HAMMONTON, N. J., SATURDAY, APRIL 16, 1921

No. 16

H. L. Monfort and family have returned from Florida.

Work has been started on the Washington Street sewer extension.

The Odd Fellows are planning to take a crowd to Camden on April 30th.

Oscar Burdick, of Tamaqua, Pa., visited his brother, Justice E. A. Burdick.

Bank Brothers are making extensive improvements to the front of their building.

A little son arrived at the home of Mr. and Mrs. Arthur E. Mackey, on Thursday, April 7th.

Hammonton Laundry has contracted for a year's advertising of a unique nature, entitled "Suds and Duds."

The Woman's Civic Club will hold their annual club supper on Tuesday evening, April 19, at The Jackson.

Mr. and Mrs. H. G. Scudder returned from Florida on Thursday. Mr. Scudder is much improved in health.

H. C. Swartz, of Sault Ste. Marie, Ontario, Canada, is visiting his two sisters, Mrs. Calabrace and Mrs. Hallowell on Pine Road.

Miss Ethel Vernon, Jack Bair and Frank Crowther, all of Chester, Pa., spent the week-end with Miss Evelyn Rook, at the Baptist Parsonage.

The High School base ball team crossed bats with Pleasantville, Tuesday, and defeated them by the score of 7 to 0. It was an interesting game.

The many friends of Mrs. N. C. Holdridge will be glad to know that she is better, after her serious illness at the home of her son, at Haddon Heights.

An invitation is extended by Nicolas Cashan, to all who are their citizenship papers, to meet at the Messing Hall, each Monday evening.

Mrs. Charles Laver entertained her daughter and her husband, Mr. and Mrs. Harris, and infant child, of Salem. Mrs. Harris was formerly Miss Nama Laver.

The first meeting of the stockholders of the new hall met last Friday evening. There was not a very large attendance, members evidently having other engagements.

Anton Piez, one of our best known poultrymen, was operated on, Thursday, at St. Joseph's Hospital. His condition is serious, though hopes are entertained for his complete recovery.

The body of David Jones, son of Mrs. Edith Jones, who was killed in France, was brought on this week, to Philadelphia for burial. Funeral service will be held at two o'clock today, at the home of his brother, Will, in Philadelphia.

The newly appointed Shade Tree Commission met for organization on Thursday night. A. J. Rider was elected president, and J. M. Bassett secretary. Frequent meetings will be held until the actual work is under way. The first efforts will be directed toward the removal of menaces to safety, such as dead trees, dead limbs, etc.

Two ex-servicemen, colored, were struck by an automobile near Amatel on Monday evening, and one was so badly injured that he died, suffering from a broken back, fractured skull, and other injuries. Dr. Butler, who was summoned, made a record trip, arriving on the scene in seven minutes. In spite of all that could be done one of the victims died at the Amatel Emergency Hospital. The driver was placed under bail.

### The Baptist Supper.

The following is the menu as offered by the Ladies' Aid Society at their supper, next Friday evening:

- Boston Baked Beans,
  - Cold Baked Ham,
  - Scalloped Potatoes,
  - Pickled Beets,
  - Graham and Wheat Bread,
  - Coffee,
  - Ice Cream
- Supper tickets, 35 cents.

**CLEAN-UP WEEK**  
From the attic to the cellar  
There is stuff we should discard,  
Though we want to keep it longer,  
For we're miserly and hard.  
Reluctantly we pack it up  
And a place to throw it seek  
So we are glad instead of sad  
When it's time for Clean-up Week.

**Parent-Teachers' Association.**  
Are you interested in the welfare of the children of our town? If so, come to the Civic Club Hall, Tuesday, May 3rd, at 3.30, and join the Parent-Teachers' Association which will be organized at that meeting.

Mrs. Samuel P. Leeds, of Atlantic City, and others will be present to help organize, and to explain how this society helps in the mutual understanding of parents and teachers.

**A Rummage Sale.**  
The Woman's Civic Club will hold a "Rummage Sale" on Saturday, April 23rd, at the Club House. The proceeds of this sale will be used to purchase new "refuse cans," to be placed on the streets.

Anyone having salable articles (clothing, bric-a-brac, etc.) which they will give to this sale, will notify Mrs. Buck, Bellevue Ave., Local phone 961.

Dear Mr. Editor:  
I see many children on the street at any hour of the day. On inquiry, I am told they belong to the one-session classes.

Are all the children getting all they ought from this one-session arrangement? Has the Board of Education put a concrete proposition up to the people, whereby this may be remedied? The outlook, if I understand, is more one-session classes next year. What is being done to lessen these?

This is not written in the spirit of hostile criticism, but that parents may find out what the exact conditions are now, what the prospect of relief from present overcrowded conditions.

PRO BONO PUBLICO.

### Town Council.

Hammonton's Executive Department met on Wednesday evening. All members were present.

After the reading of the minutes, Mr. O'Donnell, in a few appropriate words, presented to Mayor Cunningham a handsome gavel and block, in the name of his colleagues. The Mayor, quite taken back, responded in his usual good humor, and thanked them for their token of esteem.

The Civic Club notified Council that they will replace the old waste cans by new ones.

Various committees reported progress on matters referred to them.

The Law and Order Committee reported several cases that had been dealt with by them.

About sixty five bills, aggregating twenty seven hundred dollars, were ordered paid.

Clerk reported receipts by him of \$13.40 for licenses.

Fire Chief accounted for seven fire alarms; also recommended purchase of ammonia gas mask. This was approved by Council.

A numerously signed petition asked for repairing of Walnut Street. Committee will investigate.

The Board of Health asked that the first week of May be designated as "Clean up week." By vote, it was so decided.

There being no objection, the Sewer Commission's report was adopted.

A resolution was adopted, approving of the appointment of the Shade Tree Commission, as follows:  
A. J. Rider, for three years;  
Mrs. H. K. Spear, four years;  
J. Murray Bassett, five years.  
Mayor reported that Mike Messing had undergone a successful operation on the eye, and would soon be able to support his family.

Tax anticipation and sewer notes were authorized by resolution.

### Now Office Opened.

An unusual opportunity is offered to young people of Hammonton, who desire to take up an evening study in shorthand, typewriting, book keeping, and other branches, or coaching preparatory to graduation. Classes will be arranged from seven to nine o'clock, each evening, over Red Cross Pharmacy.

Individual attention will be given each pupil. Modern and approved system will be used. Terms reasonable.

Business men can also secure the services of an expert accountant of eleven years experience, to look after their books, render statements, address envelopes, receive dictation, etc.

Those desiring to learn more of this opportunity can address Mrs. A. R. Carpenter, or call at her room over Red Cross Pharmacy any evening, between the hours of seven and nine o'clock.

Mrs. Carpenter is a member of the United Accountants and Bookkeepers' Society of America, and Universal Society of Accountants of New York, and a notary public. During business hours she is employed in the office of the Town Treasurer.

### Suds and Duds of the Hammonton Laundry

My name is Duds. Here's Suds my friend. My lines to his shop I send!

MR. DUDS is the president of the Happy Dressers Association. He believes that if a man keeps his lines in immaculate condition he will be apt to have a lot of friends and everything. He says since his lines have become acquainted with our Duds he has been sending his friends to this laundry.

DO YOUR SAVINGS EQUAL THE AVERAGE?

According to Government reports, one person in every ten in the United States has a savings-bank account, with an average balance of about \$40.00. How much money have you saved? Does your savings-bank balance equal the average? Or are you one of the nine-tenths who have no account—and no money saved? If you are one of the latter, we invite you to join the 10 per cent who are depositing their savings with us. We are here to help you—if you will let us.

SATURDAY, APRIL 16, 1921

Third Street should either be cut through to the Park, or signs be placed near Maple, warning motorists of the street ending. To our knowledge several bad spills have been made. We saw a motorcycle crash into a fireplug, and the driver and his side-car partner flew either side of a shade tree. True, they should slacken speed, but they don't all think of it until too late.

Sunday night's rain turned into sleet and snow, with a drop in temperature. On Monday morning everyone said farewell to the few remaining fruit blossoms, for everything was covered with snow. It is said that the thermometer registered twenty-seven, and we have no reason to doubt it.

Attend the fire-extinguisher demonstration this afternoon, on the base-ball grounds.

People are already fearing that we shall have but few flowers for Memorial Day.

Mayor Cunningham is to be commended for his appointment of the Shade Tree Commission. They are well qualified for the position, and we are sure they will serve well both the town and property owners.

On account of changes in our post-office, made necessary by the increasing demand for advertising space, the Republican may make its appearance for a few weeks in a new form, before adopting all home print service.

At the time of the settlement of America unconfined interments were the rule; among the humbler classes in England some recent covering was deemed necessary, but this was all. It is now taken for granted that the body should be placed in a coffin and buried.  
As early as 1663 however, we find a list of coffins provided for the poor. William was buried in a coffin as early as 1643, so that for the first time we have a full-fledged interment in a coffin may be said to be in vogue in this country.  
In the memory of the living their coffins were all made by hand by the undertaker, who attempted to do more than for the dead. The labor saving machinery of the last half-century has transformed the undertaker from a carpenter to a funeral director, for his chief duty is no longer to painfully steam hogs to make into the sides of a coffin, but to intelligently and scientifically care for the dead. By his skill decomposition can now be held in check at will, for with the means and knowledge at present at his command he may choose the antiseptics best suited to his particular purpose. The American funeral director, as a result, has become the superior of the ancient Egyptian embalmer. How this has been accomplished will be described in subsequent announcements.

# ON THE SCREEN

**FOREWORD:**—Bishop Thomas F. Gailor, president of the executive council of the Protestant Episcopal Church, and one of the highest churchmen in the United States, as quoted in last Saturday's Evening Bulletin says, "Gossip is worse than the dance."—I quote verbatim an excerpt from the bishop's speech for the benefit of those whose mentality is in such a deplorable condition that the evil thought, the unchaste desire, is ever uppermost—"Recently," said Bishop Gailor, I attended a dance in New York City as a spectator. The dancers included 450 sailors and girls. I saw nothing wrong with the manner in which any of them danced, and could find no fault with the dress of any of the girls. What a person sees or imagines he sees at a dance, or in the theatres, is largely a condition of their own mind." This is very refreshing in these days of unjust, unchristian, uncalled-for muck-raking.

## Program for Week of April 18th.

We are bending every effort to please, to instruct, to educate. We are out with the big stick against any exchange who owns or sells any picture bordering on the suggestive. Our Friday special, "The Penalty" will rank in photoplay history among the chosen few. It is an amazing story of a man with half a body and half a soul. The ruthless onslaught of a twisted soul against all the powers of good. It pictures the underworld, and the upper crust of San Francisco, with intensely realistic atmosphere. It is the first picture with a legless hero, it appeals to the mind as well as the senses, and teaches a great moral lesson, without smugness or preachment. Lon Chaney, as "Blizzard" the satanic cripple, who hated humanity with the frenzy of a disordered brain, will dwell in your memory for years and years.

**MONDAY:—Special Cast, — "Law of Yukon."**

Episode No. 9, "Invisible Ray."

**TUESDAY:—Romaine Fielding, "Woman's-Man."**

Fox News, and Screen Snap Shots No. 20.

**WEDNESDAY:—Louise Glau, — — "Love."**

Century Comedy, "Vamps and Scamps."

**THURSDAY:—Carmel Myers, — "Mad Marriage."**

Episode No. 7, "Double Adventure."

**FRIDAY Special: { Lon Chaney and — "The Penalty." }**

Special Cast, Rolin Comedy, and Fox News.

Admission 20c.

**SATURDAY:—William Russell, - "Bare Knuckles."**

This wonderful Fox star adds another sensation to his long list of triumphs. As a rough and ready two handed scrapper William Russell has no equal on the screen. The play is full of surprises and thrills, and from start to finish moves like a flash of lightning.

Chester Comedy, "Beat It!"

## Eagle Theatre To-night

**Norma Talmadge, - "Branded Woman."**

Sunshine Comedy, "The Simp."

Doors Open 7.15, Show Commences 7.30, Admission, 20c.

**TUESDAY:—Eileen Percy, — — "Love Bay."**

Episode No. 11, "Fighting Fate."

Educational, "Blow-out Bill's Busted Romance."

**SATURDAY:—Alma Rubens, "Thoughtless Women."**

The characters in this picture are unusual in that they do not act arbitrarily, they act like human beings with virtues and weaknesses. The story deals with the marriage of the heroine; a poor girl to a young wealthy man, who married her not because he loved her, but because he was to inherit some money upon his marriage. The plot is full of action, heart throbs, and suspense, and absolutely clean.

Sunshine-Comedy, "Verse-is-Worse."
