The soothing and restorative effects of Ayer's Cherry Pectoral are realized at once in all cases of colds, coughs, throat or lung troubles, while its far-reaching and powerful healing qualities are always demonstrated in the most serious pulmonary disorders.

"Whiskey did it, but I'll never touch another drop," said the murderer on the gallows as the Sheriff pulled the strap.

Jersey waists and Jersey cows are all popular just now. But the old prejudice against Jersey mosquitoes still exists.

Rheumatism, disordered blood, general debility, and many chronic diseases pronounced incurable, are often cured by Brown's Iron Bitters.

Attorney General Stockton has given an opinion to State Prison Keeper Laverty that a prisoner's term begins at the time of his incarceration, and not upon the date of his sentence. The reverse has been the custom of the prison, even when convicts have remained at large for a long time awaiting the trial of writs of error and other dilatory proceedings.

AYER'S PILLS.
A large proportion of the diseases which cause human suffering result from derangement of the stomach, bowels, and liver. AYER'S CATHARTIC PILLS act directly upon these organs, and are especially designed to cure the diseases caused by their derangement, including Constipation, Indigestion, Dyspepsia, Headache, Dysentery, and a host of other ailments, for all of which they are a safe, prompt, and pleasant remedy. The extensive use of these PILLS by eminent physicians in regular practice, shows unmistakably the estimation in which they are held by the medical profession.

These PILLS are compounded of vegetable substances only, and are absolutely free from calomel or any other injurious ingredient.

A sufferer from Headache writes: "AYER'S PILLS are invaluable to me, and are my constant companion. I have been a severe sufferer from Headache, and your PILLS are the only thing I could look to for relief. One dose will quickly move my bowels and free my head from pain. They are the most effective and the easiest physic I have ever found. It is a pleasure to me to speak in their praise, and I always do so when occasion offers."
W. L. PAGE, of W. L. Page & Bro., Franklin St., Richmond, Va., June 3, 1882.

"I have used AYER'S PILLS in numberless instances as recommended by you, and have never known them fail to accomplish the desired result. We constantly keep them on hand at our home, and prize them as a pleasant, safe, and reliable family medicine. For DYSPEPSIA they are invaluable."
J. T. HAYES, Mexico, Texas, June 17, 1882.

The REV. FRANCIS B. HARLOWE, writing from Atlanta, Ga., says: "For some years past I have been subject to constipation, from which, in spite of the use of medicinal of various kinds, I suffered increasing inconvenience, until some months ago I began taking AYER'S PILLS. They have entirely corrected the costive habit, and have vastly improved my general health."
AYER'S CATHARTIC PILLS correct irregularities of the bowels, stimulate the appetite and digestion, and by their prompt and thorough action give tone and vigor to the whole physical economy.
