A Memorable Day.

Monday was doubtless one of the greatest days in Hammonton's history. The decoration of graves at the cemeteries by the Legion and their friends, was accompanied by light showers; but at noon the sun came out, drawing the crowds to the swelling ceremonies.

These were most impressive. The bands were excellent and the presentation and speeches were certainly enjoyed by the thousands who had assembled.

Flags were seen everywhere, and the spirit of patriotism at the highest point ever seen in Hammonton.

The handsome monument was admired by all.

The singing by pupils, under Miss Beebe, was especially inspiring and enjoyable.

Another Drowning.

William Scoville, aged twelve years, of Nesco, was drowned while swimming with a companion near the new road at the Dam, on Wednesday afternoon. Every effort was made to rescue him; but it was not until two hours later that a diver, from Camden, brought up his lifeless body.

Coroner and Mrs. Cunningham were assisting in the rescue; but life was extinct. All Hammonton grieves with the sorrowing parents and other members of the family, who have been residents in this vicinity but one year.

ON THE SCREEN

Palace Theatre To-Night.

Jack Pickford, "The Man Who Had Everything."

A blind beggar turned the tide in the life of "The man who had everything." The blind man said, "This is my curse,—'May you always have everything you want.'" This is a story with a theme that will grip you hard, and make you think.
Doors open 5.45, show commences 6 o'clock. Admission 20c. Chester Comedy. — "Going Thru the Rye."

Program for Week of June 6th.

We begin our week of big surprises with an all around favorite, Conway Tearle, followed by Eileen Percy, Mary Miles Minter, Frank Mayo, Hobart Bosworth, House Peters, Florence Vidor, rounding out with no less a celebrity than Buster Keaton in his latest success, "Neighbors."

MONDAY: Conway Tearle, "The Road to Ambition."

The story of a man who was not satisfied, to whom the finger of ambition beckoned—and who answered the call. The way was not always easy, but guided by love he overcame all obstacles and arrived where there is always room, at the top. A photoplay that will send you home with renewed vigor to go forth and battle with the problems of life.

Episode Three, — "Son of Tarzan."

TUESDAY: Eileen Percy, — "Big Town Idea."

Bray Pictograph. Fox News.

WEDNESDAY: Mary Miles Minter, "Eyes of the heart."

Laura, a blind girl, lived in squalid quarters in Dunn's Court. The shady characters in whose care she had been placed when a baby, in trying to be kind to her, had drawn rosy pictures of her home and surroundings. Imagine her grief and shock when her sight was restored, and she saw with her eyes, instead of with her heart; but all came right in the end, in this heart gripping drama of a young girl's faith—"The eyes of the heart," in which Mary Miles Minter, "The sunbeam of the screen" has made the greatest success of her remarkable career.

Century Comedy, — "Harem Scarem."

THURSDAY: Frank Mayo, "The Magnificent Brute."

Here's a picture as mighty and swift in action as the towering pines and the turbulent streams among which its virile characters move. Life in the raw, life as men live it under the law of might and right, is dramatically lived in a compelling story with backgrounds whose scenic grandeur alone make it worth the price of admission. Don't miss it.

Episode — — — Three, "Son of Tarzan."

FRIDAY Special: House Peters and Florence Vidor,

"Lying Lips."

What are "Lying lips?" One might just as well ask, "What wrecks shimmering castles of dreams? What destroys fondest hopes? What turns men and women into spiteful, cynical persons?" The answer is plain, "Lying lips." Oh, the light that lies in woman's eyes, and lies, and lies, and lies! That's the cry of the world—at ways the woman! From dawn to dusk, through beckoning valleys of romance to the final hour of mortal judgement, woman is placed on the auction block to bear the burdens of destiny designed by the mind of man. But there is a reckoning as inevitable as the law of life, as sure as the bonds which brought Nancy Abbott and Blair Cornwell triumphant to the gates of eternal life, and love. In this story of women of the world you will open the innermost chapters of humanity; you will see things that you have never seen before. You'll be thrilled and amazed over the swiftly moving events which include spectacular scenes seldom equaled even by the prowess of the magic screen. This picture was sergened in Philadelphia for its regular run, and was so satisfying it was recalled for another week's showing—a circumstance which speaks volumes.

Florence Vidor

Rolin Comedy, — — — "No Children."

Admission 20c

SATURDAY: Hobart Bosworth, "His Own Law."

A story of true and loyal friendship, involving the keeping of shattering of God's great gift, the pure love of a woman. It is a picture that will stir you to an intensity of hatred and the next moment dissolve you to tears and regrets.

Buster Keaton Comedy, — — — "Neighbors."

Doors open 5.45, admission 20c.

Eagle Theatre To-night

Dorothy Phillips, "Once to Every Woman."

What comes "Once to every woman." Is it clandestine love? Is it love at first sight? Is it temptation? Is it self-sacrifice? Is once enough? Why does it come? Ask your wife—the knows—ask your husband—he knows, or better still, come and see Dorothy Phillips, and then you'll all know. Come early—Come early—Come early.

Doors open 7.15, Admission 20c.

"Chester Comedy, Going thru the Rye."

TUESDAY: Special Cast, — "Nobody's Girl."

Hank Mann Comedy, — — — "Chiff Dweller."

SATURDAY: Ina Claire, — "Polly With a Past."

Polly was so pretty that any woman would have suspected tight old that she had a past, and she was good fellow enough to admit that she had one. But when asked to live up to it, well Polly wouldn't, at first, anyway. Later developments however, are so startling you would better get that part of it fast hand.

Chester Comedy, — — — "April Fool."

Doors open at 7.45. Admission 20c.

American Legion Notes.

To the organizations and people of Hammonton, —

F. A. Enston Post, 186, American Legion offers its sincere thanks for the wonderful co-operation extended on Memorial Day.

To The G. A. R., the Moose Band, the Women's Auxiliary, D. A. R., Major S. S. Underwood Commanding Officer at Amato, the Civic Club, Boy Scouts, Chamber of Commerce, Town Council, P. O. S. of A., P. O. of A., Daughters of Pocahontas, and other organizations and individuals of Hammonton who so willingly gave services:

We feel very grateful for the many acts of kindness shown in the form of acts and gifts, made possible by the loyal people of Hammonton.

F. A. Enston Post, 186. Remember Fourth of July is not far off. Citizens of Hammonton, let's get together and make this a real Fourth.

Our Country, Our Flag, Our selves.

Our Flag represents our country. Our Country is our protection and we protect Flag and Country.

Is there any citizen or one living in Hammonton who does not know the respect to be shown the Flag when being carried, as in a parade?

Do not disgrace yourselves, town and country by allowing the colors to pass before you while you remain seated or fail to salute, if standing.

Many were noticed acting in this way on Memorial Day. This is a disgrace of the worst kind. There can be no excuse offered by anyone who acted in this manner, especially after what our Country has recently passed through.

We know you all claim to be Americans and are proud of it. If you are, show it not only by words but by actions. Remember "Actions speak louder than words."

Be Americans from the ground up. Stand up, salute that Grand Glorious Flag that means so much to each and every one of us, and be proud of the opportunity.

Committee of Arrangements, E. M. Davis, Chairman.

Funeral services will be held on Sunday afternoon for Nicholas Ciliberti, an American soldier who died overseas and whose body was returned to this country, reaching Hammonton Wednesday A. M.

There will be services at his home on First Road at 2 P. M., followed by services in St. Joseph's Church. Internment will be in Greenwood Cemetery.

The American Legion Post will conduct the military funeral services. The Moose Lodge with Band will take part. Other organizations are invited to join in honoring our departed comrade.

Relatives and friends are invited to attend these services.

Organizations will meet at School Park at 1.30 promptly.

The New Hall.

A meeting of stockholders in the new hall will be held on Thursday evening, June 9th, at 8.00 o'clock, in Doerfel's Insurance Office.

This meeting is called for the purposes of voting on site and electing incorporators. After these two steps are taken, the incorporators are qualified to elect officers and directors, and all further proceedings in building the hall can be carried out without assembling the stockholders.

The legal part essential in these matters will be ready at the required time. The stock in this hall being paid up stock, it is non-assessable afterward.

Various sites have been considered and some abandoned by the committee for good reasons so that the list of sites has narrowed down to three, each of which has its advantages for this proposition.

Hammonton needs a hall, and could have one but we can not build a hall without the authority to do so. This authority must needs come from the stockholders.

We now require incorporators elected by the stockholders, and then we can build a hall. If they do not come out and vote this authority, we get no hall even after all the work that has been done on the proposition.

Much time has been lost in waiting for such action, and some stockholders may think that having subscribed their money, let those directly working on the hall proposition go ahead and build it. That is all right in the main, and they will build it after the stockholders vote in the authorized incorporators but unless they come out and do this at one meeting the hall will die on our hands because of inaction of the stockholders.

Who then, to be frank, will be to blame for Hammonton not having a hall? Not the man who solicited the money, not the committees who have worked out the proposition; but the body of stockholders who failed to vote the authority when called upon for the last time to do so.

Failing to do so, on June 9th, what reply would one who had worked for it feel like making to those who next winter find fault because we have no hall? To those who are saying, "Is it not too bad we do not have a Hall? Why doesn't Hammonton, a progressive town, build a hall? What pleasure is there in coming to this old barn of a hall and nearly freezing to death? If I did not have to climb stairs and squeeze into a small seat I would attend the Lyceum Course, etc., etc."

You have heard many expressions similar to these, and are apt to hear them again. If you hear them again, the safest, unless you wish to risk making a warmer one, will be, "The stockholders in a new hall failed to interest themselves far enough to vote authority after subscribing their money."

Well, June 9th is the time, at 8.00 p. m. If stockholders are prompt, thirty minutes will do the trick; and then those who care to, can sit back and watch the dirt fly.

Wm. J. BRAMAN, Present Chairman.
