BOARD AUTHORIZES SCHOOL FOR SUB-NORMAL CHILDREN

Central School Conditions Commended by Sanitary Officer

ADOPT DAYLIGHT SAVING

Special classes for Sub-normal Children were authorized at a meeting of the Board of Education held in the High School on Tuesday night. The resolution passed says:

WHEREAS, it has become clearly evident to this Board, that there are in this School District a sufficient number of resident children, who as pupils in the public schools of the district, are three years or more below the normal, as to require the establishing of a Special Class or classes for the instruction of such children as is required by law; and

WHEREAS, it is also clearly evident to this Board, that a suitable room or rooms for the housing of said children must be provided, and that suitable and necessary furniture and other equipment for said room, or rooms must also be provided together with whatever special equipment or supplies may be found necessary for the instruction of such children;

THEREFORE BE IT RESOLVED, by the Board of Education of the School District of the Town of Hammonton:

1. That this Board establish and does hereby authorize the establishment of a Special Class or classes, as may be found necessary, to meet the requirements of law for the instruction of sub-normal children in the district; and that the work of said Special Class or Classes shall begin at the opening of the school term, in September 1923.

2. That the Property Committee of this Board in conjunction with the Supervising Principal of Schools, be and they hereby are authorized and directed, to investigate the matter of providing a suitable room or rooms for the housing of said sub-normal class or classes, and the providing therefor of suitable and necessary furniture and other necessary general or special equipment, or supplies for the instruction of such class or classes; and that the Property Committee and the Supervising Principal at an early date as may be possible, make a report to this Board of the progress of their investigations and submit estimates of cost of the various requirements for room, furniture, and other necessary equipment and supplies; said reports and estimates to be submitted to this Board from time to time, as data may be obtained.

The Board adopted daylight saving for the balance of the school term the new schedule going into effect on Thursday. Owing to the change in the time of the trains on which out of town pupils travel they have been arriving in town much too early for school and must leave before the seasons are over. Mr. Phillips and Mrs. Packard voted against the motion.

Four new teachers were elected by the Board. Miss Ruth Countryman, LaPorte City, Iowa; Mr. Gerald C. Phillips, of W. Glover, Va.; Mr. Charles Fisher; Miss Vera Gardner, of Factoryville, Pa.

Permit was granted for the use of the High School on Friday, May 26th, for a recital by pupils of Mrs. Clara Brown and to the Parent Teacher Association for a meeting of the Atlantic County Council, for an all day meeting on Saturday, May 26th.

The Board received notice of the forwarding of a voucher for \$1814.47 a payment by the State toward the cost of the Manual Training Department.

Report of Dr. J. C. Miller, Medical Inspector, showed a total of 934 examinations made to date and that eighteen mental defectives had been found. The Board authorized the payment of one-half the salary for the unexploded town to Dr. Miller, balance to be paid at end of the school term.

After some discussion the Board passed a motion to put a clause in the teacher's contracts, for those not having tenure of office, providing that the contract may be terminated by either party by giving sixty days notice to the other party.

The Board hereafter, until the end of the daylight saving period, will meet at 7:30 P. M. standard time.

KIWANIS BACKS BASE BALL

Roemer Wins Novel Prize

Before a large and interested gathering, The Rev. George E. Burlingame, of Los Angeles, Cal., delivered a very fine address before the regular weekly meeting and luncheon of the Kiwanis Club in the Jackson House, on Tuesday noon. His subject was "Transmission of National Heritage" which dwelt upon the drama of human life. The address was so thoroughly enjoyed that a rising vote of thanks was accorded Mr. Burlingame.

The request of the Hammonton Baseball Club, at last weeks meeting, that the members of the Club give both their financial and moral support to the team this season, was overwhelmingly granted, and a sum raised which will enable the team to hire a good "battery" which they are very weak in this season.

Delegates were appointed to attend "Charter Night" to be held in Camden.

Those who attended the Inter-City Kiwanis Dinner held in the Bellevue Stratford Hotel, Philadelphia, on Monday night last, reported "some time". Four of the nine members who attended won "attendance prizes". They were William Galpen, William Roemer, Samuel Anderson and Charles A. Berry. It was conceded that "Bill" Roemer won the best prize, which was a two-weeks sojourn to Ocean City for himself and wife, with all expenses paid, even to all amusements free. Some excited member there, offered "Bill" the silk shirt he had just won and \$50.00 for "Bill's" prize, but "Bill" said, "It's worth more than \$50.00 just to find out what the wild waves are saying". The members who attended the Inter-City were, Samuel Anderson, Dr. J. A. Waas, William Galpen, William S. Smith, H. O. Packard, Rev. Charles O. Mudge, William Roemer, Charles A. Berry and Samuel Bank. They all want to attend the next dinner and see if they can't win a prize "Like Bill won".

COUNTY LEAGUE TO OPEN HERE JUNE 2nd.

The third meeting of the newly organized Atlantic County Baseball League, which was held the first part of the week in Atlantic City was well attended and a big amount of the right kind of spirit shown by the various clubs. The playing schedule which was presented at the meeting shows that the first game will open in Hammonton on Saturday June 2nd. The League will have neutral umpires and all the Clubs are claiming a string of first class players. The Clubs who will start in the race for the championship of South Jersey are: Atlantic City Egg Harbor, Hammonton, Mays Landing, Pleasantville, and Somers Point. The local Club has a very likely bunch of players to pick from which includes: Riley, Montgomery, Hatchler, M. Craig, T. Craig, Rubbs, Stockwell, Holder, Jacobs, Blazer, Esposto, Patton, Cappuccello, Piaz, and Turner. With the above list of players to select from and the fact that the Hammonton Kiwanis Club has guaranteed their support in securing a suitable "battery" for the season, there seems to be no reason why Hammonton should not at least be in the first division at the close of the coming season.

Report on Georgia Peach Crop

Mr. Anthony Rice has received from a growers exchange in Georgia a report on prospects for the peach crop in that State. As a subject of interest to our readers we publish it below:

Big to say that a careful canvass of the Georgia territory indicates that there will be in the neighborhood of 7,000 carloads of peaches in Georgia in the territory south of Macon, Ga., and about 1,200 cars in the territory north of Macon. We have a much heavier crop of 13 carloads this year than we had last year, and Elliott's our principal variety. Georgia Bell and Unexcel have good crops, but we have short crops of Hill and Gemma.

Walker Homestead Destroyed

Fire of unknown origin destroyed the old Walker Homestead on Walker Road, on last Friday afternoon. The place which is a large 14 room house is now owned by Fred Mowley, who uses it for his pickers to live in. The fire was beyond control upon the arrival of the firemen, who confined their efforts to saving an adjacent barn and a large pile of peach tree roots. The loss was made somewhat greater owing to the fact that carpenters had just completed putting a new shingle roof on the house that noon.

A Packard single six sedan has been delivered to Mr. A. J. Rider by Mr. Phillip Weacout.

PROCLAMATION

To The Hammonton Public.

The following was adopted by Council at a special meeting held, April 30th, 1923.

WHEREAS, what is commonly termed "DAY LIGHT SAVING TIME" has been practically adopted by the cities of Philadelphia, Camden, Atlantic City, and other municipalities in South Jersey; and

WHEREAS, the Railroad schedules for arrival and departure of trains have been advanced one hour thus practically co-inciding with "Day-Light Saving Time".

THEREFORE BE IT RESOLVED by the Mayor and Town Council of the Town of Hammonton that the observance of "Daylight Saving Time" be and hereby is recommended to the residents of the Town of Hammonton.

By order of the Mayor,

W. R. Seely, Town Clerk.

A NARROW ESCAPE

Russell Brown and his wife had a miraculous escape from death, on Sunday night, April 29th, about 7 o'clock, at the 12th Street crossing of the Reading Railroad. Russell had just left the office of the Reading Station, where he is employed, and proceeded home in his car. The gates were down for a northbound train, which held up Brown's and several other cars. The gates were raised after the train had passed, and several cars passed over the tracks. A southbound extra which the gateman did not see, came thundering down upon Brown as he started to cross. Realizing that he could not get across in time, Brown started to reverse his car, but too late to avoid being struck a glancing blow by the on-rushing engine. The car with its occupants was hurled sideways and away from the train, turning completely over. Save for a few minor scratches and bruises the Browns were unhurt. The front of the Ford car was completely demolished.

Women's Democratic Club Opens Headquarters

The Women's Democratic Club of Hammonton officially opened their headquarters in the Baker Building, Central Avenue, on Saturday afternoon, April 28th. Mrs. Ethan P. Westcott of Collingswood and Mrs. Raymond Dones, of Merchantville, addressed the ladies upon various political topics. The chancing off of the Ladies White Gold wrist watch was the occasion for much interest. Little Alex Wetherbee held a large basket containing the chances while Little Florence Westcott drew the winning number. The winner of the watch was August Strohl of Bellwood Avenue. It was planned at the meeting to have the headquarters open, at least a part of each day. Meetings will be held on the first Tuesday of each month.

Baseball Club to Meet

A meeting of the Hammonton Baseball Club will be held in the Rod and Gun Club on Monday evening, May 7th at 8 o'clock. Matters pertaining to the running of the Club for the coming season will be taken up and discussed. All members and friends who are interested in the success of the Club are invited to be present and help with their suggestions. Support in the thing that makes a thing like this a success, so come out and support your home team.

Eastern Star Supper

The May Supper given by the Hammonton Chapter No. 34 O. E. S. given on Tuesday evening, May 1st, in Masonic Hall, was a very successful and well attended affair. The food was of the best and well served. Following the supper, an entertainment was presented and a silver offering taken.

WHAT IS THE MATTER WITH HAMMONTON.

My Dear Mr. Editor:

So much has been said about the evils existing in Hammonton, that I feel constrained to say something about the good things existing in our little town. We have excellent schools, faithful church-workers, honest and efficient business men, a most excellent Red Cross Society, American Legion, Civic Club Chamber of Commerce, Kiwanis Club Parent Teacher Association, and people of wealth and influence who are giving of their means and trying to do all in their power to help in every good cause and further the interests of Morality and Sociability among the people of our town. The wealthiest and busiest women of our town ply the needle, with their own fingers, in making garments for the needy and sending generous contributions to our homes and orphan asylums.

The poor of our town are well cared for and every worthy case receives attention. Our business houses all endeavor to give the people a square deal.

Our Boy Scouts and Campfire Girls are doing a splendid work and are receiving such training as will make them better men and women in the noble work of alleviating human suffering.

While there may be room for improvement, I believe that our town officials and police force are trying to do their best in the performance of their duties. We have no right to expect perfection of them. There is no such thing as a perfect preacher, a perfect Church, perfect town officials and perfect town organizations. When we arrive at such a state of perfection this old earth will give place to heaven where only such a condition can possibly exist.

If any official or citizen of Hammonton is not doing his duty, why not try to help and encourage him instead of knocking him at every opportunity which may arise. Why not try to "boost" Hammonton instead of "knocking" her?

The writer of this article does not wish to be understood as criticizing anyone who is honestly trying to help remedy any existing evil or who is working for honest reform. Instead of relaxing our efforts in this direction, let us increase them, but in the name of all that is good and reasonable, let us hunt up and emphasize the good things. Let us not develop prejudice and pessimism by hunting up the evil things and forgetting the good. Give a dog a bad name and it will stick to him. It is precisely so with a town. When a man says Hammonton is bad and undesirable place to live I believe he lies. The trouble is that many study the evils of the town in which they live, but are utterly ignorant of far worse conditions existing in other towns.

Another thing; Let us do everything within our power to create the best feelings of brotherly love between our various nationalities. Let us not forget the Italian people of Hammonton have been a strong factor in making the town what it is at the present time. The Italians fought as bravely and nobly in the World War as any other nation. They are educated in our public schools become naturalized citizens and hold their own in all departments of education and business life. We associate with each in social affairs and deal with each other in business. As far as religion and politics are concerned, every man has a right to his own opinion. If we are Christians in the name of Him who loves every soul that He has created, let us get rid of the abominable prejudice, criticism, and pessimism that in time will ruin every town that encourages it, and let us have some heart thills of patience, love and kindness for our fellow men.

And now abideth faith, hope, love, but the greatest of these is love.

What is the matter with Hammonton?

I answer, "We have too much 'knocking' and not enough 'boosting'. Any fool can 'tear down', but it takes a wise man to 'build up'."

Edward A. Hook.

UNION LEAGUE

Celebrates "Charter Night".

PROTEST PROPOSED BRIGANTINE DEVELOPMENT BY FREEHOLDERS.

The Hammonton Union League celebrated "Charter Night" in Odd Fellows Hall, at their regular monthly meeting, Tuesday evening May 1, last.

The League is now incorporated under the laws of the State and the charter will be open for a period of 60 days for the admission of new members.

Much business of importance was taken up at this meeting including the election of the Board of Directors who serve for one year.

Various civic problems were discussed as well as County affairs and the members voiced their opinions very strongly against the proposed Brigantine Beach development by the County Board of Freeholders.

Councilman Harry Mottola introduced the following resolution which was adopted by a unanimous rising vote after a heated discussion.

"WHEREAS certain real estate promoters and speculators have petitioned the County Board of Freeholders to construct bridges and improved roads connecting Atlantic City with Brigantine Beach, and;

WHEREAS, the Board of Freeholders at their last regular meeting authorized the preliminary survey for this project which total cost is estimated to be upwards of a million dollars, we the members of this League in meeting assembled do hereby,

RESOLVE, to record our protest against the spending of the County taxpayers money for an improvement that is both costly and unnecessary, and,

BE IT FURTHER RESOLVED, that copies of this resolution be forwarded to our local Freeholders and a copy to the County Board of Freeholders."

In view of the increase in the local tax rate this year the members of the League view with alarm further expenditures of the County Board which already has quite a reputation for its extravagance.

The members were instructed to approach the local Freeholders and register their protest or in no amicable terms.

The League will take action on several local municipal projects including the proposed new Town Hall at their next meeting.

SOCIAL HAPPENINGS

Many Enjoy "A Night in Shanghai"

The Cabaret Dance, "A Night in Shanghai" given by the Original Novelty Five, on last Friday evening in Myers' Hall, was a very delightful affair, and much enjoyed by those who attended. The Hall was decorated with Chinese lanterns, with streamers of crepe paper extending from a large parol in the center to the lanterns at the sides. Musical and vocal numbers were rendered by Miss "Pat" Mason, Robert Strouse, and Houck and Bert. All were called out for an encore. The catering was done by Joseph Heck, who made every effort to please. Another of these dances will probably be given on Decoration Day. Among those seen on the floor and at the tables were:
Mr. and Mrs. Nat Black, Mr. and Mrs. Charles Pitting, Mr. and Mrs. Eugene Hooper, Mr. and Mrs. Tom Wood, Mr. and Mrs. Howard Monfort, Mr. and Mrs. Charles Houck, Mr. and Mrs. Howard French, Mr. and Mrs. Wesley Vaughn, Mr. and Mrs. Oscar Rogers, Mr. and Mrs. John Gallene, Mr. and Mrs. Bert McDonald, Mr. and Mrs. William French, Mr. and Mrs. Wilmer Crane, Mr. and Mrs. Louis Purchase, Mr. and Mrs. Earl Dore, Mr. and Mrs. Byron Davis, Mr. and Mrs. Davis Bellamy, Mr. and Mrs. William Gardner, Mr. and Mrs. Kind, Mr. and Mrs. David Adams, Dr. and Mrs. Clifford J. Campbell Bros. Circus
Campbell Bros. Trained Wild Animal Shows will give two performances, afternoon and night at Hammonton, Wednesday, May 9th, and Thursday, May 10th.
This season the management has spared neither time, effort, nor expense in providing a diversified program of entertainment with all objectionable features eliminated. Animal features predominate but do not by any means form all of the program.
Among the numerous trained wild animal acts is Lucy, the trained elephant, who was featured at the Times Square Theatre on Broadway in New York City. Then there are Man-eating, ferocious African Jungle Lions in their steel arena, educated horses, trained dogs, monkeys, snakes, a prize-winning and most beautiful mule in the world.
Among the various features offered are wire-walkers, aerial acts, jugglers, trapeze artists, iron-jaw and butterfly-in-the-air acts, and a myriad other novelties and features.
The buffoonery of the clowns will keep the audience in paroxysms of laughter. A uniformed silver band will dispense music that will delight the hearts of the most discriminating and a program of undispensed excellence is promised.
Don't forget the day and date. Come and see the free outside exhibition at the show grounds one hour before each performance.

Russell Loveland, one of Hamptonton's former boys, is visiting in town for a few days. Russell has just been appointed by Judge Clarence R. Pettit, to Sergeant at Arms of the District Court, in Atlantic City.
