A Church Member

Should belong to the Union because (6th) the missionary work of all our Churches is handicapped, in foreign countries, by the rum sent out from this and other so-called Christian lands, to the natives whom our missionaries are making every sacrifice to reach and save.

Contracts are made with citizens of this country to send thousands of gallons of rum per day to the Free States of the Congo, that gain may come into the unaccounted coffers of the rum trade. Mrs. Mary Clement Leavitt, our first round-the-world missionary, found whole villages drunk with rum sent from Christian England and the United States, when she arrived with her message of gospel purity and love. God have pity, for the blood of these natives is upon our garments.

Has a Cure for Cancer been Found?

This disease, according to statistics, has increased about pro-rata with the decrease of consumption. Thousands die annually from its terrible effects. Many thousand dollars are expended yearly, in the search for a cure of this trouble, and new methods of treatment arise, only to be found of little or no value. Much was hoped from the X-ray, but its effect in the treatment of this disease has not proven in many cases of value.

Cancer, like other forms of disease, should be treated with the one object in view,--to remove the cause. For over twenty years, Dr. Mason has treated this disease with this sole idea in view, and has cured hundreds of cases of the very worst forms of this trouble without pain or inconvenience in any manner. The evidence given here of a very estimable lady of Germantown, Pa., who was treated and cured of this form of trouble, and who gives her testimony to that effect, as follows:

6082 Wilson Ave., GERMANTOWN, Pa.
June 7, 1905.

DR. C. H. MASON,

Dear Sir: It gives me great pleasure to be able to testify to your remarkable cure of my trouble. I came to you, as you know, after three physicians, one a prominent surgeon, pronounced a tumor in my breast, and all three advised me to have it removed at once. I arrived at your sanitarium April 27th, 1899, just a month after I had discovered I had a tumor. It was then almost the size of an egg. At the time I was nursing a three months old baby. I continued without any bad result. She is now sixteen months old and has enjoyed the best of health. After remaining one month under your treatment, then continuing with the medicine and lotion for 6 months, I find myself entirely cured, for which I am most thankful. I hope this letter may be read by many, and if so afflicted, may be the means of saving them from the knife.

I can honestly say to any one afflicted with cancer, or tumor, do not procrastinate, but attend to it as soon as discovered. Under Dr. Mason's treatment it will be a positive cure.

Thanking you for your kind attention and treatment, and wishing you a continuance of your well-merited success, I remain yours gratefully,
BARBARA B. HANSENBERGER.

Also of a gentleman in your own state, who was pronounced hopeless, who was also treated and cured, who is evidence of same, as follows:

SUGAR HILL, N. J., Dec. 8, 1901.

To those suffering with cancer will say, some years since I injured a mole on my spine, for the shoulder blade. A Rose Cancer (so pronounced by several physicians examining it) was the result. It grew to about the size of half an orange and preyed on my health and strength to a marked degree. I am very much pleased to testify that Dr. Mason's treatment was a complete success. My back is entirely healed, my strength restored, and only a scar remains.

To those unfortunate enough to suffer from cancer, I would advise consulting Dr. Mason at once.
Very truly yours,
J. L. DECAINT.

Is there any other method that shows so conclusively a perfect cure of this trouble? Such a cure as is given you herewith is the best evidence known that a cure for this disease is possible; and the testimony of many others, treated in this same manner, will be mailed free to any one, upon request.

Address all communications to Dr. C. H. MASON, Chatham, Columbia County, N. Y.

The Booklets.

Ten thousand booklets--of the Town of Hammonton, beautifully illustrated, have been issued by the Board of Trade. Every citizen is entitled to a copy, free of charge, which may be procured by calling on the Secretary, Dr. Charles Cunningham, at his residence, Second Street.

Additional copies may be obtained by paying the following prices: eight for 25 cents; three for 10 cents; or 5 cents each. These prices include envelopes for mailing, when desired. They can be purchased of the Secretary, from P. H. Jacobs, Chairman of Printing Committee, and at Henson's news room.

The cost of these booklets largely exceeds the above prices, and all money obtained from their sale will be kept separate from the general funds of the Board of Trade, and be used exclusively for advertising the Town in other ways.

Is it Right?

Is it right that a property-owner should lose \$4.20 to let a dealer make 50 cents? A dealer makes 50 cents more on fourteen gallons of ready-to-use paint, at \$1.50 per gallon, than our agent does on eight gallons of L. & M. paint and six gallons of linseed oil, which make fourteen gallons of the best paint in the world, at \$1.20 per gallon; the property owner loses just \$4.20. Is it right? It only requires 4 gallons of L. & M. and 3 gallons linseed oil to paint a moderate sized house.

A New School House.

At their meeting on Tuesday evening last, the Board of Education discussed in all its phases the subject of a new school house, and decided to ask the District to appropriate \$15,000 to provide an eight room building.

It was developed that the coming year will necessitate a division of the grades now in the assembly room—requiring one more room; two more recitation rooms are needed; enough scholars will be promoted from the suburban schools to form one more fifth grade; from the kindergarten will come about fifty little ones—making one more primary room; then the branch primary and the kindergarten, now occupying rented quarters, will have to be provided for; these four or seven new rooms absolutely needed at once, not considering the Commercial classes, which are in the annex basement, and not properly accommodated.

Perhaps the amount stated seems large. So it is; but what can be done? The children are here, and must be provided for; we haven't room enough; there is no place that can be leased; a substantial building is cheaper than a cheap one.

All things considered, we propose to vote for the appropriation, and advise our readers to do the same. Of course, bonds will be issued for the required amount. It is safe to say that no taxpayer feels burdened by what he is paying each year for the present buildings—not will the proposed additional debt deprive him of one square meal or a single night's sleep.

THE Camden Safe Deposit & Trust Co.'s advertisement, copied in full from some capacity appropriate in its nature and character, is a very interesting and valuable contribution to the knowledge of the public. It is a very interesting and valuable contribution to the knowledge of the public. It is a very interesting and valuable contribution to the knowledge of the public.

Rev. George Chalkoff, M.D., of Bulgaria, spent last Sunday in Hammonton, and gave an interesting talk in the Baptist Church. He was a friend of former Pastor L. B. Swift, while both were students in Bridgton, and made many warm friends among our people. He was very kind to America by the Bulgarian government, to solicit funds to aid the refugees from Armenia, and to arouse interest in the Turkish atrocities.

The Town Clerk has posted bills calling for Town Caucus to be held in Bellevue Hall on Tuesday evening, Feb. 14th, at eight o'clock, to nominate Town officers.

NEW HARNESSE MAKER. I have opened a shop on Cherry street, opposite Peasie's. I have made a specialty of repairing harnesses, and will give you a good job for a reasonable price.

George W. Russell has passed the resignation as gardener at the Laurel Hill Cemetery, Philadelphia, to take effect March 1st, and will accept another, probably near home.

Robert Steel, the Jeweler, has issued a series of Souvenir postal cards, containing selected views of Hammonton. Of course, Hoyt & Son printed them. They are for sale three for a nickel.

The first sale in the new auction house will take place on Saturday, Feb. 12th. A large variety of household and kitchen furniture will be offered. Any person who has goods which he wishes to sell, should bring them to Justice Horne.

"Where are you going this pretty night?" "I'm going to assess and sell," he said. "At whom will you assess, my pretty lady?" "Assess! Assess! Assess!" she said.

Virginians and others—proposed to celebrate the three hundredth anniversary of the founding of the first English settlement in America, at Jamestown, Va., in 1607. A bill to before Congress to make the affair possible.

Will G. Hood narrowly escaped being out, some days ago, at Tuckerton. In some unexplained way, fire started in the workshop of his undertaking establishment, and an accidental discovery, with hard work, were all that saved the shop, barn and house.

At a special meeting on Wednesday evening, Town Council secured and filed the collector's report of delinquent taxpayers; also completed arrangements for delivery of the water bonds, by a messenger from New York to Treasurer Davis, at the People's Bank, at no expense to us.

HOUSE FOR RENT. Inquire at 218 Washington street.

Visiting shows should first ascertain whether their boards are public property or not. Our band boys had their "Mr. B." bills up, on their great sign board, when along came the meddlesome men and covered them up. Of course, the boys promptly removed them and substituted their own.

The bill introduced by Assemblyman Elvins, enabling towns to operate their own electric light plants, was reported favorably in the House, at Trenton, on Monday. But it is feared that it will have no many amendments added, and be smothered.

Mrs. Broomall, who made such a hit in her child impersonations last year, will be the star attraction at the concert next Wednesday evening. This will be the last and best number of the lecture course. Miss Broomall will be assisted by Helen B. Reed, harpist, and Anna B. Roberts, soprano.

The State Board of Education, in announcing their appointment of the state school money, gave Atlantic County \$148,002.27.

The "New Century Trio," at Union Hall, next Wednesday evening, 10th inst. This will close the lecture course for this season.

Plenty of frozen water pipes this week; and no wonder; some of them were buried only about two feet under ground. Two of them went two feet deeper, and will not be likely to freeze again.

Mr. and Mrs. Wm. Verrier and their daughter, Miss Emma, were summoned to the city because of the serious illness of their son and brother, Harry.

We don't yet know whether we are to have an election in March. The bill to abolish it has passed the House, and will probably become a law; but when?

The Baptist young people will give another public sociable on Monday evening, St. Valentine's eve, in Fireman's Hall. They invite all their friends.

SPECIAL NOTICE: Owing to Union Hall being previously engaged, the Misses Hingworth will give their next two dances at Fireman's Hall, on Wednesday, Feb. 9th and 10th.

The fourth annual meeting of the New Jersey State Conference of Churches and Correction, will be held in the State House, Trenton, Feb. 16th to 19th.

Obituary.

Thomas J. Smith died on Saturday morning, Feb. 4th, 1905, at his residence, Bellevue Ave., and Horton St., Hammonton, N. J., aged nearly 85 years.

Mr. Smith came with his family, in 1860, and early manifested that vigorous activity which distinguished him through his long life here, and made him successful. He quickly gained the confidence of the sturdy pioneer settlers, and never betrayed their trust. A mechanic and plasterer by trade, his handiwork can yet be seen in some of the older buildings.

Mr. S. was one of the original incorporators of the Hammonton Loan and Building Association and the Peoples' Bank, and was for years a Director in both organizations.

Away back in the seventies, he started what is now the Bernhouse saw and planing mill, and was actively interested in any enterprise that seemed to him worthy of encouragement.

For several years Mr. Smith has been failing in health, though until about a year ago able to walk about and attend to business. Since then he could be seen frequently in his wheel chair, as active in mind as ever, apparently, though age and infirmities had bent his tall form.

Five children survive him—Augustus J., of Ocean City; Mrs. Henry D. Moore, Haddonfield; Mrs. Nettie Tomlin; Mrs. Curtis S. Newcomb; and Mr. J. M. (of the firm of G. F. Osgood & Co.). There are also numerous grand children among the mourning ones, and several great grandchildren.

Funeral services were held at his home on Tuesday afternoon, and very largely attended, conducted by his former Pastor, Rev. H. R. Randall, and Pastor Rev. H. M. Thurlow.

Announcement is made of a Hammonton wedding, on Washington's birthday. The interested parties are Miss Alice Velina Huntzinger, daughter of Dr. Edward Huntzinger, of Hammonton, and Mr. Thomas Earl Wilson, of Philadelphia. Rev. Paul F. Hoffman will perform the ceremony.

RASPBERRY PLANTS for Sale. Miller's varieties, good ones. Call on or address: ANTONIO CAGLIANO, (more) 1000 N. 3rd St., New Jersey.

Hon. Don. P. Halsey gave his opinion and select audience a good lecture, last Saturday night. It was a model of excellent English, the speaker's oration was of the best, the lecture full of thoughts worth remembering. But a cold room, with shivering people, do not inspire a highly speaker to fiery oratory.

The Ladies' Aid Society of the Baptist church, propose to give a March Washington Supper on the 22nd, with a sociable following, in Fireman's Hall. Admission will be free to all. Supper tickets, 15 and 25 cents, will be sold by the children, and taken up at the tables. There will be some other features; perhaps, which will call for an extra dime or two if you wish. Proceeds will go toward new seats and carpet.

WHAT YOU CANNOT AFFORD. You can afford to be in the house if any of your family have a consumptive tendency, or if frequent colds or bronchial affections are visited and relieved. German Syrup is a rare and reliable remedy for consumption and all lung troubles. It is a sure cure for the most stubborn cases of cough, colds and all lung troubles. We have heard no complaints
about electric lights this week. To be
sure, they are unsteady, and grow dim
at intervals, thus irritating those who
are depending upon them; but, on the
whole, they are vastly improved. The
wooden "muffler box" has been replaced
by a brick one, thus reducing danger of
another fire.

Mr. and Mrs. D. H. McAnney
were present, Wednesday, at the mar-
riage of their granddaughter, Miss
Lula Carson, of Atlantic City, and
Victor S. Fisher, of Philadelphia. Mr.
and Mrs. Wm. French were also among
the many guests. There were many
fine wedding gifts, in cut glass, silver,
china and linen, besides a generous
sum of money from the parents of bride
and groom. The young couple took an
afternoon train for a trip to Washington
and the South.

SOME of the Fresh Candies made this week
at the Candy Kitchen: Cream chocolates
Cream Mint, Vanilla, Nut, and Chocolate
Caramels, Walnut Bar, Chocolate Chips,
Chocolate Peanuts, and Taffies. We expect a
very pretty Candy Box. Filled with our best
candy, it would make a nice Valentine. 25
and 30 cents a pound.

Master's Sale
OF
Valuable Real Estate.

By virtue of an order or decree of sale
to me directed, issued out of the Court
of Chancery of New Jersey, in a cause
wherein Ernest Stuebing is complainant
and Catharine Stuebing and others are
defendants, I will expose to sale at pub-
lic vendue, on
Saturday, March 11, 1905
at the hour of two o'clock in the after-
noon of said day, at the hotel of Louis
Kuehne, in the City of Atlantic City, in
the County of Atlantic,
All that certain farm or tract of land
situate in the Town of Hammoncton, in
the County of Atlantic and State of New
Jersey, bounded and described as fol-
lows:

Beginning at a point in the centre of
Fourteenth Street, at the distance of
forty chains southwest of Second Road,
thence (1) south forty-four degrees east
twenty (20) chains to a corner; thence
(2) south forty-six degrees west to the
line of the Cedar Swamp survey, late the
property of Andrew K. Hay; thence (3)
along said swamp in a northwesterly
course to the centre line of said Four-
teenth Street; thence (4) along the line
of said Fourteenth Street, north fifty-six
degrees east to the place of beginning;
containing eight and one-half acres of land
more or less.
