Vol. 59

HAMMONTON, N. J., SATURDAY, FEBRUARY 19, 1921

No. 8

Miss Bertha Miller was here over the week-end.

The Churches and Sunday Schools are getting ready for Easter.

Hammonton Grange meets on Monday, February 22nd, at 8 p.m.

Town Council holds its regular semi-monthly meeting on Wednesday evening.

Mrs. Charlotte Berry is reported in a serious condition, in Hahnemann Hospital, Philadelphia.

A record smashing crowd attended the Legion benefit, Wednesday night, and many words of praise were heard on every side.

Mr. and Mrs. W. E. Perry, of Bridgeton, were recent welcome visitors in Hammonton. Mr. Perry is agent for the Prudential.

The euchre and dance given in Victor Hall for the benefit of the Base Ball Club was a success, and \$21.50 was realized by the Club.

All Republican Women Voters should join the Hammonton Women's Republican Club. Send your application to

Mrs. W. W. Mayberry, Secy.

Several firemen, with one apparatus, were called to Ellwood yesterday noon, on account of a fire on the old Irving estate. The barn was burned, but they succeeded in saving the club house.

Joe Silipens has received the official paper asked for, and signed by the Mayor, acknowledging him to be the authorized collector for money due him for dredging and laying sand beach at the Park.

Will all those who have M. E. Woman's Home Missionary mite boxes kindly have them ready for the collectors when they call for them. Where collectors have already called and boxes were not ready, they hope to find them ready at their next call.

Mrs. Lehman, Sr., mother of our townsman, F. A. Lehman, died on Sunday, at her home in Waterford. She was known to many here especially the older folks, being, with her late husband, among the pioneers in this section. Rev. E. A. Rook conducted the services last Thursday.

#### Legion Benefit a Success.

Did you see the Vaudeville show, Wednesday night, at the Eagle Theatre? If not, you missed a good one.

The Funston Post of the American Legion has started a drive to raise funds for a Legion Home in Hammonton.

The Vaudeville show was the first shot fired and went over the top, big. The show started off with a corking good overture, and was followed by a Fox Weekly, donated by the Fox Film Corporation, Vine St., Phila. Marie Chapron was a pleasing little entertainer, who worked under difficulties,—she suffered from a severe cold. Fred O'Beck kept them roaring with his monologue in Hebrew dialect. Irene I. Law, in her odd but stunning costume, was a delight to all, and landed a solid hit. De John set the pace with his piano accordion, and was recalled several times to satisfy the demand of a pleased audience.

"Here comes the bride." Who could resist funny May Dale? surely not even a dyspeptic. The audience laughed at her and with her. As a mimic, Gilbert Girard stands alone; his ability to imitate has carried him all over the world. He has played in every country where they have theatres, and in his travels has mastered seven languages, so that he can make himself understood in any man's country. His imitation of the violin harp is a masterpiece.

It is to be regretted that many of the audience saw fit to leave their seats before the Adelpia Quartet finished their performance. They not only missed several good numbers, but disturbed those in the audience who cared enough for good singing to sit tight and wait until the show was over. Better luck next time.

The Funston Post thanks one and all for their help and encouragement. Watch us grow.

A Witness.

#### Baptist Ladies' Supper

The Baptist Ladies' Aid Society, known for their good eats, will give a supper next Friday evening, in their social room. The following will be found on the menu:

Baked Ham Baked Beans  
Pickles Potato Salad  
Coffee Tea  
Peaches Cake

Supper tickets 35 cents. An entertainment will take place in the chapel.

Volunteer Fire Company meet on Monday evening next.

Two auctions are announced by auctioneer Rehman. This afternoon at one o'clock, he will sell the goods of the late F. N. Thomas, on North Third Street. Next Saturday he will offer the household goods of the late D. W. C. Russell, on Valley Avenue.

Mrs. B. C. Vanuaman died in the Odd Fellows Home, Trenton, as a result of a fall down stairs. With her late husband she lived at Winslow, and were well known here many years ago. He was one of the charter members of Winslow Lodge of Odd Fellows. Her remains were buried at Winslow on Tuesday.

The Men's Club, of the Presbyterian Church, will give a baked bean supper in the Civic Club Hall, Thursday, February 24th, from six to eight o'clock. The tickets are forty cents each. The menu is as follows: Baked beans, catsup, vinegar, potato salad, rolls and butter, coffee, sugar and cream; ice cream and wafers.

The First Presbyterian Church is arranging for a series of evangelistic services from March 1st, to 12th, under the leadership of a pastor-evangelist, Rev. W. S. Bartlett, D. D. of Chattanooga, Tenn. This plan of a pastor-evangelist is to avoid the extremes and unpleasantness often found with the professional evangelist. Dr. Bartlett is now conducting services at Marysville College, Tenn.

Teke C. Ballard died on Wednesday, Feb. 16th, in the Atlantic City Hospital, after a long illness. He was well known here for forty years or more, and was one of the best plasterers and bricklayers to be found. He had suffered severely with rheumatism, at times being rendered helpless. Services will be held in Jones' parlors on Sunday afternoon, at two o'clock; interment at Greenwood Cemetery. He was a former member of the fire department.

D. W. C. Russell died on Saturday, Feb. 12th, at his home on Valley Avenue, Hammonton, after long illness. He lived but a few weeks after his wife passed away. Mr. Russell was known to nearly everybody, having resided here about twenty years, and was a member of the Baptist Church. Funeral service was held at the house on Tuesday evening, and interment made at Mt. Peace Cemetery, Philadelphia.

#### Items From Folsom.

Miss Bertha Eckhardt has accepted a position as Director of Music in the High School at Hackensack, N. J. Miss Eckhardt has been Supervisor of Music at Forest Hills, N. Y.

Miss Jane Mick, from Atlantic City, will show a series of lantern slides at Folsom school on Saturday evening. Refreshments on sale.

Mr. Schad has been appointed Post Master to succeed Mr. Thos. Chalmers, who resigned after 21 years of service.

Miss Frances Coniglia, of Trenton Normal School, is doing her practice teaching with Miss Kathryn Chalmers at Folsom school.

The boys and girls, together with the members of the Parent-Teacher Association, are to enjoy slides on industrial subjects on Washington's Birthday. The views are sent from the museum at Trenton.

#### IN MEMORIAM.

Myra In fond and loving memory of John W. Myra, who departed this life Feb. 17, 1920. Sadly missed by wife and children.

Business is Booming—if you don't believe it, visit us—join our host of pleased customers!

## NEWS

FROM

# BANK BROS.

Whether or not George chopped down the cherry tree, you will find we have chopped prices to a minimum.

## Start of the Season Sale of Ultra Smart Dresses

New Spring Models just received from the factory. These are frocks that were closed out to us at a decided concession for spot cash. We pass this concession on to our customers.

# NEW Spring Dresses \$9.95

Were to be sold for \$18.00 and \$20.00.

They are tailored of serge and tricotine, some are lavishly embroidered. All sizes, some to fit women of large build.

#### Dry Goods at Special Low Prices.

New Dress Ginghams at	- - -	23c per yd.
Dress Ginghams, special at	- - -	16c per yd.
Percales, 36 inches wide, at	- - -	25c per yd.
Long Cloth special at	- - -	19c per yd.

or \$1.75 for 10 yard piece.

Were \$4.00 and \$4.50.

#### New Spring Oxfords for Women.

Made especially to our order, priced at

## \$6.50

You will quickly recognize, that you paid ten dollars for the same footwear not so very long ago. Come and buy yours while they last.

## BANK BROS., HAMMONTON, N. J.

#### TO OUR DEPOSITORS:

For your convenience we have arranged to secure the services of an Income Tax Deputy on February 18th and 19th who will be glad to assist you with the preparation of your Income Tax Return, or answer any question you may desire to ask him concerning the income tax law and regulations. A few minutes conversation with the Income Tax Officer at this institution may save you hours of time in the future, or penalties through misunderstanding of the law's requirements.

Respectfully,

Hammonton Trust Co.,

Robert Picken, Treasurer.

#### Attention!

Come in and hear the new February Records, played on the Victrola.

You are always welcome at the

#### Victrola Shop

We carry a complete stock of Victrolas and Victor Records.

#### WARE CAMPBELL CO.

News and Views About the Farm

### FARMERS ORGANIZATIONS TO BE TAKEN UP AT STATE FARM SHOW

Most interest is being shown by farmers' business organizations throughout the State in the meeting that will be held in connection with the Farm Products Show which will be held in Harrisburg, January 24-25. This meeting has been arranged for discussion of the most important problems that are before such organizations at this time. While the meeting is being called for the primary benefit of managers and officers of such associations other interested persons are invited.

Mr. F. S. Ruggles, who is in charge of the organization work of the United States Bureau of Markets, will discuss ways of securing better organizations. Mr. W. B. Connel, of State College, will explain the work which has been done in the selling of wool in Pennsylvania, and Mr. B. E. Mason, of State College, will report on the accounting systems which are in use by farmers' organizations.

There will also be an explanation of the future work of the Bureau of Agriculture with such organizations. The balance of the program will be devoted to a general discussion of the problems which individual associations have at the present time. This portion of the program will be of particular value to everyone attending the meeting.

### CONDITION OF WHEAT AND RYE

The Pennsylvania Department of Agriculture reports the condition of fall sown wheat, for 1921 harvest, at 100 per cent covered with normal tillage, and the condition of rye at 99 per cent. The germination and growth of grain was handicapped by drought during the month of October but copious rains and favorable weather during November have had their beneficial effect, and advanced the condition to approximately normal.

The condition of wheat on December 1 last year was 103 per cent and rye 102 per cent.

### DEPARTMENT WILL AID IN SECURING CURE FOR POULTRYMEN

Poultry breeders in Pennsylvania are faced with a difficult situation as a result of the shortage of anthracite coal in many sections of the State. Breeders everywhere complain that they are unable to purchase anthracite coal in quantity at a price which would enable them to produce their poultry.

Under the regulations governing the anthracite trade in Pennsylvania, it is impossible for the poultryman to buy their coal direct from the mine. In every case it must go through the hands of a local dealer, who in turn must sell it to the poultryman at a profit. While it is impossible for the Pennsylvania Department of Agriculture to enforce the stated order of things in the anthracite trade, the department will use its influence to assist the poultryman who are unable to secure sufficient coal to carry on their business.

### REED SAMPLING BEING TAKEN THROUGHOUT PENNSYLVANIA

Stamps of media are now being taken throughout Pennsylvania, in order to determine the distribution of the red mite, which is a pest of poultry. A complete laboratory for the testing of media, both for poultry and for the red mite, has been fitted up in the State College and the red mite laboratory will be thoroughly analyzed.

### PENNSYLVANIA STANDS HIGH IN TUDERCULAR TESTED CATTLE

Pennsylvania is rightly proud to be first in the number of herds of cattle which are officially accredited as being free from tuberculosis. Reports of Dr. T. B. Munoz head of the Bureau of Animal Industry, Pennsylvania Department of Agriculture, show that there are 402 fully accredited herds in Pennsylvania, which rank fourth in the United States in point of numbers.

### NEW RECORD IS SET IN 1921 LAW ENFORCEMENT

The year 1921 was an important one for law enforcement in this State. The total number of arrests made by the State Police during the year was 1,000, a record for the State. This was due to the fact that the State Police were reorganized and their jurisdiction was extended to include the entire State.

# Business Revival Expected in 1921

The Review of Reviews asked various men, among them bankers, attorneys and captains of industry, the following question:

First, to 1921 to be a year of acute industrial depression and great suffering, or will current adjustments merge into normal times?

Second, are prices on their way to near normal levels, or will they be considerably above such levels?

Third, will reductions of wages and other adjustments in cost of living at some reasonable intervals?

To these interrogatories rather extended answers were made in some instances. For briefly only the most important point in each reply is given here, as follows:

Prof. Irving Fisher, Yale—We may expect hard times and business depression only through the winter and in less degree, in the spring. In the latter half, at least, 1921 should be a year of prosperity.

Mr. J. William Linn, Harvard—An industrial crisis (or downward turn in business activity and wholesale commodity prices) occurred last year. The subsequent boom was an- ticipatory and recession in commodities prices have now continued for nine months. In pre-war times the corresponding phase of the business cycle was a recession of six to eight months, which was replaced by business revival. Judging by pre-war experience it is probable that business revival will begin in the latter part of 1921, or to the last single month, in April, 1921.

### Big Power Scheme on the Colorado

Washington—An outline of a 3,000,000 horsepower hydro-electric power development project, now under consideration for the Colorado river, in Utah and Arizona, is contained in a memorandum issued recently by the Federal Power Commission, composed of the secretaries of war, interior and agriculture, announcing a policy of additional power-development applications up to December 16.

Six of the eight new applications were on California projects, the others coming from Idaho and Alaska. The memorandum adds, however, that in the 129 proposals submitted, 100 are for power development in Utah and Arizona. The projects range from temporary plants for summer cottages in Colorado to the tremendous Utah-Arizona 3,000-horsepower project.

### ARE DANGEROUS

Now that the fall is practically completed and the season for rush work over, farmers will find more time to devote to the things usually neglected in the busy spring, summer and fall months.

One of the things most frequently neglected or overlooked in farm building operations and nothing is more important, says E. E. Hulse, head of the Bureau of Animal Industry, Pennsylvania Department of Agriculture. Too frequently happens that much time and hard earned money are spent in buying good stock with the view of building up a good herd, only to place the newly acquired animals in a dark, badly ventilated and frequently damp stable, to become acclimated to the darkness that usually lurks in such places.

### DARK BUILDINGS

As a result of the question of health, it is a long time since the farmer has been advised to provide milk and beef. Here owners have not yet come to realize that it does not pay to raise and feed diseased stock. Certainly, the health of the stock is a matter of great importance, and it is a matter of great importance to the farmer to provide milk and beef. Here owners have not yet come to realize that it does not pay to raise and feed diseased stock.

### REED SAMPLING BEING TAKEN THROUGHOUT PENNSYLVANIA

Stamps of media are now being taken throughout Pennsylvania, in order to determine the distribution of the red mite, which is a pest of poultry. A complete laboratory for the testing of media, both for poultry and for the red mite, has been fitted up in the State College and the red mite laboratory will be thoroughly analyzed.

This was due to the fact that the State Police were reorganized and their jurisdiction was extended to include the entire State.

# See Him Box; He's a Bear!

How would you like to have a five-pound black alky bundle of salivation handed you in a suit case as a souvenir, only to see it grow by leaps and bounds, indeed, that dogs occasionally starve to death rather than eat what is being proffered against?

An interesting contribution to this subject is made by Vilhelm Steffensen, the Arctic explorer, in an article in the Scientific Monthly. In the Arctic regions dogs are valuable as motor power and are carefully watched and guarded with special attention to their health and all that affects it.

Mr. Steffensen intimates that dogs which have been regularly fed on potatoes, sometimes refuse to eat anything else.

### Yield of Straw Per Acre

It is estimated that 40 per cent of the total crop has been or will be shipped out of the counties where grown this season as compared with 43 per cent last year, and 46 per cent in 1920.

Yield of Straw Per Acre  
It is estimated that the average yield of straw per acre this season is 4,000 bushels, as compared with 3,800 bushels last year and 3,600 bushels in 1920.

### Fail Plowing

It is estimated that 25 per cent of farm land has been plowed this fall for next year's crops as compared with 18 per cent in 1920.

Fail Plowing

This was due to the fact that the State Police were reorganized and their jurisdiction was extended to include the entire State.

# Dog's Appetite Fastidious

Refusal of dogs to eat when offered food which they dislike has long been recognized as a feature of canine temperament. Some observers, it is clear, indeed, that dogs occasionally starve to death rather than eat what is being proffered against.

An interesting contribution to this subject is made by Vilhelm Steffensen, the Arctic explorer, in an article in the Scientific Monthly. In the Arctic regions dogs are valuable as motor power and are carefully watched and guarded with special attention to their health and all that affects it.

# Five-Cent Investment Gave Him a Good Idea

Fourteen years ago a tall Illinois man, who was quite different from the men of the Baltimore and Ohio station at Twenty-second and Chestnut streets Philadelphia, was utterly discouraged. For fourteen years he had been studying liquid fuel and working to perfect an oil burner which would make oil superior to coal as a heating fuel. His dream was that oil would be the fuel of the twentieth century. Now, after fourteen years of endless experiments, of labor by day and night, he had failed.

### Humor and Wit

The daughter of a country rector in England taught the choir boys a new piece to sing on the following Sunday. Sunday morning came. The rector, who was in the pulpit, looked at the choir boys and saw that they were all singing the new piece. He looked at the choir boys and saw that they were all singing the new piece.

# Some Samples of Foolish Questions

Here are ten words. Can you spell them? They were taken from the seventh grade of a public school.

1. Abandon. 2. Bargain. 3. Debut. 4. Deteriorate. 5. Paradigm. 6. Reconnaissance. 7. Erythraea. 8. Mnemonic. 9. Trichina. 10. Wolf.

One of eleven able men succeeded in spelling six words correctly. Three were able to spell four words, two got three right, one got two, three spelled only one correctly, and one failed on every word. As Leonard P. Ayres of the Russell Sage Foundation says:

### A Few Notes on American Women

Here are a few notes on American women made by Senator V. Blazo Blazo:

"The American business man pays for his conquest of wealth by never knowing what true love is."

"The American business man chases dollars all day away from home; and at night, when he comes to look for his wife, he finds her in the arms of a man who is not a dollar."

South Jersey Republican

Entered in Second-Class Matter... WILLIAM G. HOYT, PUBLISHER

SATURDAY, FEBRUARY 19, 1921

We have received our annual installment of government seeds...

It is a wise move, the straightening of the county road at Thirteenth Street and Egg Harbor Road.

People are altogether too careless in the way they set off bonfires and leave them to burn out.

Poor little chap: We were sorry for him, the other day, when he fell onto a bag of eggs.

As we told our readers, many months ago, the said pile at the dam will rapidly wash to Nesco.

Read Mr. Braun's article on the new hall project. It is so practical. What say you reader?

The weather, the past week, has gone from one extreme to the other. Many fires were let out early in the week.

SPECIAL NOTICE!

To ride upon the fire apparatus unless a duly accredited member of either of the fire companies is against the rules of the Fire Department. Persons guilty of this offense will be prosecuted for trespass, and if offering any opposition when detected will have a second charge, disorderly conduct, made against them.

HARRY P. MOTTOLA, Chairman Law and Order Committee.

WARNING!

Notice is hereby given that the Town authorities purpose bringing to a close the reckless methods frequently employed by persons when the fire apparatus is responding to an alarm.

The fire apparatus has THE Right of Way. All Court decisions are unanimous upon that point, and if in the future drivers of vehicles of any kind persist in running in front of, or alongside the fire apparatus, or immediately in its rear, they will be prosecuted to the full extent of the law.

Persons will be specially designated to identify offenders in the future, and they will be arrested and prosecuted after the return of the firemen from their duties.

HARRY P. MOTTOLA, Chairman of Law and Order Committee.

IMPORTANT NOTICE!

NOTICE is hereby given that every measure permitted by the laws will be called into requisition to punish persons who are guilty of circulating false reports of crimes alleged to have been committed in this community.

HARRY P. MOTTOLA, Chairman of Law and Order Committee.

Big Dramatic Event Coming to Philadelphia's New Walnut Theatre. Starting Monday, February 21.

Gay Bates Poe and his excellent company are this season appearing in 'The Masquerade'—one of the few really worth while plays of the decade.

This well known representative actor has never had a better success than this. His manager, Mr. Richard Walton, has gone to absolute excess in providing a production both gorgeous and unique.

Mr. Post has played 'The Masquerade' in Australia and Europe, where he scored one of the greatest hits ever made by an American actor.

The story is of two men, John Chitico and John Loder. The first is a man born in English society and political leadership. Unfortunately drugs have secured a hold on him, and he has become a creature of the underworld.

Many thousands of gardeners, both amateur and professional, have had to resort to the special knowledge contained in DREER'S GARDEN BOOK.

Walter Chitico is in one of three successful modes he encounters John Loder. Loder is in every respect his double, except that he is a malicious man on the outside.

HEMAY A. DREER, Philadelphia, Pa. 716-7 Chestnut St.

# Save a Life! RELIEF CERTIFICATES SOLD BY H. C. Driscoll

**American Committee for  
CHINA FAMINE FUND  
FROM PRESIDENT WILSON'S PROCLAMATION:**

A famine, alarming in its proportions, today holds in its grip several important provinces in China. The crop failure is complete, and the present distress, which is great, is likely, before winter has run its course, to become appalling. In fact our diplomatic and consular agencies in China inform me that the loss resulting from death in distressing form may run into millions of souls. It is certain that the local government and established agencies of relief are unable to cope with the magnitude of the disaster which faces them. Therefore not only in the name of humanity but in that of the friendliness which we feel for a great people in distress, I venture to ask that our citizens shall, even though the task of giving is not today a light one, respond as they can to this distant but appealing cry for help.

**HEADQUARTERS:  
BIBLE HOUSE, NEW YORK CITY  
THE FAMINE IN CHINA**

**AREA**—The five northern provinces, Chili, Shensi, Shanai, Honan and Siantung, are all affected. The actual famine zone covers 100,000 square miles with a population of 45,000,000 Chinese, whose nearly one and one-half years of continuous drought, during which the normal rainfall has decreased from 25 inches a year to less than 5 inches.

**NUMBERS**—45,000,000 Chinese are directly affected. 1,000,000 are facing immediate starvation and 10,000 are already dying.

**WHAT IT MEANS TO CHINA**—The famine, now less halcyon by American relief, means the break-up of civilization in North China; in fact the complete collapse of a vast region commercially, economically and morally, which is certain to persist for a generation to come.

**WHAT IT MEANS TO AMERICA**—An opportunity to help a friendly nation in distress, to strengthen existing ties, to expand our trade and to have the consciousness that we have saved the lives of 15,000,000 human beings who would have died without our help.

**THE NEED**—To feed and save lives: \$1 will save one life one day \$1 will save one family one month \$1 will save one family one year.

**HOW TO GIVE**—If the American Committee for China Famine Fund has no representative in your community, give your contribution to your bank, your church or send it to Vernon Munroe, Treasurer China Famine Fund, Bible House, New York City.

**HOW FUNDS ARE DISTRIBUTED**—All funds collected by the American Committee are transmitted to the International Famine Relief Committee at Peking. This committee acts as a clearing house for the five regional committees in the famine area; the Peking Committee (including the Red Cross), the Hankow, Tientsin, Honan, and Siantung Committees, all of which are represented on the International Famine Relief Committee, and whose members are working among the famine victims.

**WHY GIVE?**—China is in the grip of the worst calamity in history. She turns to us as her oldest and richest friend, whom she has learned to trust. We cannot ignore her call and let these helpless people die without an effort to save them.

**SAVE A LIFE IN CHINA!**

## Needs for Europe's Helpless Children

"They are no more my children than yours," Mr. Herbert Hoover's kindly yet stern plea for 2,000,000 European children who face incredible tragedy this winter pains American hearts to their depths. The funds by which American aid has been feeding millions have run out, and that the work may not stop and that the principles of the innocent even other great American relief organizations have allied with Mr. Hoover's organization under the name of the European Relief Council in a joint appeal for funds.

The collaborating agencies are the American Red Cross, the American Friends Service Committee (A.F.S.C.), the United States Committee for the Children, the Federal Churches of Christ in America, the Knights of Columbus, the Y. M. C. A. and the Y. W. C. A.

## LAUNCH VAST EFFORT FOR EUROPE'S YOUNG

**Eight American Relief Agencies  
Combine to Save 3,500,000  
Children Death Menace.**

Eight great relief organizations, working among and for every race and creed, have united under the name of the European Relief Council to coordinate child relief in Europe this winter. The Council will seek to provide funds for 2,000,000 starving and diseased children in Russia and Central Europe and to administer this relief economically.

It consists of Herbert Hoover, chairman, and Franklin K. Lane, treasurer; Edgar Rickard, representing the American Relief Administration; Dr. Livingston Farrand, representing the American Red Cross; Felix Warburg, representing the Jewish Joint Distribution Committee; Wilbur K. Thomas, representing the American Friends Service Committee (A.F.S.C.); James A. Fishery, representing the Knights of Columbus; Dr. C. V. Hubbard, representing the Young Men's Christian Association; Miss Sarah E. Lyon, representing the Young Women's Christian Association; Dr. Arthur Brown, representing the Federal Council of Churches of Christ in America.

It is the purpose of the Council to raise \$25,000,000, to an appeal centering at the Christmas holidays, to the end that the desperate situation regarding child life may be met. In every town and community of the nation, it is planned, local committees, representing all the co-operating agencies will be formed to secure the vitally necessary funds. Of the amount sought, \$25,000,000 will be used for basic food and \$10,000,000 for medical service.

For every one of these American dollars the local governments and communities aided will furnish five dollars, in the form of transportation, labor, fuel, medical help, cash contributions and such food supplies as are locally obtainable. No children receive the free food except after medical tests showing them to be seriously undernourished. The remaining \$10,000,000 of the fund is just as urgently needed for medical service to the children.

The European Relief Council will do much more than effect economies in the raising of the child saving fund. It will, with the inspecting forces of eight great agencies, keep a constant eye on the administration of America's charitable gift, in order that there shall be no waste and no tendency toward pauperization.

"This is the largest co-operative benevolent organization ever attempted in the United States," Mr. Hoover says. "The organizations represented have come to the unanimous, though independently formed, conclusion that nothing but prompt and united action by the whole American people can avert this terrible tragedy for the helpless children involved. The organizations forming the Council will organize their representatives in every town and community of the nation for the raising of the necessary funds."

#### We Want a Town Hall!

Hammonton needs a Town Hall. Why not have it now without much more waiting or talk, without punch behind it? All the idea needs is push, to have a new hall erected within a year, in Hammonton. A hall which will have a room large enough for High School, or Town, or American Legion, or lodge teams, for basketball, suitable for a theatre or a convention hall, to seat at least six or eight hundred people. Why not get together, bury any differences, and as individuals form a stock company with shares selling at \$50 a share, with an aim in view to raise \$15,000 by subscription for shares at this figure? Every shareholder to give, as a patriotic movement for the town, the use of the money free for one year; after which he or she is to receive a dividend of 6 per cent. on the money, with the privilege of selling shares if they find a buyer for same.

An available location can no doubt be found at a reasonable figure, and after a good share of subscription are in, break ground at once on a contract to be pushed without any delay. The Boy Scouts will enter in here, in soliciting the money, while in the enterprise. If many men in circumstances no better than mine, or equal with it, will do likewise the hall is a surety as there are many men in Hammonton who will probably do better than this. Three hundred shares will raise the money for a two story hall. Come, Citizens let us build a hall. A few good, sound, business men to form the legal corporation nucleus, the Boy Scouts to raise the money, a few hundred of the citizens as shareholders, the location purchased, and the contract given, and we can see it going up brick on brick, and by next winter, have a hall for any purpose, and able to pay the dividends on the subscribed stock the second year. Rentals for the hall as a theater, or for basketball ball, conventions, dances, offices in the building, etc. would furnish the interest on the money subscribed.

WM J. BRAMAN,  
Scoutmaster.

Boy Scout Activities.

The month of February is the anniversary month of the Boy Scout movement, and in celebration of this event, Boy Scout Troup No. 1, of Hammonton will have a dinner on Tuesday eve., Feb. 22, and celebrate Washington's birthday at the same time.

Boy Scout Troop No. 1 is now in a flourishing condition, having newly organized last October, with a troop membership of 32, which has now increased to about 40. Some old scouts of the former troop returned, but many are new members. Just before Christmas, 13 new scouts, having passed the tenderfoot stage, were initiated. In this initiation the new imposing and interesting investiture ceremony of the Boy Scout organization was used.

The Boy Scout movement is one of the best live, moral, movements for boys with which they can be connected. It is active, it is clean, it has good fellowship, with competition, it is practical and instructive, it teaches honorable practices, it deals with history, nature, scouting, astronomy, mechanics, athletics, first aid, attention to discipline, and some military practice and movements, such as signalling, drilling, etc.

If more parents with sons over twelve years of age, would induce their sons to join our troop of Scouts, we would form another troop when this one grows too excessive in numbers for one Scoutmaster, as a troop ordinarily comprises only 32 members.

Our boys are ready to handle any patriotic movement in the town. They cannot be used for a purely commercial purpose by individuals as that is not what Scouts are for, but in a public or patriotic way for the country, or the town, in any constructive way of merit we are at your service. Scoutmaster.

Beat Lumber Yard Prices TO A FRAZZEL!

By Going to OTTO C. WEBER, Mfr.

Annual Spelling Contest.

At a meeting of the Atlantic County Supervising Principals and Principals Association held at Pleasantville on last Friday afternoon, it was decided to hold the Annual Spelling and Rapid Calculation Contests as heretofore at the Court House at Mays Landing on Saturday, April 9th. The following Committee was appointed to make rules and regulations governing the Contests and to make such arrangements as are necessary: Mr. Simon G. Huber, Chairman, Miss Cora Schaible, Mr. Halliday R. Jackson, Miss Nettie L. Alexander, Mr. Hower T. Marsteller, Mr. D. R. Rohrbach, Mr. Townsend Showell, Miss Grace S. Oakes and Mr. William C. Sullivan.

The Chamber of Commerce and the town of Hammonton extended an invitation to hold the Annual County Field Day for the Public Schools at Hammonton. No date has been fixed for this but the following Committee has been given full power to act: Mr. D. R. Rohrbach, Chairman, Mr. William C. Sullivan, Mr. Halliday R. Jackson, Mr. Irving F. Stejler, Mr. Henry M. Cressman, Mr. J. E. Phipps, Simon G. Huber, Mr. Townsend Showell, Miss Estella J. Pyle and Miss Cora Schaible. This Committee has within its scope the determination of the various forms of activities that shall constitute the program and the making of rules and regulations governing the annual Singing Contest which is usually held at this time.

In Chancery of New Jersey.

To Anna Williams, Harry M. Williams, Francis DeAndrade, Francis V. DeAndrade, John DeAndrade and Mary A. DeAndrade. By virtue of an order of the Court of Chancery of the State of New Jersey made on the day of the date hereof in a cause wherein William L. Black is complainant and you are defendants, you are required to appear, answer or object to the bill of said complainant on or before the 18th day of April, 1921, or the said bill will be taken as confessed against you. The said bill is filed against you to foreclose an agreement made by William L. Black and Carrie A. his wife, and Joseph DeAndrade and John DeAndrade, dated October 28th, 1914, covering lands in the Township of Atlantic County, New Jersey, which agreement was afterwards assigned by John DeAndrade to Joseph DeAndrade, on September 18th, 1916, and you, Francis DeAndrade and John DeAndrade are made parties to the said bill, because you are the heirs at law of Joseph DeAndrade, deceased, and, by reason thereof, claim some interest in the land described in said agreement, and you, Francis V. DeAndrade and Mary A. DeAndrade are made defendants because you are the wives of the said Francis DeAndrade and John DeAndrade, and by reason thereof, claim an inchoate right of dower therein, and you, the said Anna Williams are made a defendant, because you were the wife of Joseph DeAndrade, deceased, and claim a right of dower therein, and you, the said Harry M. Williams are made a defendant because you are the husband of the said Anna Williams, and claim some interest therein.

Could You Replace Your Home?

The house that cost \$5,000 in 1913 would cost nearly \$10,000 to replace today. If you have not doubled your fire insurance over what it was in 1913 your protection has been practically cut in half. If you should have a fire, your insurance would go but a short way toward meeting the cost of replacement. Don't take such a chance.

ETNA-IZE

We will be glad to appraise your home and issue a policy in the Automobile Insurance Company that will cover the difference between its original cost and its present value.
