AND
Demorest's Monthly Magazine.

A WONDERFUL PUBLICATION.

Many suppose DEMAREST'S MONTHLY to be a fashion magazine. This is a great mistake. It undoubtedly contains the finest FASHION DEPARTMENT of any magazine published, but this is the case from the fact that great enterprise and experience are shown, so that each department is equal to a magazine in itself. In DEMAREST'S you get a dozen magazines in one, and secure amusement and instruction for the whole family. It contains Stories, Poems, and other literary attractions, including Artistic, Scientific, and Household matters, and is illustrated with original Steel Engravings, Photographs, Water-Colors, and fine Woodcuts, making it the MOST MAGAZINE OF AMERICA.

Each copy contains a PATTERNS ORDER entitling the holder to the selection of ANY PATTERN illustrated in any number of the Magazine, and IN ANY OF THE SIZES manufactured, each valued at from 20 cents to 20 cents, or over \$2.00 worth of patterns for year, free.

Yearly subscription, \$2.00. A trial will convince you that you can get ten times the value of the money paid. Single copies (each containing Pattern Order), 20 cents.

Published by W. JENNINGS DEMAREST, NEW YORK.

The above combination is a splendid chance to get our paper and Demorest's Monthly at reduced rates. Send your order to this office.

Street Trees.

Now is the time, when other work does not crowd, to see that your shade trees are properly trimmed up. There are yet a great many fine young trees, along our streets, with branches not over four feet from the ground, and although these may not be in the way now while the trees are small, when they get larger it will be difficult to walk under them; and then the branches will be so large as to leave bad wounds. Now don't look at your neighbor's trees, to see if they are properly trimmed; it is your trees that you are to look after.—"Thou art the man."

WM. F. BASSETT.

President elect Harrison is devoting a large share of his time to the preparation of his inaugural address.

The friendliness of the present Administration toward the Mormons is further illustrated by the pardon of five more citizens of Utah who were serving sentences for violating the anti-polygamy laws. The Mormons are going to lose a generous friend when Mr. Cleveland retires.

The local option election in Hunterdon County scored a big victory for the no license people.

You Scratch

my back, and

I'll Scratch

Yours.

I. E. Try a sample of Dr. Johnson's famous **POULTRY POWDER**, and it'll give you paying results.

It needs but one trial to prove its value as a chick-feed.

It will prevent any leg weakness in growing chicks, and will push them forward quicker'n a sledge hammer.

One two-pound package (25 c.) can be mixed with two bushels of feed for hens, and three bushels of feed for chicks. This'll tell you how far 'twill go. Aint it cheap?

A quarter might *make* you, but surely won't *break* you. 'Taint a sell. Try it.

"Aigs is aigs," this weather. My powder produces them, when fed to hens. Whether you're in for eggs or not, 'twould be well to invest in an article of such meritorious merit, that will keep your hens healthy.

'Twill even prevent disease, such as Roup, Cholera, etc. Aint it worth a quarter to be on the safe side?

And there is the "hoss." Why, it will just put him in splendid condition, and keep him there.

You've got to be educated to the fact that this is **THE** Horse, Cattle, and Poultry Powder. You'd graduate on a sample package, and give to me your diploma.

F. G. U. Stockwell Anderson kept it.

Dr. Johnson's

Is the name. A big yaller 2-lb. package for a quarter.

The Republican.

Entered as second class matter. JAMMONTON, ATLANTIC CO., N. J. SATURDAY, JAN. 12, 1889.

St. Mark's Church, first Sunday after Epiphany, Jan. 13th, 1889. Holy Communion, 7:30 A.M. Morning Prayer, Litany, and Sermon, 10:30 A.M. Evening Prayer, 4:00 P.M. Sunday School at 3:00. N. B. Sunday School will hereafter be at three o'clock, Evening Prayer at 4.

The New Jersey State Legislature met on Tuesday, and organized very quietly (the music was heard in the Democratic caucus) by electing Mr. Wertz, of Morris County, President of the Senate, and Mr. H. S. Hudson, of Hudson County, Speaker of the House. Governor Green's message is very lengthy. The first part shows that the state finances are in a very satisfactory condition. The Governor condemns in emphatic language the action of the Republican Legislature in removing from the Executive the "appointing power," quoting from various authorities, and arguing at length that this action was wrong—very wrong—and says that why New Jersey went Democratic last Fall. On the subject of elections, he makes several excellent recommendations to secure secrecy, safety, and purity—favoring a modified form of the Australian system—but don't like the sunset closing law. He states that the schools and school funds are in a satisfactory condition. Recommends an intermediate reformatory, where young men, too old for the Reform School, and others concerning whom there is hope of reformation, may be confined, away from the evil influence of hardened criminals. Our insane asylums, etc., are reported, and various improvements suggested. States that the "compulsory education law" is not enforced. Reports that an average of 340 soldiers have been cared for at the "Home." Urges amendments to the Constitution—to base representation in the Senate upon population, instead of one to each County; also, to repeal the amendment adopted a few years ago, preventing special legislation for particular localities. These are the more prominent points treated; but, to our surprise, we fail to find a word in reference to the temperance question, the legislation upon which subject resulted in the election of a Legislature Democratic in both branches. The best that we can hope for is that the members will be equally discreet.

In the House of Representatives, Tuesday, Mr. Hires introduced a joint resolution authorizing the Secretary of War to purchase a tract of land consisting of 12,375 acres in Atlantic and Cumberland Counties, New Jersey, as a suitable site for testing heavy ordnance and making experiments in gunnery. The price paid is not to exceed \$225,000. Mr. Osgood, the real "Murdoch," says he did not at first conceive of the local significance of the publication of Lord Salisbury's letter. Congress is killing time, but time will be revenged. Even the most expert filibuster on the roll of the House cannot postpone the 4th of March. There were 358 arrests made by the Atlantic City during 1888. Dividend.—The Hampton Cranberry and Improvement Association this day declared a dividend of 12 per cent on the stock of the Association, payable on demand. P. S. Tilton, Treas. Jan. 3rd, 1889.

WORTH KNOWING. Mr. W. H. Morgan, merchant, Lake City, Florida, was taken with a severe cold, attended with a distressing cough and running into consumption in its first stages. He tried many so-called popular cough remedies and steadily grew worse, was reduced in flesh, had difficulty in breathing and was unable to sleep. Finally tried Dr. King's New Discovery for Consumption and found immediate relief, and after using about a half-dozen bottles he found himself well and has had no return of the disease. No other remedy can show so grand a record of cures as Dr. King's New Discovery for Consumption. Guaranteed to do just what is claimed for it. Trial bottle free at Cochran's Drug Store.

LOCAL MISCELLANY.

Dancing school this evening, if the weather permits. Don't neglect the Board of Trade meeting, next Monday night. Fruit Growers' Union annual meeting, Saturday, Jan. 20th. The annual tax-sale of land will be held on Tuesday, Feb. 26th. Found,—a small purse. The owner may call on Mr. Valentine. Mr. C. E. Hall has been spending a ten days' vacation in New York. Mr. William Black seems to be regaining health, being able to walk out on pleasant days. Mrs. George W. Swank has been very ill, from paralysis, for many weeks, but is better. Mr. S. E. Brown is expected to address Prof. Matthews' evening school at its next session. Rev. Asher Moore has bought two fine building lots, corner of Third and Maple Streets. A home-made minstrel troupe is rehearsing for an entertainment to be given in a few weeks. Mr. and Mrs. D. C. Potter, of Pleasantville, spent Wednesday of this week in Hampton. The Overseer of Highways has "worked" Maple Street, to Egg Harbor Road, making a fine-looking street. Mr. James B. Holt has gone to Anacostia, D. C., intending to spend the remainder of this winter there. Mr. and Mrs. Page are cozyly keeping house in the dwelling recently occupied by Mr. E. Darling, on Second Street. The Folsom mail now arrives in and departs from Hampton in the forenoon, instead of in the evening, as formerly. Mr. Wm. Simons and family are occupying Mr. Black's former residence. A. M. Roberts has rented the house thus vacated. Mr. W. B. Hand is among the recent purchasers of lots "across the railroad." Mr. Albreton has gone and done likewise. Mr. Gifford, who has been very ill for some time, with but small hope of recovery, has been taken to Philadelphia for treatment. The week of prayer has been observed by the Baptist, Methodist, and Presbyterian Churches, with meetings every evening. The Post officers were not installed Saturday night, because of the storm. The ceremony will take place next Saturday evening. Remember, that you can get a feed for chicks that is acknowledged to be superior to any sold in town by other parties, at P. S. Tilton & Son's. Andrew Grimes, the negro murderer in our County jail, says he will die, for he cannot eat or sleep—he is worried at night by Elder's spoke. Our young friend Joseph Helm has been appointed station agent at Cedar Brook, on the P. & A. C. Road. "Jack" hasn't lost his interest in Hampton. Col. Dan. Stone is sending out a large number of his real estate circulars this week. If there is anything in this method of advertising, the Colonel will succeed. Mr. Charles Crowell has been improving his lots, corner of Third and Maple Streets, and setting shade trees. It is said that he will soon erect a fine dwelling there. Both of our Building Associations are prospering. Borrowers appear to be prompt in making payments, and the demand for money is sufficiently great to cause high prices. The sympathy of many friends in Hampton are extended to Mr. and Mrs. William Gearhart, of Philadelphia. Their twin boys, aged about six months, died this week, of pneumonia. The Methodist Church at Mary's Landing, which was burned a year ago, and which has been replaced by a new one costing \$5000, will be dedicated by Bishop Foss on January 24th. Mr. Hampton mails are constantly growing heavier. Recently, the railroad company has been compelled to employ an expressman to transport the great sacks to and from the office.

LOCAL MISCELLANY.

Winslow Lodge, No. 40, I. G. of O. F., celebrated their removal to Hampton on an open installation of officers on Thursday evening. Their hall was filled with members, guests, and their ladies. A number of the Grand Lodge officers were present, including the Grand Master, Treasurer, Conductor, Herald, Representatives to the Supreme Grand Lodge, and several others from other parts of the State. After the impressive ceremonies, Rev. Asher Moore was called upon, and, as usual, made a very neat address of welcome to the Lodge. Though not an Odd Fellow, he is in full sympathy with the Order, and his remarks were very complimentary. A number of the visitors then entertained the company. Mr. John Hay, one of the Charter members of the Lodge, spoke a few words. The call to refreshments followed. Two long tables were found in the banquet room, filled with good cheer,—sandwiches, coffee, cakes in profusion, fruits of all kinds, and ice-cream,—which all seemed to fully appreciate. We congratulate the Lodge upon the success of this first entertainment, and join in the popular welcome extended to them. The organization must result in benefit to the town. The following are the officers: N. G. Herbert P. Hill. V. G. Wm. H. Bernhouse. Sec'y, George King. Treas., M. L. Jackson. Warden, Chas. Myrose. Conductor, Wm. Bernhouse. Chaplain, Wm. Haines. R. S. N. G., H. M. Jewett. L. S. N. G., N. Van Schoick. R. S. V. G., D. F. Lawson. L. S. V. G., Edw. North, M. D. I. G., George Bernhouse. O. G., John Austin. H. S. S., John W. Ballard. L. S. S.,—Vanderhoop. P. G., Charles Austin. The following are the officers of the Sons of Temperance, installed last Monday evening: W. P., David L. Potter. V. P., A. Samaria Bernhouse. Chaplain, Albert Adams. Treasurer, Russell Moore. F. S., Horace Black. R. S., N. D. Page. B. S., Annie Herbert. Conductor, Isaac Smith. Asst. Con., Hannah Mick. I. S., Jessie Mick. O. S., Mrs. D. L. Potter. P. W. P., Nellie DePue. List of unclaimed letters remaining in the Post Office at Hampton, N. J., Saturday, Jan. 12th, 1889: Miss Lucie Williams. Mary F. Powell. Mr. Wm. Dinius. Persons calling for any of the above letters will please state that it has been advertised. CHRIS F. OSOOD, P. M.

LOCAL MISCELLANY.

At the annual meeting of the Workingmen's Loan and Building Association, Monday evening, the following were elected: President, M. L. Jackson. Sec'y, William Black. Directors, D. M. Ballard, J. T. French, D. F. Lawson, George Elvins, C. F. Oswood, A. W. Cochran. The thirteen shares of stock was opened, and 300 shares taken. A young man, in Hampton had a curious experience, one night, not long ago. Reaching home after others had retired, he quietly entered a rear door, and was progressing finely in the darkness, until he suddenly ran against a cord, liberating a great stack of tinware—pails, pans, and plates—which came clattering down all around him in the noisiest kind of style. Recovering, started on, but struck another cord, which drew a door shut with a bang. This didn't detain him much; but at the hall door a third cord caught his ankles and "laid him low." Supposing his troubles ended, he mounted the stairs confidently (but not quietly, for he was—well, MAD), and just at the top of the stairs he encountered the fourth cord, which was attached to a dinner-table, which responded vigorously. Perhaps the family were all asleep, for there was no response to his expressed approval (?) of the joke and jokers; but then he could well afford to furnish a little sport, after a whole evening spent so pleasantly elsewhere.

Mr. Haney sent a quietest of "bloody" Minors to compete for prizes at the Bridgeton Poultry show. Wouldn't it just "hit" him, to get the first prize? We hope he will. We were unable to hear the lecture by Mrs. Barry, last Friday evening, but it was reported to us as an eloquent argument in favor of organization and co-operation among working men and women. Blatchford's Royal Stock Food is considered superior to any other preparation in the market for horses, cows, hogs, and poultry, and can be found at P. S. Tilton & Son's, sole agents for Hampton and vicinity. Mr. William Walton, known to many of our readers, a brother-in-law of Hon. George Elvins, died last Friday, at the residence of his nephew, Mr. John Elvins, in Philadelphia, after severe suffering from rheumatism. May's Landing has an individual who deplores "new-comers" settling in that town. How is that for Nineteenth Century enterprise, eh? It is the constant infusion of new blood that prevents stagnation and promotes the growth of any community. The Grand Army boys are to hold a "camp-fire" on Saturday evening next, the 19th. Joe Hooker Post, of Atlantic City, have been invited and are expected to be on hand; also, representatives from Williamstown. Yes, the Auxiliary members can have full swing there. Mr. Wm. A. Hood was called to New Boston, Berkshire County, Mass., a few weeks ago, by the illness of his brother, who has since died. Mr. Hood is still there, settling up his brother's affairs; but is expected home soon. Miss Lucy Hood is with him. There will be installation of officers in Branch 227, Order of Iron Hall, on Monday evening next, Jan. 14th. We would be glad to have all members present on that evening. CHAS. W. Last Saturday brought us a rain storm, accompanied by high winds, which did much damage along the shore, and in some interior towns. The rain continued through Sunday. Monday was mild, but threatening rain. Tuesday was delightful. Wednesday, abundant rain, with wind. Thursday and Friday, bright and enjoyable. John Magram sued Dan'l Hurley for the recovery of a horse which the latter bought of Jos. Jarvis. Magram claimed that the horse was loaned to Jarvis; but after hearing evidence, the jury found "was a trade or sale, and the plaintiff must pay the costs. The trial was before Justice Atkinson, Attorney A. J. King for plaintiff and Joseph Thompson for defendant. At the annual meeting of the Workingmen's Loan and Building Association, Monday evening, the following were elected: President, M. L. Jackson. Sec'y, William Black. Directors, D. M. Ballard, J. T. French, D. F. Lawson, George Elvins, C. F. Oswood, A. W. Cochran. The thirteen shares of stock was opened, and 300 shares taken. A Great National Journal. **THE NEW YORK Mail and Express**

The Advocate of the Best Interests of the Home—The Enemy of the Saloon. The Friend of American Labor. The Favorite Newspaper of People of Refined Tastes Everywhere.

For many years the daily edition of the NEW YORK MAIL AND EXPRESS has been recognized as the leading afternoon paper of the metropolis, while its weekly edition has been THE FAVORITE OF THE PEOPLE. It has satisfied the great popularity and influence by its enterprise in the collection of news, the purity of its tone, and the ability and courage of its advocacy of the rights of all questions of public interest.

Home Newspaper, for a direct comparison with any other in the country. It is one of the LARGEST PAPER PUBLISHERS anywhere, and spares neither labor nor expense in the acquisition of the very best in all departments of newspaper literature.

OUR POLITICS. We believe the Republican party to be the true instrument of the POLITICAL PROGRESS of the American people; and holding that the honest enforcement of its principles is the best guarantee of the national welfare, we shall support them with all our might; but we shall always treat opposing parties with consideration and fair play.

AGAINST THE SALOON. The MAIL AND EXPRESS is the recognized leading journal of the country in the great Anti-Saloon Republican movement. It believes that the liquor traffic as it exists today in the United States is the enemy of society, a fruitful source of corruption in politics, the ally of anarchy, a school of crime, and, with its avowed purpose of seeking to corruptly control elections and legislation, is a menace to the public welfare and deserves the condemnation of all good men.

We cannot too strongly urge upon our readers the necessity of subscribing for a family weekly newspaper of the first class—such, for instance, as *The Independent*, of New York. Were we obliged to select one publication for habitual and careful reading to the exclusion of all others, we should choose *The Independent*. It is a newspaper, magazine and review, all in one. It is a religious, a literary, an educational, a story, an art, a scientific, an agricultural, a financial and a political paper combined. It has 32 folio pages and 21 departments. No matter what a person's religion, politics or profession may be, no matter what the age, sex, employment or condition may be, *The Independent* will prove a help and instructor, and educator. Our readers can do no less than to send a postal for a free sample copy, or for thirty cents the paper will be sent a month enabling one to judge of its merits more critically. Its yearly subscription is \$3.00, or two year for \$5.00. Address, *The Independent*, 251 Broadway, N. Y.

We have made arrangements by which we may be able to benefit our subscribers occasionally. That is, we will receive subscriptions for almost any paper or magazine published, at club rates. For example, we can furnish *Harper's Weekly*, or *Monthly*, *Frank Leslie's Puck*, or *Judge* (each of them \$4 per year) at \$3.50 each. There are thousands of papers on our list; come and see. On most of the \$1 weeklies we cannot make any reduction, but we can save your postage and the expense of forwarding money.

Wilkinson's Phosphate.

After three years' trial; after several car-loads have been used in this section on plants, berries, trees, potatoes, corn, garden truck, etc.; after repeated trials with other fertilizers, side by side, by unbiased men, and evidence given in its favor, we ask for another fair trial with any other phosphate or fertilizer you may choose to use, and note improved results in your crops.

This phosphate does not reduce the soil, but its benefits can be seen for years after. For sale by
