TUTT'S EXPECTORANT

Is composed of Herbal and Muscigenous products, which permeate the substance of the Lungs, expectorate the acrid matter that collects in the Bronchial Tubes, and forms a soothing coating, which relieves the irritation that causes the cough. It cleanses the lungs of all impurities, strengthens them when enfeebled by disease, invigorates the circulation of the blood, and braces the nervous system. Slight colds often end in consumption. It is dangerous to neglect them. Apply the remedy promptly. A rest of twenty years waiting for the American that no remedy has ever been found that is as prompt in its effects as TUTT'S EXPECTORANT. A single dose raises the phlegm, subdues inflammation, and its use speedily cures the most obstinate cough. A pleasant cordial, children take it readily. For Croup it is invaluable and should be in every family. In 25c. and \$1 Bottles.

TUTT'S PILLS

ACT DIRECTLY ON THE LIVER. Cures Chills and Fever, Dyspepsia, Sick Headache, Bilious Colic, Constipation, Rheumatism, Piles, Palpitation of the Heart, Dizziness, Torpid Liver, and Female Irregularities. If you do not "feel very well," a single pill stimulates the stomach, restores the appetite, imparts vigor to the system.

A NOTED DIVINE SAYS: Dr. Turt:—Dear Sir: For ten years I have been a martyr to Dyspepsia, Constipation and Piles. Last spring your pills were recommended to me; I used them (but with little faith). I am now a well man, have good appetite, digestion perfect, regular stool, piles gone, and I have gained forty pounds solid flesh. They are worth their weight in gold. REV. B. L. STIMPSON, Louisville, Ky. Office, 25 Murray St., New York. (DR. TUTT'S MANUAL, of Useful Receipts FREE on application.)

Adjusted.

About two years ago, Mary Ann Edwards, wife of Peter Edwards, who then lived near Indian Mills, left her home and husband, taking with her their four-year-old daughter, leaving their boy, two years older, at home. Recently, Mr. Edwards engaged lawyer Walsh to trace the truant wife, and, if possible, recover the child. Following several clues, Mr. Walsh located mother and child in Vineland. He also discovered that she was married, a few weeks ago, at Clayton, to a young man named Jacob Jones, of Williamstown. She was arrested on a charge of bigamy, and held by Justice Wolf, of Glassboro, for trial. The little girl, now a bright miss of six years, was turned over to Mr. Edwards.

On Thursday morning last as the 8:10 express train, from Atlantic City, on the Philadelphia & Reading Road, was crossing the meadows, one mile from Atlantic City, a man named Smallwood was walking by the side of the track; and his attention being attracted by a train on the West Jersey Road, failed to notice the train on P. & R., and when the train was within fifty feet of him he stepped on the track, and was run over and instantly killed. Conductor Lee left a man in charge of the body, and proceeded to Pleasantville, where he telegraphed to Superintendent Garwood to have the proper authorities take charge of the body.

The Reading-Room and Library Association held their annual meeting on Tuesday evening last, and elected the following officers for one year:

President.—W. B. Matthews.

Vice-President.—Edward Whiffen.

Sec'y.—D. S. Cunningham.

Treasurer.—A. W. Cochran.

Directors.—Wm. Rutherford, W. R. Tilton, P. H. Jacobs.

Henry Ward Beecher, the greatest of American divines, died at his home in Brooklyn Tuesday morning, in the seventy-fourth year of his age. All that a mighty intellect, prompted by the loftiest patriotism, could bestow, he gave his country in her direst need, and his name will go down to posterity along with those of Lincoln, Stanton and the other great men of that day as one that stood for liberty, justice and right at every cost.

The daughter of General Logan married a Mr. Tucker, while the daughter of Representative Randolph Tucker married a Mr. Logan. Each couple have a son. The name of one is Tucker Logan and the other is Logan Tucker.

TIRED OUT!

At this season nearly every one speaks of being tired out. It is not a new ailment, but a common one. It is the result of a weak system, and a weak system is the result of a weak constitution.

For Weakness, Lassitude, Lack of Energy, etc., IT HAS NO EQUAL, and is the only iron medicine that is not injurious. It enriches the blood, invigorates the system, increases appetite, aids digestion. It does not blacken or injure the teeth, cause headache or produce constipation—unlike iron medicines. Dr. G. H. BISHOP, a leading physician of Springfield, Ohio, says: "Brown's Iron Bitters is a thoroughly good medicine. I use it in my practice, and find its action equal to all other forms of iron. In weakness, or low condition of the system, Brown's Iron Bitters is a positive necessity. It will do what is claimed for it." Dr. W. N. WATER, 127 1/2 Third Street, Georgetown, D. C., says: "Brown's Iron Bitters is the tonic of the age. It cures weakness, restores appetite, gives strength and improves digestion." Beware of cheap imitations. Take no other. S. E. BROWN & Co.

The Republican.
SATURDAY, MARCH 13, 1887.

LOCAL MISCELLANY.

Very interesting revival meetings are being held at Rosedale.

Mr. D. Colwell is now President of the Fruit Growers' Union.

The new Council will meet on Monday evening, March 28th.

Mrs. W. B. Matthews is visiting her parents at Smith's Landing.

Mrs. M. E. Aldrich will lecture in Union Hall to-morrow, at 10:30 A. M.

For first-class timothy, black-grass, or salt hay, go to P. S. Tilton & Son's.

Mr. Carpenter appears to be doing a considerable business in the insurance line.

Mrs. Stella (Drown) Mitchell is visiting her parents here. Mr. M. will spend Sunday in town.

Mr. J. M. Prygo has resigned his position on the Credit Foncier of Sinaloa, and returned to the West.

Orders for coal from Clayton Scullin's yard may be left at Maloney's livery stable or meat market.

W. H. H. Bradbury has bought D. Whitman Jacobs' property, corner Grapo Street and Valley Avenue.

The owner can find a lost umbrella at the residence of Capt. Rubell, Thirtieth Street and Egg Harbor Road.

Mrs. Capt. Somerby is very sick at the time of this writing (Thursday evening), exhibiting little sign of prospective improvement.

T. Bowman Tilton and family have moved to Atlantic City, which place seems a better location for headquarters in the organ business.

That minstrel performance last Monday night, by home talent, drew a crowded hall, and netted to the Fire Company something over sixty dollars.

M. L. Jackson is making several radical improvements in his meat market - including a large refrigerating room. We'll tell more about it when completed.

Atlantic City will not get its much-needed free delivery through the failure of the deficiency bill - to pass Congress. It was Beckwith's party that did it.

Mrs. Florence Hooper Baker, a talented teacher of instrumental music, residing in Hammonton, has large classes at Pleasantville, visiting that place twice each week.

By mistake, Justice Heartwell lost his wife, Wednesday, for the first time since he was twenty-one years old - over half a century ago. He mistook the day, this time.

It is said that Will Avilitz is on his way home from Mexico, having met a returning party some distance this side of Sinaloa, listened to their report, and turned his face homeward.

The Fire Company will meet on Monday evening next, 14th, in the lower room of Union Hall, at 7:45.

A. K. BERNHOUTS,
Sely pro tem.

Tyler Potter has returned to his home, at Franklin Forks, Penna., after several months in Hammonton. His father offered to build and stock a general store for him, and he very wisely decided to accept.

The Workingmen's Loan and Building Association, at their meeting on Monday evening, offered about \$300 for sale, which was eagerly contested for, - premiums ranging from 70 to 80 cents per month for each \$100.

The Salvation Army (so we are told) are to open their meetings this evening, in Small's Hall. Already we hear of unmanly tricks being prepared for them. We hope this will not be continued. These people, though very peculiar, seem honest in what they say and do, and are entitled to fair treatment from all.

Vineland is a temperance town, yet the Prohibitionist of that city says that there are fifteen "Key" clubs in that city, some of the proprietors and members being prominent members of church. This is how a "Key" Club is run: The members pay rent for a key monthly, and a certain number of drinks thrown in, but after the limit of drinks has been reached another month's key rent is due, and is promptly paid in advance or the key won't work.
