seliable for all grains and grasses, and is pronounced the finest quality for gardening and fruit relaing. It is a marine deposit, with a marly sublands mixed all through it in a very comminuted form, and in the exact condition to support plants with proper farming it is very productive and profitable, early worked, and warm and early. The lay of the land is slightly undulating, and is called level; it is free from stones or rocks.

#### IT IS THE BEST FRUIT SOIL IN THE UNION.

Pears, Peaches, Apples, Quinces, Cherries, Blackberries, Raspherries, Grapes of all kinds, and all other fruits are raised here in immense quantities, and they are sought after by the dealers and commany the best prices in the markets.

#### HAMMONTON IS ALREADY CELE BBATED FOR ITS FINE PRUITS AND WINE

From two hundred to five hundred dollars is cleared, fractrom all expense, per acre in the fine fruit culture. Sweet Potatoes, Melous, and all the finer Vegetables delight in this soil; this branch of familing pays much better than grain raising, and is much easier work.

#### THE MARKET

is unsurpassed; direct communication twice a day to Philadelphia, New York, and Atlantic City. The Reilroad Company leaves cars here to be filled with fruit every day in the season; they are filled is the afternoon, and the same night or next morning by daylight are in the market, where the highest cash prices are obtained, without any other trouble to the producer than delivering the produce to the car. None of the land now offered is over one and a-half miles from the Railroad.

THE CLIMATE is mild and delightful the winters being short and open, out-door work can be carried on nearly all winter, whilst the summer is so warmer than in the north. Persons wanting a change for health will be satisfied here -the mildness of the climate is soon beneficially felt by delicate persons and those suffering from Dyspepsia, Pulmonary affections, or General Dobility, as hundreds here will testify: This section has long been known for its health, and during the summer months tens of thousands flock for health, No Missma, Chills and Fevers in this section.

#### THE WATER IS PURE AND SOFT, of the best quality. It abounds in streams and is found by digging from ten to thirty feet, He are cheaply made here, as there is no rock to

go through. We have the best stores in the county, where goods are sold as cheap as they are in Philadelphia or New York. Good schools with competent teachers, Clergymen of all denominations reside here, some in charge of congregations, others cultivating the fruits; also a number of retired Physicians. The Methodists, Runtlata, Universalists and Spiritvalists have their services regularly. Mills

#### convenient-Reliable practical nurserymen who furnish all kinds of trees, plants, and vines at the lowest prices.

The population of this settlement is large and rapidly increasing; it is composed of the best classes from New England, the Middle and Western States,-intelligent, industrious, and moral. The buildings are neat and handsome, and some of them fine. All materials for building, improving, Ac., at hand; also reliable mechanics who will give entistiction. Every convenience to be had that can be found at any older place. Persons ewning properly here obtain tickets of the Railroad Company to and from the city, at a discoun of twenty-five per cent. on the regular farc.

The lands have been examined by some of the best agriculturists and fruit growers in the country, who pronounce them the best in the United States for fruit growing. Mr. Solon Robinson, the agricultural editor of the New York Tribune; Dr. I. P. Trimble, the State Entomologist, Mr. John G.
