The apple worm is one of the greatest nuisances our people have to contend with; especially where an occasional orchard is neglected. We have in mind three places in town where these pests have been allowed perfect freedom, and to-day some trees have not a whole leaf remaining, and the blossoms are entirely destroyed. This is not the worst of it, either, for the full-grown worm is a rapid traveler, and every neighbor has his work many times doubled, to protect his trees from these lawless foragers. We believe these careless proprietors can be held legally responsible for maintaining a public nuisance by their negligence.

There is evidently more general interest in the raising of poultry than in the organization of a National Band. About fifty gentlemen and ladies attended the meeting, Wednesday evening, to consider the propriety of organizing a poultry association, with objects similar to those of the Fruit Growers' Union, i. e., co-operation for mutual benefit. Mr. Geo. W. Freese was chosen temporary chairman. P. H. Jacobs was called upon, and gave his idea of the proposed organization. During the discussion, Mr. Freese said: "I have been shipping broilers to Philadelphia, and receiving 35 cents; to-day I learned that New York men would have been glad to pay me 50 to 75 cents for the same birds. When organized, we shall know all such things in time to profit by them." A committee of three - Messrs. P. H. Jacobs, M. DePuy, and George W. Freese - were elected to prepare a constitution to report at next meeting. Adjourned, to meet on Thursday evening next, May 27th.

Grand Army Post Orders. HEADQUARTERS D. A. RUSSELL POST, No. 63, G. A. R., Dept. of New Jersey, Hammonton, May 16th, 1886.

COMRADES - In compliance with the Rules and Regulations and General Order from Department and National Headquarters, Monday, May 16th, 1886, will be observed as Memorial Day. 2nd. In view of the fact this Post has since its organization, on each Memorial Day, performed the decoration ceremony at Elwood and Pleasant Mills, which, coupled with the duties devolved upon it at this place, has necessitated an arduous task; and also the fact that a small detachment has over visited Winslow, this Post will confine its duties, on May 31st, to decorating the graves of our deceased comrades which are located in Winslow and Hammonton.

3rd. Comrades living at Pleasant Mills, Columbia and Batsto will constitute the detail to decorate at Pleasant Mills, with Comrade George W. Huntsman in command. 4th. Comrade John Miller is hereby detailed for Green Bank and vicinity. He will make his own detail for that place. 5th. Comrades at Elwood will constitute the detail for that place, with Comrade P. F. Sweet in command. This detachment will decorate at Weymouth, and upon their arrival there will report to J. V. C. Galbraith, if present, who will assume command. 6th. Comrade W. E. Starfield is detailed to decorate in his locality. 7th. Comrades in command of the several details will ascertain the number of graves decorated by their respective commands, and report the same to these headquarters.

8th. All comrades not included in the above details, and members of the Post Band, will assemble, in full uniform, at Post headquarters, on Monday, May 31st, at 8:30 A. M. sharp, to proceed to Winslow to decorate at that place at 10:30. 9th. Comrades will re-assemble at 1:30 P. M., to proceed to Greenmont Cemetery to perform the decoration ceremony at 2:30; and proceed from thence to Oakdale Cemetery. Time at the latter place, 4:30. Comrades of other Posts living within our limits are cordially invited to join with Post 63 on this occasion. By order of P. H. JACOBS, Adj.

General Order No. 2. Comrades and members of Post Band will assemble, in full uniform (Band with instruments), on Sunday, May 30th, at nine o'clock A. M., to proceed to the M. E. Church for the purpose of attending memorial service. By order of P. H. JACOBS, Adj.

The Baptist Sunday School gave a very appropriate concert exercises last Sunday evening. The title was "Sowing and Reaping." There were recitations by individuals and by class, an address by the Pastor, and considerable singing. The church was well filled. The driver of a team belonging to a smoked-meat dealer, which visits this and neighboring towns, left his horses at the pump near the railroad, while he went into Titon's store. The Hammonton Accommodation train came along just then, and frightened the horses. The driver grasped the bridle as soon as he could reach it, but the team turned so right in a sharp circle, just missing the corner of DePuy's store. About that point the man was thrown, one horse stepped upon him, and two wheels of the wagon passed over his chest. Dr. Edw. North was called and examined the man, found no broken bones, but the injuries must be very severe, as the patient was unconscious for a time, and afterward suffered intensely. When we consider that the wagon weighs 1500 pounds, and contained some 1500 of meat, we wonder that death was not instantaneous.

The Special Town Meeting, last Saturday, attracted very little attention. The issuing of bonds was not opposed by any one, and it looked as though few considered the necessity of locating a ballot on the subject. The election board was organized at 7 A. M. On Monday, fourteen ballots had been counted. At the hour for closing the polls, 7 P. M., just forty-eight citizens had exercised their high prerogative, and counting developed the fact that every vote was in favor of the proposed bonds. At 2 o'clock the Town Clerk called the assembly to order and read the official call for an open town meeting to consider the question of accepting and opening a proposed extension of Union Road. Mr. E. R. Sproule was elected chairman; A. J. Smith, secretary. After explanation of route, etc., the road was unanimously accepted, and \$500 was appropriated to pay damages and opening expenses.

\$25 Reward. The above reward will be paid for evidence that will lead to the detection of those young men who dared to disturb the young ladies' prayer meeting at the M. E. Church, last Monday evening, May 17th. L. MONROE, President of Board of Trustees.

DR. JOHN BULL'S
Smith's Tonic Syrup
FOR THE CURE OF
FEVER and ACUE
Or CHILLS and FEVER,
AND ALL MALARIAL DISEASES.

The proprietor of this celebrated medicine justly claims for it a superiority over all remedies ever offered to the public for the SAFE, CERTAIN, SPEEDY and PERMANENT cure of Ague and Fever, or Chills and Fever, whether of short or long standing. He refers to the entire Western and Southern country to bear his testimony to the truth of the assertion that in no case whatever will it fail to cure if the directions are strictly followed and carried out. In a great many cases a single dose has been sufficient for a cure, and whole families have been cured by a single bottle, with a perfect restoration of the general health. As a, however, prudent, and in every case more certain to cure, if its use is continued in smaller doses for a week or two after the disease has been checked, more especially in difficult and long-standing cases. Usually this medicine will not require any aid to keep the bowels in good order. Should the patient, however, require a cathartic medicine, after having taken three or four doses of the Tonic, a single dose of BULL'S VEGETABLE FAMILY PILLS will be sufficient.

BULL'S SARSAPARILLA is the old and reliable remedy for impurities of the blood and Scrofulous affections.

Mr. Phelps, of New Jersey, is the most careful and generally one of the most correct of speakers, but he was tripped up the other day by a member from Texas. "These bills have lain on the table for months," said Mr. Phelps. "Would it not have been better grammar to have said 'these bills have lain on the table'?" the Texan asked, and Mr. Phelps gracefully acknowledged that it would.

This happened in the committee on Foreign Affairs, of which both are members, early in the session and the member from New Jersey bided his time. It came with the time to discuss the silver bill. The member from Texas, waxing warm in his elucidation of a great financial truth called out to the House: "What difference is there between my note and the Government's?" He paused effectively, when Mr. Phelps' voice was quietly used in answer; "The Government note would pass, and yours wouldn't." They shook hands and called it quits.

Know Ye! Know Ye All! Men, women and children—that the great staff of editors who, headed by Dr. George Thurber, have kept the "American Agriculturist" at the front for twenty-five years, are now re-informed by Chester P. Dewey, Seth Green, and other writers. We propose to add to the hundreds of thousands of homes, in which the

AMERICAN AGRICULTURIST

is read and revered, from the Atlantic to the Pacific, as an old-time friend and counselor. We are accordingly enlarging the

Hearth, Household, and Juvenile Departments, and adding other features, so that it is to be, from this time onward, essentially a Home Periodical, as well as being devoted to Agriculture and Horticulture. Every person who immediately sends us \$1.50, the subscription price, and 15 cents for postage book—\$1.65 in all—will receive the American Agriculturist for 1886, and the American Agriculturist Business men, Manufacturers, etc., enabling every one to be his own lawyer. It is a large volume, weighing one pound and a half, and elegantly bound in cloth and gold.
