Germany cannot win Whether it is ended now or later, this awful conflict will end in a draw. Both sides mus ose, and lose heavily. Meanwhile the whol world suffers, in spite of temporary prosperity. No one ever gains anything worth while through the misfortunes of others.

Both Farm Demonstration and the Voca tional Schools of Agriculture are doing splendid work in Atlantic County and both departments will doubtless be continued as permanent county institutions. The farmers are just beginning to realize their worth and of both it may be said, their usefulness will be more and more apparent as the farmer appreciates and makes use of the help available for the asking. May both departments begin the new year unopposed, and ready to work together in perfect harmony for the common good of the county farmer.
