the rear of the main audience room. The audience and lecture rooms will be recarpeted. Concrete sidewalks will be laid in front of the church and leading to the several

entrances. "With these improvements" says the Rev. Moore, "May's Landing will have as fine a church as is to be found in any town of its size anywhere, and a church fully equipped to meet the needs of a growing community."

Messis, Albert Smallwood, Daniel McClure, Baker C. Lloyd and William Applegate, with the Pastor, were appointed a Building Committee to superintend the improvements, which | church. will probably be started at an early date.

MAY'S LANDING, JULY 23, 1910.

If Atlantic City is half as bad as the ". formers" say it is, why don't they move out? This incessant fanatical foolery is deplorable. Certainly the hundreds of thousands of visitors who patronise the resort are not asses. The would-be reformers are-otherwise.

Too many school boards, ignore, that section of the school law which requires bids to be advertised for the purchase of school supplies, and that isn't the only section of the school law that is violated, by any means. Perhaps the activity of the Senate Investigating Committee will prompt negligent board members to study their copies of the school law during
