FORMER POSTMASTER AND ASSISTANT FACE CHARGES

L. J. Langham and Charles La Rosa Plead Not Guilty At Trenton

TRIAL SET FOR SEPTEMBER

At Trenton on Monday Mr. Louis J. Langham, former Postmaster, and Charles LaRosa, assistant Postmaster of our local office entered pleas of not guilty to charges growing out of an alleged shortage in the accounts of the Post Office.

The amount of the shortage is said to be about \$2200 and we are informed that it was made up by Mr. Langham Feb. 24, 1923, who resigned from the office March 1st.

These charges developed from an inspection of the Hammonton Post Office Feb. 21st and 23rd. A second investigation of the Hammonton Post Office and certain members of its staff was made by inspectors from the Chief Inspectors Office in Washington, but their findings have not been made public.

Trial on the charges was set for May 3rd but has been postponed until September.

In an interview on Wednesday Charles LaRosa emphatically denied the charges made against him saying "It has been erroneously said that I resigned as assistant Postmaster. I did not resign but was suspended by a telegram sent by Louis J. Langham to the First Assistant Postmaster General at Washington charging me with embezzlement of the funds of the office. The suspension was granted pending a final investigation to protest my innocence of the charge made against me."

Talk of shortage in the Post Office has been current on the street for some weeks and action by the Government was not altogether unexpected. The people will look forward to the trial with great interest.

EASTERN STAR PLAY

Tickets for "Mary's Millions" a comedy in three acts, will be on sale at Bellamy's Jewelry Shop, on Monday, April 30th. The play which is without a doubt, one of the best ever "put on" in Hammonton by local talent, is to be presented in Masonic Hall, on Thursday and Saturday evenings, May 10th and 12th. William Galpen, well known for his ability, is directing the show. Paul Seeley is stage manager.

P. O. On Daylight Schedule

Owing to the advancing of the train schedule one hour, by the railroads, beginning April 30th, the schedule in the local Postoffice will be changed to conform with that of the train movements. All mails will be received and dispatched an hour earlier, and the deliveries of both City and Rural mail will be similarly affected. The pushing ahead of the clocks in the office will be dispensed with.

On Friday afternoon a section of the concrete on South Second St., opposite Wm. L. Black Implement Co. Store, raised up several inches at the cross joint. It makes a bad bump for automobiles, going either way on the street.

I wish to thank the local firemen, State troopers and neighbors, who responded so quickly and willingly and assisted in extinguishing the blaze in the pile of lumber adjacent to my home on Egg Harbor Road, last Tuesday. James E. Myers.

COLLINGSWOOD 7

After suffering defeat at the hand of the Atlantic City High School last week, the Hammonton High School baseball team, traveled to Collingswood on Monday and triumphed over that High School, score, 9 to 7. It was a hot fought contest and went two extra innings. The win came as a surprise to many local dopsters, as the Collingswood club defeated the Atlantic City boys a few days before.

SERIOUS LOSS AVERTED

The firemen were called out on Tuesday afternoon about 2 o'clock to combat a stubborn blaze in the yard of the Hammonton Gas Company plant. The blaze was caused by flying sparks from coils of wire from which the insulation was being burned. The sparks landed in a pile of electric light poles, which were adjacent to a tank of gasoline and one of kerosene. Prompt arrival of the fireman prevented a more serious conflagration. The poles were not seriously damaged.

KIWANIS PLANS LADIES' NIGHT

Members of the Hammonton Kiwanis Club turned out in force to greet Louis Seymour Mudge, Stated Clerk of the General Assembly of the Presbyterian Church, who was the principal speaker at their weekly luncheon and meeting at the Jackson House on Tuesday noon of this week. Rev. Mudge, who is a brother of the Rev. Charles O. Mudge, pastor of the local Presbyterian Church, delivered a very eloquent and interesting address on "The Splendor of Service". The visitors at the meeting were, William H. Parkhurst, recently returned from a winter's sojourn at St. Petersburg, Florida; Dr. S. C. Tremaine, of Bridgeton; Rev. Edward A. Rook, pastor of the First Baptist Church and Wayland DePuy. Mr. DePuy who represented the Hammonton Baseball Club, addressed the members in behalf of the Club, asking for their financial and moral support for the team during the coming season. Arrangements are now underway to enter the recently formed Atlantic County League, a certain guaranteed backing will be necessary. The members heartily gave their approval of the project and will do everything possible to make the undertaking a success. There is another of the ever popular "Ladies Nights" on the way. This affair will take place in Masonic Hall on Wednesday night May 9th. The entertainment Committee has its "thinking cap" on and is planning to give the members and their ladies, number of unique surprises. A large delegation from the Egg Harbor Kiwanis Club will attend the affair. Kiwanian J. A. Waas, chairman of the Inter-City plans for attending the Inter-City Kiwanis meeting to be held by the Philadelphia Kiwanis Club, at the Bellevue Stratford Hotel, in Philadelphia on Monday night, April 30th. A large number of the local Kiwanians are expecting to make the trip. The Kiwanis Baseball team is growing, under the supervision of Kiwanian "Gene" Cordery, and will start practice soon.

The attendance prize, a Waterman's fountain pen, was given by Kiwanian J. A. Waas, and was won by Kiwanian William O. Hoyt.

WOMEN'S DEMOCRATIC CLUB TO OPEN SATURDAY

Mrs. M. Otto Whitpen to Speak To Hold Prize Drawing.

The Women's Democratic Club of Hammonton which was organized about a year ago, with Mrs. Irma M. Adams as chairman, will hold an opening of the permanent headquarters, on Saturday afternoon, April 28th at 3 o'clock. The new headquarters, which are located in the Baker Building on Central Ave., has been tastefully furnished after being thoroughly renovated and presents a very delightful appearance. The prize drawing, for the Ladies' White Gold wrist watch, will be held during the afternoon. Little Florence Westcott, daughter of Mr. and Mrs. Edwin Westcott, of Central Avenue, will draw the number which is to decide the winner. Women speak every one of note will be present and address the meeting. The speakers who are expected are: Mrs. Ethel P. Westcott, of Collingswood; and Mrs. H. Otto Whitpen, member of the Board of Institutions and Agencies. Everyone is cordially invited to come and hear and see for themselves.

CLEAN UP WEEK

May 1st to 5th, inclusive, has been designated as "Clean-Up-Week."

Beginning May 1st, and ending May 5th, all rubbish—not ashes, nor paper, excelsior etc.—will be gathered as formerly. Set all rubbish along the curbs, in boxes, barrels, or other receptacles.

By order of Town Council.

THOMAS C. ELVINS, Mayor

CLEAN UP EVERY WEEK.

Council to Enforce Ordinance Prohibiting Rubbish Piles.

Autos Must Not Pass Fire Apparatus.

Council declared war on rubbish piles, tin cans and ash heaps at their meeting on Wednesday morning the 25th. Councilman Peter Lucas called the attention of Council to the danger of a conflagration in the business section from the many rubbish heaps. He said, "The responsibility rests on the citizens and not on Council. Apparently, everybody disregards the ordinance." He advocated the appointment of one person or official to make inspections and see to the enforcement of the ordinance. During the discussion of this point Town Clerk Seely was asked to read the ordinance in full. It provides that paper may be burned and rubbish and ashes dumped on the Town dump on 12th St., on Mondays and Fridays from 9 to 11:30 A. M. and from 1 to 4:30 P. M. at which time a man from the Highway Department will supervise the work. Property owners who allow ashes, tin cans or rubbish to accumulate for a period longer than one week are liable to a fine of \$10 for each offense. The enforcement of the ordinance is vested in the Town Police and the Chief of the Fire Department and the Assistant Chief.

The care of the Town poor was informally discussed by Council with Mrs. Maybelle Cunningham the Overseer.

Chairman Brownlee of the Highway Committee reported that the question of repairing Twelfth Street had been taken up with the Board of Freeholders and early action was expected.

When Councilman O'Donnell spoke of the well kept appearance of the down town streets due to the work of the street cleaner mention was made of the fact that some property owners sweep dirt and paper across the sidewalks into the streets. The Law and Order Committee was instructed to take up the matter.

Bills for fighting forest fires were presented. The amount of \$304.07 exceeds the appropriation for the whole year. The excess will be taken from the contingent fund.

F. A. Punton Post American Legion, asked for the use of the Park on Saturday for a picnic of members from Atlantic, Cumberland and Cape May counties. Permission was granted.

Mr. Charles S. King, in a letter stated that the offer made by the Town for the King homestead was "inadequate and unfair" and he believed that in view of sales recently made the property was worth \$12,000 but he would sell to the Town for \$10,000. The Mayor appointed a committee of Messrs. Brownlee, O'Donnell and Mottola to confer with Mr. King.

M. B. Taylor Lodge No. 141 F. and A. M., asked that an arc light be placed at the corner of Peach and Central Avenues. Council voted to install the extra light which is much needed in this dark spot.

Several bills for work on the extension of the sewers on Peach and Packard Streets brought forth the interesting fact that the balance in this fund amounted to one cent. Town Clerk Seely had prepared a resolution providing for the issuance of a temporary improvement note for \$121.20 to keep the one cent company and pay the bills. The resolution was adopted.

The Delaware and Atlantic Tel & Tel. Co., ordinance was again passed. Continued on last page.

H. H. S. TRACK TEAM

IN PENN RELAYS

The eyes of the local sport fans will be turned toward Franklin Field this Saturday, when the Annual Penn Relay Carnival takes place. The splendid showing of our local High School athletes, in the past meets, has been a credit to a much larger school. On Saturday, the boys will again meet the best that is produced in this section of the country, and the members of the Relay team are all primed for the big event. The elimination races were held at the Park track, last Saturday, and the following men selected to carry Hammonton High School colors to victory: George Youngman, William Dodge, Theodore Whitmeyer and Anthony Sacco, anchor man. The substitutes are Arol Agner and Joseph Musiano. Coach Waas has had the boys well in hand for several weeks and he expects that the boys will give a good account of themselves.

The Relay team from here has always made a good showing since they first started to compete, five years ago. At the First three meets the local team captured the first place and the much coveted banner. Last year owing to a mishap to one of the runners, the local boys were second, being beaten by Abbington by only a few feet. This year's team is as fast, if not a little faster than those of previous years, and barring mishaps the local team should have a good chance for first place. It is expected that a big crowd of rooters will accompany the boys on Saturday.

ANNIVERSARY TURKEY DINNER

The Turkey Dinner given by the Odd Fellows and Puritan Rebekah Lodge, in their Hall on Thursday evening was a decided success. The meal served by the ladies was delicious. The Irresistible Orchestra furnished music for the diners and for an informal dance later in the evening. The dinner was arranged to celebrate the 10th Anniversary of Odd Fellowship in the United States.

Mail Boxes Necessary

In keeping with the policy of Postmasters over the country, Acting Postmaster, Louis O'Donnell has notified the patrons of the City Delivery Service, that after May 1st, 1923, a mail receptacle will be required on all dwellings, where mail is delivered. Following is an extract of the letter that has been distributed to the patrons in town. "On an average about 70 per cent of the patrons in the country have provided their dwellings with receptacles. With this situation confronting it and considering the many disadvantages of not having such a mail receptacle, the Department has finally ruled that after May 1st, 1923 (unless exceptions are made by the Postmaster because of inability to purchase receptacles or parts for door slots) the mail receptacle will be necessary in order to secure the service, and carriers will not thereafter leave mail unless such mail receptacles are provided. This does not mean that the patron is barred from the privileges of the mail, but merely that he will be obliged to go to the post office to receive it."

The winning name for the paper will be announced next week. Several hundred names were received and it will take some time to consider them all.

The Publishers.

Mrs. A. J. Rider regent of Kate Aylesford Chapter, D.A.R., returned home on Saturday after attending the Continental Congress of the D. A. R. in Washington last week. She denied the reports that police were needed during the time of the voting for President General. None but the usual fire and police guards were there at any time and the contest for office while close, was quite orderly.

A Supper Dance "A Night in Slough," will be given in Myers Hall tonight, Friday, April 27th, dancing from 9:30 to 2:30 a.m. Music by Original Novelty Five.

COUNTY BASE BALL

LEAGUE ORGANIZED

The second meeting of the recently organized Atlantic County Base Ball League, was held in Fireman's Hall on Tuesday evening April 24th. A representation from the six clubs in the League, were present. The following officers were elected for the coming season, Clifford M. Wilson, of Pleasantville, president; Wayland DePuy, Hammonton, vice-president; Gus Keiser, Egg Harbor, secretary; J. Howard Webber, Atlantic City, treasurer. A Board of Directors of Arbitration will be formed. The names of Judge C. C. Shinn, Judge William Smathers and "Red" Doolin, were mentioned as the men to compose that body. They will be approached this week and asked to accept the commission. It was decided that each team will be allowed 15 players, the names of which must be presented to the Board before the opening of the season which has been set for the first of June. A committee composed of Wilson, Keiser and Collins was appointed to draw up a playing schedule, which is to be presented at the next meeting to be held at the McJannet Club in Atlantic City, on Tuesday, May 2nd. The Clubs who will make up the League are Hammonton, Egg Harbor, Somers Point, Atlantic City, Mays Landing and Pleasantville.

State Master At Grange

Entertainment

Senator Agans Gives Platform of the Grange

Senator David H. Agans, State Master of the Grange spoke at the entertainment and dance given by Hammonton Grange in Victor Hall on Tuesday night. In a forceful address he asked the co-operation of all members and those interested in accomplishing Grange work. He stated that the Grange stood for enforcement of the law and that as long as the 18th amendment and the Volstead act were a part of the law of the land it was the duty of citizens to obey these laws.

The Bordentown Industrial School colored quartette gave several selections of negro melodies and other songs which were much enjoyed. One of the features of the program was the farce "Bargain Day at Bloomstein" in which Mrs. Slander, Mrs. Anthony Rice, Miss Violet Dewart, Miss Zelma Nolder, Stalter Jacobs, Thomas Sparks, Miss Marlon Peters, Mrs. Charlotte Berry, Julius Seely, Mrs. Mattilda Radunsel, Mrs. Wm. Montgomery, Master Morrill Sparks, Master Robert Sparks, Miss Ada Jackson and Miss Alice Gibbs took part.

A song "Limburger Cheese" sung by Thomas Jr. was a novelty.

After the program there was an informal social time and dancing. The music was furnished by the Original Novelty Five augmented to six for the occasion. The Hall was filled and there was standing room only for late comers.

Civic Club Annual Dinner Delightful Affair

The Annual dinner of the Women's Civic Club, held in the Club House on Thursday evening, April 26th, was one of the most delightful and successful ever held. The dinner served was exceptionally tempting and consisted of Grape Fruit, Chicken Patties, French Peas, Saratoga Chips, Cold Slaw, Radishes, Hot Rolls, Banana Salad, Peanuts, Mints, Coffee, Cake and Ice Cream. The decorations which were well set off, by recently decorated walls and ceiling, were Spring blossoms and birds. Following the dinner there were speeches, readings and community singing, also vocal solos by Mrs. William Taylor and Mrs. Elsie Rider Smathers. Several new members were taken in during the meeting.

Among those present were: Mrs. Davis S. Bellamy, Mrs. Charles F. Fitting, Mrs. Harry Little, Mrs. H. K. Spear, Mrs. A. E. Holman, Mrs. George Zuber, Mrs. Byron A. Davis, Mrs. Alonzo B. An enthusiastic meeting of the Women's Democratic Club of Hammonton was held in the recently opened headquarters in the Baker Building on Tuesday evening last. The By-Laws of the Club were drawn up and after consideration by a committee, will be adopted at the next regular meeting to be held on Tuesday evening, May 1st. The members decided that the regular meetings of the Club will be held on the first Tuesday of every month.

Alex. Turner, of Hightstown, N. J., has purchased the Ballard Building, on Bellevue Avenue, which is now occupied by Bellamy's Jewelry Store and Ditta Brothers' Shoe Store. Mr. Turner, who is the brother in law of George Eckhardt, expects to open an up-to-date bakery there in the near future. He is now in the Bakery business in Hightstown.

Do You Want Your Hogs Inoculated to Prevent Hog Cholera?

The County Agricultural Agent and the Atlantic County Board of Agriculture are going to carry on a campaign against hog cholera. For the past four years no epidemic of hog cholera has occurred in the Co. Since these campaigns were started the few cases that have been reported have taken place where the hogs were not inoculated. The approximate cost for the double treatment for this year will be as follows:
Suckling pigs \$.35
20-40 lb \$.45
40-90 lb \$.55
90-120 lb \$.75
120-150 lb \$.85
150-180 lb \$.95
180 lb and over \$ 1.05
The above charges include only the actual cost of the serum and virus as no charge is made for the services of the veterinarian. If you want your hogs inoculated send your name and P. O. address and the road you live on, the number of hogs and their approximate weight to W. J. Slack, Hammonton, N. J., who is the Executive Committee Member of the Atlantic County Board of Agriculture or to Arthur R. Eldred, County Agricultural Agent, Mays Landing. Accommodation

ONE of the purposes of a commercial bank is to extend credit to its customers to the extent of its permissible ability and consistent with the principles of sound banking. THE extension of credit is necessarily founded upon business familiarity, as no reputable bank can do so, until assured of the business habits, character, and responsibility of the person seeking accommodation. A commercial account here is one of the best methods to place us in a position to properly acquaint ourselves with these necessary facts.

EDITORIAL COMMENT

We are, indeed, sorry that several news items and announcements sent to us have been omitted in our issues. This has been due to the greatly increased amount of work connected with getting out an eight page paper, all of which is now set and printed in our plant. Our equipment has not all arrived and in working under this handicap we can not put into the paper all that we wish. Please understand that we have no intention to slight anyone or any organization. We are doing our best with each issue and ask for your patience until we can do better.

THE POST OFFICE AFFAIR

When information was received about the charges made against Mr. L. J. Langham and Mr. Charles LaRosa we thought that in fairness they should be given an opportunity to make any statement that they wished to the people of Hammonton. In letters sent to each of them on Monday we offered to publish any statement they might wish to make. The statement of Charles LaRosa is given in our news columns. Up to the time of going to press we had received no word from Mr. Langham.

STREET LOUNGING

A written complaint was made to Council some weeks ago that loiterers on Bellevue Avenue were keeping business away from a part of the street because the sidewalk was almost blocked at times and the remarks made by some of the men were such that women avoided the locality. We are informed that this condition still exists. One of our local office holders, as reported to have said that nothing could be done about the matter. Does the Town lack authority, or a sufficiently large police force, or the determination to correct the conditions complained of?

PAVING BUCKLES

The upheaval of a part of the concrete on South Second Street on Friday last attracted no little attention. People look upon concrete paving as something permanent and an offset of about two inches which appears between two of the section was startling. Town Council is taking the matter up with the contractor and as the work is guaranteed for one year the town is protected against loss.

KEEP OFF SIDEWALKS

Riding a bicycle on the sidewalk is against the law in Hammonton. Some excuse may be made for a rider who takes to the sidewalk where the road is very rough or sandy. On Sunday several young men rode their wheels on the sidewalk on Bellevue Avenue above Tilton St. There can be little excuse for this action.

STORE IN STREET

A hand cart has been in front of the Post Office for several days providing a center for the sale of bananas. Judging by the brisk business being done the portable store is a convenience to many down town. But with the congestion of traffic on Bellevue Avenue it seems like a rather large obstruction in a place marked "No Parking."

Home Demonstration

A representative from the Washington Office of the United States Department of Agriculture made the statement that from the plan for Home Management work of all the states, Mrs. Ida S. Harrington is the right one. Mrs. Harrington is now in charge of the Home Management Specialist.

ANOTHER MYSTERY

Another mystery, centered about Hammonton, caused some little excitement last week. A person signing himself "A member of the K.K.K." wrote a letter to Prosecutor Geogary of Mercer County, saying that he had murdered a woman and left her body "in the marshes near Hammonton, N. J." New Jersey State Police, county detectives of Atlantic and Mercer, our local allies, and a few volunteers including American Legion members and newspaper men conducted search with no result. It would take weeks or months to search all of the marshes, so the letter to be a hoax. In any event more definite information is needed before further steps can be taken to locate the corpse.

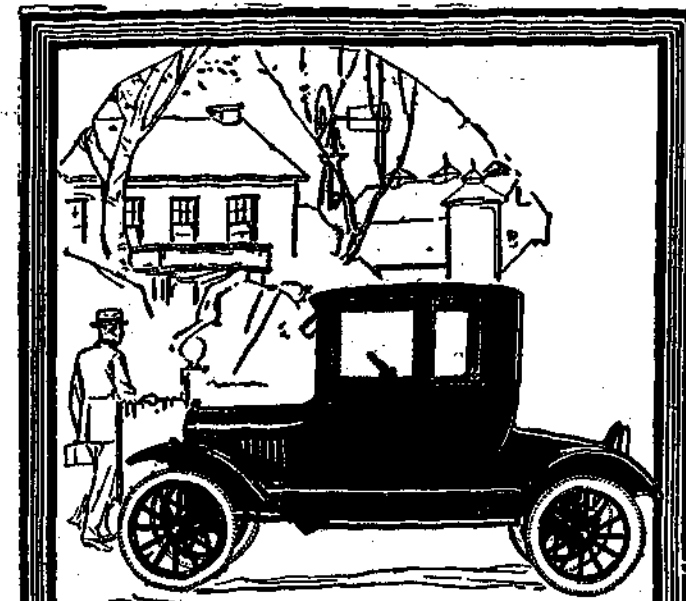

Impersonal

She turned majestically into Bellevue Avenue, purring contentedly, for a fraction of a second, Mack stopped at it and "Oh Hoy's" a fat fading streak of blue left us gasping for breath and alone, thinking of St. Paul, River Jordan and "She's some Car, Harry! Some Car!"

CARELESS SHOOTING

Someone during Wednesday night a hole was shot through one of the plate glass windows at the entrance of Wagon's Store. It appears to have been done by a BB shot, possibly from an air rifle. The owner, Mrs. James Wagon, and the local police would like very much to find out who did the shooting.

"We've" Vaughn is sitting from Hammonton. He is sitting with sign language.

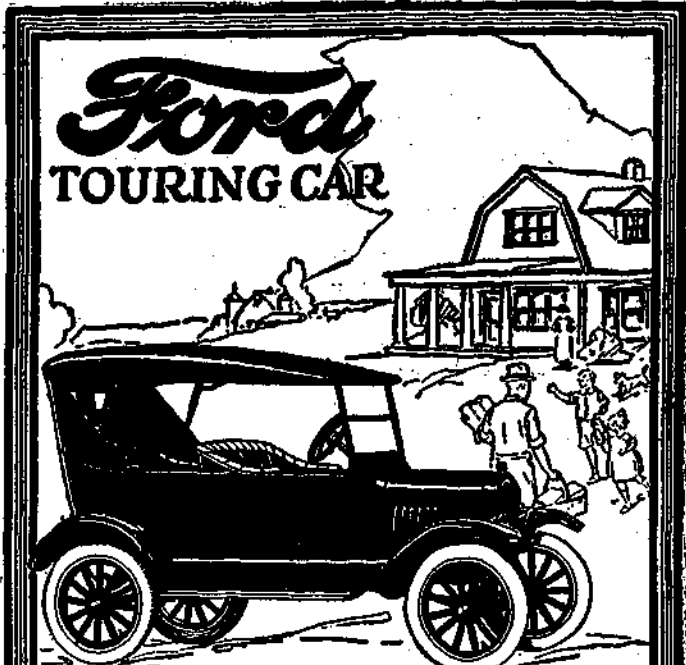

Ford COUPE
\$530
F. O. B. DETROIT

An Even Greater Value

At the lowest price ever made on a Ford Coupe this attractive model offers even greater value than before. The convenient window regulators, the improved upholstery, and the many refinements in chassis construction, have brought new high standards of quality. Professional and business men demanding continuous car service at low cost, and with comfort and convenience, are turning to the Ford Coupe in greater numbers than ever.

So great is the demand that a shortage is certain. List your order now—cover it with a small down payment—the balance on convenient terms.

Ford prices have never been so low
Ford quality has never been so high

Ford TOURING CAR

\$298
F. O. B. DETROIT

A Greater Touring Car Value

The present price of the Ford Touring Car is the lowest ever made.

And yet the car itself is a greater value. It is better looking with slanting windshield, a one-man top and improved seats. And there are many refinements in chassis construction.

The demand is so great that deliveries will soon be impossible. To protect yourself, order now. Make a small down payment, the balance on easy terms.

Ford prices have never been so low
Ford quality has never been so high

Once A Buick Owner— Only Buick Satisfies

In every community there are a number of instances where once a Buick has been purchased by one member of a family, others of the same intimate group have become Buick owners.

Buick dependable performance, luxurious comfort and the fact that there is a type of Buick to fit every motoring need, leads to the selection of Buick as the family car.

Significant also is the fact that today a majority of new Buicks are purchased by motorists who have been Buick owners before, and for several years.

Speakers' Attention!

Commissioner of Motor Vehicles, W. D. P. ... the cooperation of motorists in efforts to cut down the number of traffic accidents by the use of motor vehicle safety devices for the prevention of driver's errors. The revocation of driver's licenses is recommended as a means of curbing those who ... should to drive at a speed of 20 to 25 miles per hour and proceeding on the ... that a small fine is the only penalty ... it will be visited upon them.

The startling statement that about 400 persons have been killed in traffic accidents in New Jersey during the first three months of this year appears in Commissioner Dill's letter.

Continued from first page
poned as the opinion of Solicitor Corio had not been received.

Frank Malmone reported that part of the right of way of Liberty Street had been plowed and torn up by harrows of farmers on some of the abutting properties and that on one occasion he had to drive out to a field to avoid a bonfire of berry cans built right in the middle of Liberty Street. The matter was referred to the Highway Committee and the press was asked to give it publicity. The Committee will notify offending property owners that the sidewalks and streets must be left unobstructed.

Mr. Harry Mottola, chairman of the Law and Order Committee, stated that several cars had passed the fire apparatus going to fires. No fine was given that this is contrary to law and arrests will be made of all violators in the future. Members of the fire companies going to fires in their own cars are not exempt from this rule. Chairman Mottola also asked that citizens report any violation of law to the Police Dept.

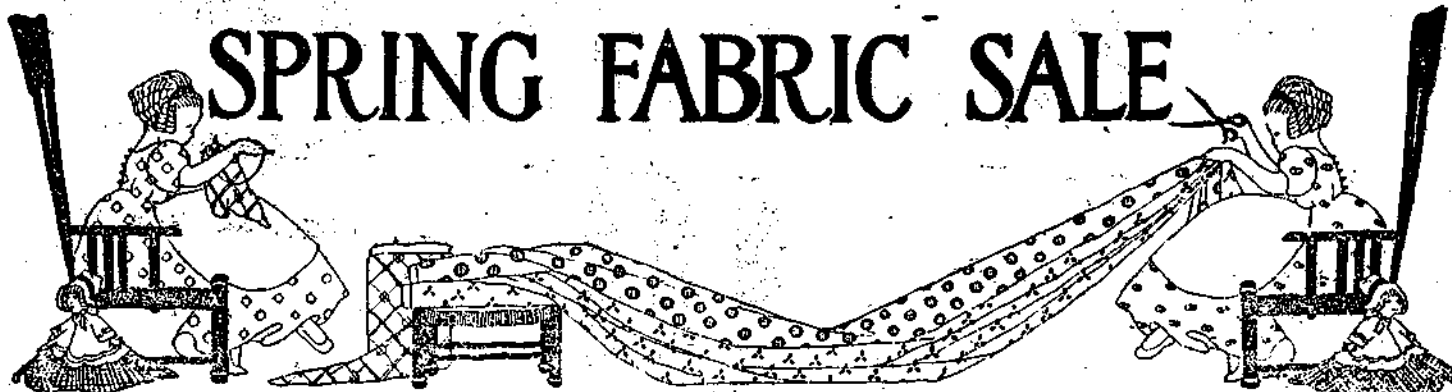

Chairman Peter Maciel of the Committee on sewerage, called attention of Council to the fact that Peter St. has a sewer from Third Street to ward Tilton but there are no water mains there. The property owner desires to connect with the sewer & water mains are put down in the street. The Water Commissioners were requested to investigate the situation.

A refund of some of the money paid for the care of one of the town poor is possible from a small amount left by the woman at the time of her death. The Town Clerk was instructed to send a bill to the administrator of the estate as requested by her.
