HUDSON RIVER R. R. Conductor Melius Says Something of Interest to all Travelers.

Dr. D. Kennedy, Rondout, N. Y.
DEAR SIR: I have used your medicine, called DR. KENNEDY'S FAVORITE REMEDY, for Indigestion and Dizziness, to which I was subject at times, and know from experience that it is worthy of all that can be said of it for disorders of that kind.
Respectfully, **W. S. MELIUS.**

60 Harrison St.
That Dr. David Kennedy's Favorite Remedy is extensively used along the line of the Hudson River Railroad, is shown by the following from Tarrytown. The writer is none other than Mr. Bell-von, the Station Agent of the Hudson River Railroad Company at Tarrytown, a man well known in that community.
TARRYTOWN, N. Y., Feb. 23, 1884.

Dr. D. Kennedy, Rondout, N. Y.:
DEAR SIR:--For a long time I was troubled with a severe attack of Biliousness and Blind Sick Headaches. I thought it was due to impure blood and a disordered state of the system. I was at last cured by your Favorite Remedy. I did so and have been completely cured. It's the best thing I ever heard of for my disorder of that nature, and I've recommended it to many with like success.
A. DeLever.

Dr. Kennedy's Favorite Remedy is not confined in its sphere of usefulness to our state or locality, but is hailed as a boon by hundreds in every state, as the following letter from Millville, N. J., will show:
MILLVILLE, N. J.

Dr. D. Kennedy, Rondout, N. Y.:
DEAR SIR:--I had been a sufferer from Dyspepsia from the time I was sixteen years old. I had consulted various physicians, but could find no relief; therefore had almost given up in despair of ever regaining my health, when Dr. Kennedy's Favorite Remedy was recommended, which I tried and received the most favorable result. It is the best medicine I ever knew of, and worthy of the greatest confidence.
Mrs. S. C. Dougherty.

MALARIA?

As an anti-malarial medicine.

DR. DAVID KENNEDY'S FAVORITE REMEDY

has won golden opinions. No traveler should consider his outfit complete unless it includes a bottle of this medicine. If you are exposed to frequent changes of climate, food and water, Favorite Remedy should always be within your reach. It expels malarial poisons, and is the best preventative of chills and malarial fever in the world. It is especially adapted as a trustworthy specific for the cure of Kidney and Liver complaints, Constipation and all disorders arising from an impure state of the blood. To women who suffer from any of the above named troubles, Favorite Remedy is constantly proving itself a valuable friend--a real blessing. Address the Proprietor, Dr. D. Kennedy, Rondout, N. Y. 21 bottles, 50 cts. by all druggists.

DAYBREAK.

The night seems long, my Father, Shadows rise,
And dark across my pathway fall;
There's no light of dawn in orient skies,
And sorrows shroud me like a pall;
The stars of faith and hope seem dim have grown;
Oh! lift the gloom, and send their radiance down!

The morn was fair, seen with glad childhood's eyes

A world of sunshine, love and flowers;
Not sweeter was the bliss of Paradise,
As onward fled the swift-winged hours;
At noon I revelled in the sunshine still,
And felt no prelude of the twilight chill.

I am so tired, my Father. The rough path
Is strewn with wrecks of joys long gone;
I scarce can lift my dim and weary gaze
To watch the coming of the dawn.
Oh! let me lean and rest against thy heart
Till glorious day shall break and night depart.
--Selected by L. H.

From Rev. Dr. Kempton.

Brighton, South Carolina,
April 21st, 1885.

DEAR BRO. STOCKWELL:--You see that I am in my old native state, just returned from a month's trip to Florida.

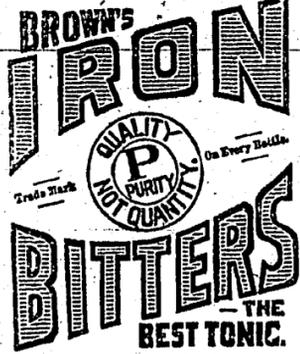

I am spending some days with my sister, on her cotton plantation. It brings to mind thoughts of other days. Forty years ago I left my old church here (Robertville) for the north, and now almost two generations have risen up, and the one to which I belonged has nearly passed away. I find myself, even amid my own family relatives, among strangers; blood relatives, it is true, but mostly born since I left, now men and women with families. Such is life,--passing, coming. There is much to sadden as I look over my old village and its neighborhood; but much to cheer and brighten. I find a strong, industrious, thrifty people, turning to advantage the circumstances of their day and time; glad from their hearts that slavery is dead and buried. They (the whites I mean) feel that they are the free--they are the ones really "emancipated." I believe it would bring on another civil war should any power attempt to put it back on them. To all which I say, thank the blessed Lord. The whites gives the negroes all the work they will do, and pay them well, and the negroes--a happy go easy race--take it all easy and are satisfied. In fact there is that average contentment and prosperity for which any people should be grateful.

As to Florida, I am as fully satisfied as I expected to be. "All in a nut shell," as they say, it is thus: If grain and grass farm, go west or north-west; if fruit and market vegetables, go to Florida. And why to Florida--for these? because you are in the market before any body else. In fact, sold or selling off your whole crop, while a little north they are putting in the seeds. Take one instance that came under my own notice. About the middle of last month, I was in Lake City, Columbia County, Fla., and found a market gardener there shipping green peas to New York at \$5 per bushel-crate; and of these, and at that rate he shipped 100 crates before I left that place. Two weeks after that the same peas, in same packages, were selling at \$2.50 and getting lower. It is the earliness of the Florida gardens that makes the difference in the prices. Strawberries from Federal Point, St. John's river, were selling steadily at 40 and 50 cts. per quart about the last week in March, in New York, so you must not wonder that I like the prospect in Florida. And if the Lord will, I hope to get there soon. As to health it is about there as elsewhere,--some as healthy places to be found there as anywhere else, and some as sickly.

Regards to any old inquiring friends. It would be one true pleasure to drop in, if but for twenty-four hours, to see you all again. There are some dear friends there, that I believe I carry with me where ever I go.

As ever, **GEORGE KEMPTON.**

Alzpuru surrendered at Panama, and the insurrection is virtually ended. The fact of the Russian man-of-war Strelok being at anchor in the North River causes anxiety to steamship owners and agents in New York.

PHYSICIANS AND DRUGGISTS RECOMMEND IT.

For Intermitting Fevers, Lassitude, Lack of Energy, &c., it has no equal.

HALL'S

Vegetable Sicilian

HAIR RENEWER

was the first preparation perfectly adapted to cure diseases of the scalp, and the first successful restorer of faded or gray hair to its natural color, growth, and youthful beauty. It has had many imitators, but none have so fully met all the requirements useful for the proper treatment of the hair and scalp. HALL'S HAIR RENEWER has steadily grown in favor, and spread its fame and usefulness to every quarter of the globe. Its unequalled success can be attributed to but one cause: the entire fulfillment of its promises.

The proprietors have often been surprised at the receipt of orders from remote countries, where they had never made an effort for its introduction.

The use for a short time of HALL'S HAIR RENEWER wonderfully improves the personal appearance. It cures the scalp from all impurities, cures all humors, fever, and dryness, and thus prevents baldness. It stimulates the weakened glands, and enables them to push forward a new and vigorous growth. The effects of this article are not transient, like those of alcoholic preparations, but remain a long time, which makes its use a matter of economy.

GROWN-UP LAND.
Good-morning, fair maid, with lashes brown,
Can you tell me the way to Womanhood town?

Oh, this way and that way—never stop,
The picking up of the grand old drop,
The kissing the baby's troubles away,
The laughing that cross words never will pay,
The besting mother, 'tis sewing up rents,
The reading and playing, 'tis saving the cents,
The buying and selling, forgetting to town,
Oh, that is the way to Womanhood town.
Just wait, my brave lad, one moment I pray,
Mamma! You're the wife—can you tell the way?

Oh, by toiling and trying we reach that land—
A bit with the lead, a bit with the hand—
By climbing up the steep hill work,
By keeping out of the wide street dirt,
By always taking the easy side part,
By giving mother a happy heart,
By keeping and the good and actions down,
Oh, that is the way to Womanhood town.
And the lad and the maid ran hand in hand
To their fair estates in the Grown-up Land.

General Grant's 63rd birthday was commemorated on Monday, North and South, by the holding of public meetings, the adoption of resolutions of congratulation and sympathy, and the presentation of floral tributes. The general went out to drive, took a short walk and said he felt better than for weeks past.

This is the year for taking the State decennial census. The Legislature, therefore, passed an act authorizing the assessors in the cities and townships to make an enumeration of all the inhabitants. In addition to the census as formerly taken the foreign inhabitants are to be classified as to nationality and the ages of all from 5 to 20, from 20 to 50, and over 50 years; the number of families and dwellings are also to be taken. For this work the assessors will receive \$2 per each 100 inhabitants enumerated, to be paid by order of the Board of Freeholders.

To You, From Oak Hall.
The Samson of the Period.

Imperial power rests with the Farmer. The great freight corporations seek him that they may take toll upon his ample stores. We traders seek him to take our stuff. His staples are down, his face long—but why? No reason, while his dollar will buy so much. The Oak Hall stock proves this. Our story for this spring is a tale of cheapness. Note these examples in Men's Suits:
Blue Flannel, Suits, \$6.50, \$10.00, \$12.00, \$15.00. They are all, except the lowest, all-wool and all full indigo color. All-wool Black Cheviot Suits, \$8.50 and \$10.00. Black Corkscrew and Diagonal Worsted Suits, \$13.00, \$15.00, \$18.00, \$20.00, \$22.50, \$25.00, \$28.00, \$30.00. Brown, Wine, Blue and Dahlia Worsted Suits, \$15.00, \$20.00, \$22.50, \$25.00, \$28.00. Just so through all the stock, the three great E E E's, Elegance, Excellence, Economy, prevail.

Pleasures of the Imagination.

Happy youngster. A chair, a box, half a dozen big books, bits of cord and cork. Papa's cane, Mamma's aquarium, and a vivid imagination, supply all his needs. Neither Rangleley trout nor Saguenay salmon can so delight the expert angler. Imagination has joys and limits. It will not make a dear thing cheap nor an old thing new. Real wants demand real supplies, and this fact underlies the great Oak Hall Million Dollar investment in Clothing and Cloths for Men and Boys. Real Bargains must be facts—hence the Oak Hall system offers only Bargains. For Boys the stock is big. Large Boys' Suits, \$5.00 to \$18.00. Small Boys' Blouse Suits, \$3.50 to \$12.00. Sailor Suits, \$2.50 to \$6.00.

A cold rain on Sunday. Monday cool. Tuesday, a splendid thunder-storm, making vegetation rejoice. Wednesday, a very high wind. Thursday, quite agreeable. Friday, rain.

We saw, on Thursday, several new samples of photographs made by Mr. W. H. Harrold, the Hammonton artist, and consider them as good as one could wish for. Some of them were very difficult subjects, yet the likeness was perfect, and the finishing-up excellent.

The rain-storm of Tuesday afternoon caused the postponement of the lecture to be delivered by Dr. Peebles on that evening, in the Baptist Church. The doctor left town on Wednesday, to fill engagements, and will give the lecture on his return. Due notice will be given.

Arbor Day was quite generally observed all over the State. Each school building in this place was furnished with eight trees (four presented by the School Board, and four presented by Messrs. Bassett & Son), which were all planted by the schools, with appropriate music, recitations, and addresses.

It was interesting to many to watch Bernhouse's men raise the heavy frame of Osgood & Co.'s new factory building. Everything worked smoothly, and no accidents occurred. A squad of Mr. B.'s carpenters are to go to Maryland to finish up a contract; another force to Pennsylvania, to build a couple of houses.

On Wednesday evening last, the special town meeting was called to order by the Town Clerk—Mr. L. Jackson was elected chairman, C. S. King, clerk.
The call for the meeting was read, which stated the object to be, to take action in relation to exempting manufacturers from taxation, etc.

The committee appointed at the annual meeting reported to the effect that according to the best information obtainable, the proposed exemption was "neither legal nor illegal," there was no law on the subject. Then followed a long, tiresome period filled in with chin-music, amounting to absolutely nothing, but so confusing and confounding everything and everybody, that the only actual business done was the defeating of a motion made by G. W. Presey, to exempt, etc. The meeting then adjourned.

Mr. Anson Greene made application for protection from trespassers on his side walk, at First Road and Eleventh Street, stating that the street had not been properly worked, that the owner of property opposite had cultivated out to wagon track, and as the sets grew deep, teams crossed over onto him. It was stated by those present that several parties in town were cultivating streets in this way. On motion, the Street Committee were instructed to investigate and take such action as is necessary.
Adjourned.

It will be decided, Monday next, whether the Tilger Brothers will lease the Winslow Glass Works for another year, or not. A proposition has been made to the owners, which may or may not be accepted.

ANNIE ELYNS, P. M.

Rev. Joseph Esser, the Priest in charge of the Roman Catholic Churches in this vicinity, including Hammonton, died, in Egg Harbor City, last Monday morning, April 21st, 1885, aged about 33 years, from the effects of injuries received by being thrown from his carriage on Easter-Day. Father Esser was a native of Germany, and had received the extended culture which seems peculiar to professional men of that nationality, and which, with his many personal good qualities, had won his warm friends outside of his own Church. The people of his charge mourn his death as that of a personal friend, and all who knew him regret his sudden departure.

Trusting you will favor me with a share of your patronage, I am
Respectfully Yours,
DR. J. A. WAAS.

To the People of Hammonton: For past favors, I take pleasure in recommending Dr. J. A. Waas, and hope you will give him liberal patronage. Respectfully,
DR. GEO. R. SHIBLE.

The people of New Germany who are interested in Union Chapel ask us to thank their friends in Hammonton and vicinity who have kindly assisted them in paying off the last debt upon their house of worship. They had a jubilee there on Thursday evening of last week, when Mr. McCullough presented to the society a Clerk made report on Ezra Stokes case. Mr. S. bought certain land at tax sale, some years ago; paid taxes on it since; now claims that original owner has also paid taxes on the same, hence his title is worthless, and the amount paid by him should be refunded. Clerk and Collector fall to find said land assessed to any one except Mr. Stokes and those to whom he sold it. Council instructed the Clerk to procure from Stokes evidence in support of his claim, and if such proof is brought, to refund the amount paid by S., with 12 per cent interest.
Voted, to lease from Dr. Potter, gravel lot, 20 x 150 feet, for \$100.—gravel to be all removed by October 1st.

Lewis Hoyt, late Collector, made return of unpaid taxes for the years 1880 to 1883 inclusive, and asked that pluries warrants be ordered for their collection. On motion, the warrants were ordered to be issued to Constable Geo. Bernhouse, as the late C-Collector is in ill health. Bonds to the amount of \$100 were required from the applicant and office so appointed.
The Commissioners on extension of Horton Street reported, awarding damages to R. J. Byrnes, \$30; Frank Simons, \$5. Benefits assessed to various parties amounted to \$54. Expense of opening the street, \$8. Report received.

The Town Treasurer requested Council to ordain that Town Orders shall not be negotiable until countersigned by the Treasurer. On motion, referred to the Committee on Ordinances, with instructions to report an ordinance covering this and other points, at next meeting.

On motion, the last Saturday evening in each month was selected for the regular meetings of Council.
