## The Sand-Burr.

This is botanically known as the  
Cenchrus tribuloides, and in common  
parlance as burr-grass or hedge-hog-  
grass, and is characterized by Prof.  
Gray as a "vile weed." It is a difficult  
weed to get rid of, because seed is car-  
ried on the clothes from one locality to  
another; but the war against it would  
be very much more effectual if begun in  
time. It is generally delayed until the  
burr is formed, and then enough get  
detached and left for seed to keep up  
the stock; but if pulled up or hoed out  
now, in dry weather, the plants can  
easily be killed. If every one will do  
this thoroughly, the stock will soon be  
greatly reduced.

I am occasionally reminded that I do  
not "practice what I preach," and I  
wish just here to say that it does not  
invalidate good advice if I do not always  
follow it myself; but in this case I have  
set the example in advance, by having  
all the sand-burrs dug out along the  
grounds belonging to the Universalist  
Society. How many will follow it?

WM. F. BASSETT.

The recent advance in the price of  
sugar was caused by the great "sugar  
trust," a rich combination having for  
its object the accumulation of large  
profits at the expense of consumers.  
Claus Spreckles, the great sugar king,  
is not in accord with the "trust," which  
has resolved to crush him, it is said;  
but he made two millions of dollars out  
of this same "trust," the last few days,  
by getting a corner on raw sugar.

Senator Quay, of Pennsylvania, is  
Chairman of the Republican National  
Committee. Gen. Sewell says: "Mr.  
Quay is the best man for that place, and  
will carry the war into Africa. He is  
the greatest organizer in our party.  
He means aggressive war on the other  
side, and that kind of war which means  
victory."

Three Bohemian Anarchists were  
arrested in Chicago for a conspiracy to  
murder Judges Gary and Grinnell and  
Inspector Bonfield, and to burn down  
the city.

Mr. Randall had another slight hem-  
orrhage Tuesday.

The House on Tuesday debated the  
last page of the Mills Tariff bill in Com-  
mittee of the Whole and Mr. Mills gave  
notice of a final vote on Saturday. It is  
conceded that the bill will pass.

## SHERIFF'S SALE.

By virtue of a writ of fieri facias, to me  
directed, issued out of the New Jersey Court  
of Chancery, will be sold at public vendue, on  
WEDNESDAY, the

20th day of August, 1888,

At two o'clock in the afternoon of said day  
at the office of William Bernhouse, in Ham-  
monton, Atlantic County, New Jersey, all  
those tracts or parcels of land and premises,  
situate in the Town of Hammonton, in the  
County of Atlantic, and State of New Jersey,  
bounded and described as follows, viz:

Beginning at a point in the centre of Fair-  
view Avenue and Third Street; thence (1)  
north forty-four degrees west, about forty and  
one-half rods to the land of one Clark; thence  
(2) north easterly course by line of said Clark  
about twenty-six rods and eleven feet to a  
stake at corner to land of Mary G. Gilbert;

five minutes east, thirty-three rods and fifteen  
feet to the centre of Fairview Avenue; thence  
(4) along the centre of the same, south forty  
four degrees and twenty-five minutes west,  
about twenty-nine rods and eleven feet to the  
place beginning.

Again, beginning at a point in the centre of  
Fairview Avenue, corner of land of Mary G.  
Gilbert and running thence (1) north forty-  
five degrees and thirty-five minutes west  
thirty-two rods and eleven feet to a stake in  
said Gilbert's back corner; thence (2) by the  
line of land of one Clark in a north-easterly  
course about sixteen rods and one-half  
feet to a stake in the line of land of Edwin G.  
Booth; thence (3) by the line of said Booth's  
land south-easterly about thirty rods to the  
centre of Fairview Avenue; thence (4) by the  
centre of the same south forty-four degrees  
and twenty-five minutes west about twenty  
rods to the place beginning; containing in  
the two surveys ten acres of land, be the same  
more or less.

Also, the following tract of land: Beginning  
in the centre of Fairview Avenue, twenty  
north and seventy one-hundredths perches

Fairview Avenue and Third Street; thence  
(1) north forty-five degrees and thirty-five  
minutes west, thirty-six and ninety six hun-  
dredths perches to land of one Clark; thence

east twenty-two and eighty hundredths per-  
ches along said Clark's line to a corner;

five minutes east thirty three and eighty five  
hundredths perches to the centre of Fairview  
Avenue aforesaid; thence (4) along the centre  
of the same south forty four degrees and twenty  
five minutes west twenty two and sixty hun-  
dredths perches to the place beginning; con-  
taining five acres of land strict measure.

Seized as the property of Samuel N. Gilbert  
et als., and taken in execution at the suit of  
Henry R. Volt, and to be sold by

SMITH E. JOHNSON, Sheriff,  
Dated July 20th, 1888.  
JAMES B. NIXON, Solicitor.

It is a queer interpretation of the liquor  
law which permitted all the liquor  
saloons at Long Branch to remain open  
last Sunday while the bars at the regu-  
lar hotels were kept closed. There  
must have been some artistic legal hair-  
splitting somewhere.

Calvin S. Bryce, of Ohio, was chosen  
chairman of the Democratic National  
Campaign Committee.

At the Republican League meeting  
E. W. Sanderson reported on New Jersey  
that "on the tariff issue so distinctly  
drawn there should be no doubt about  
our State, which has a large manufactur-  
ing population. Cleveland received  
4,000 plurality, but this will be wiped  
out by the return of the Republicans  
who voted against Blaine and the ac-  
cession of great numbers of Protection  
Democrats."

### OUR TICKET.

For President, Benjamin Harrison, Of Indiana.

For Vice-President, Levi P. Morton, Of New York.

Now that "dog-days" are near, it wouldn't be a bad plan for our town Board of Health to inspect all water closets, back yards, mildew cellars, etc. Oyster shells, scraps of meat, refuse of all kinds, should be burned, or thrown at least half a mile from any dwelling. All violations of health laws should be reported to the authorities.

As our own Rutherford would say, "the popular side" of Bellevue Av., is the first in the field to curb and cut down and fill up sidewalks to the established grade. Our business street will, when cross-walked and finished, present a neat view from the trains, and be both a comfort to pedestrians and a source of profit to business men.

The prospects for Republican success this Fall were never brighter than now; but Republicans must not rest upon this fair outlook, and lose one day of work, or one opportunity to win a vote; for the Democracy have all the machinery of government with which to battle for their candidates, and will not hesitate to run it to its fullest capacity, besides they have the sympathy and aid of English capitalists, who are very liberal in their contributions to the Democratic campaign fund. Sure, we must fight it we will win.

In a private letter to his nephew, Mr. L. H. Calwell, of Hoboken, John G. Whittier thus writes of the Republican National candidates: I think the selection of Harrison and Morton by the National Republican Convention at Chicago (under the circumstances) the very best that could have been made. They will, if elected, sustain the great principle of protection to American industry and labor against the encroachments and competition of European nations. They will carry out the principles of the Republican platform—the advancement, the elevation and prosperity of the people, the equality of all men, black or white, rich or poor under the Constitution. I see no reason why they will not be elected.

An appalling cloudburst on Thursday evening, at 6 o'clock, near Wheeling, V. Va. destroyed a number of houses, several bridges, and twenty to thirty human lives.

For six years the Democrats have been in the majority in the Lower House of Congress, with which body, under the Constitution, all laws affecting the revenues must originate. During that time the country has seen the surplus revenues increase, until last year they were at the danger point, but the Democratic party have never passed any measure looking to a reduction. This is irrefutable evidence that the party is not fit to be trusted at this time, when the finances of the country need rearranging.

One of the Vice-Presidents of the Beverly Republican Club is George De B. Keim, who was the Democratic candidate for Mayor of Philadelphia against Edwin Fitch.

We have made arrangements by which we may be able to benefit our subscribers occasionally. That is, we will receive subscriptions for almost any paper or magazine published, at club rates. For example, we can furnish Harper's Weekly, or Monthly, Frank Leslie's, Puck, or Judge (each of them \$4 per year) at \$1.50 each. There are thousands of papers on our list; we cannot make any reduction, but we can save your postage and the expense of forwarding money.

Brace Up. You are feeling depressed, your appetite is poor, you are bothered with headache, you are dizzy, nervous, and generally out of sorts, and want to brace up. Brace up, but not with stimulants, spring medicines, or bitters which have for basis very cheap bad whiskey, which stimulate you for an hour and then leave you in worse condition than before. What you want is an alternative that will purify your blood, start healthy action of liver and kidneys, restore your vitality, and give renewed health and strength. Such a medicine you will find in Electric Bitters, and only 50 cents a bottle at Cochran's drug store.

Ready to attend to all calls, day or night. Can furnish anything in this line there is in the market, at lowest prices. Mr. Hood's residence is on Peach St., next to C. P. Hill's.

Orders left at Chas. Simons Livery will receive prompt attention.

### TOWN COUNCIL.

There is much said about what the Council do, and don't do. There are some things that ought to be done,—things that the old Council neglected entirely,—and while the new members will see the necessity for a reform, and if it is in their power, and not prohibited by our Charter, we have no doubt there will be a change for the better. The particular reform we ask for, is of the weather. We have great faith in the Town Council and good weather, and so have provided a good supply of Spring goods, such as

For example, we can furnish Harper's Weekly, or Monthly, Frank Leslie's, Puck, or Judge (each of them \$4 per year) at \$1.50 each. There are thousands of papers on our list; we cannot make any reduction, but we can save your postage and the expense of forwarding money.

Brace up, but not with stimulants, spring medicines, or bitters which have for basis very cheap bad whiskey, which stimulate you for an hour and then leave you in worse condition than before. What you want is an alternative that will purify your blood, start healthy action of liver and kidneys, restore your vitality, and give renewed health and strength. Such a medicine you will find in Electric Bitters, and only 50 cents a bottle at Cochran's drug store.

**The Tribune for 1888**

**GREATLY ENLARGED.**

Much the Biggest of all the New York Weeklies.

Greater Variety of Contents, New Presses, New Type, and New Appliances.

At the Head of the Republican Press.

The New York Weekly Tribune will be enlarged on or before the 1st of January, 1888, by the addition of from four to eight more pages of actual reading matter (an increase of size of great expense to the Tribune, but without expense to the subscriber).

A complete outfit of the new folding and inserting presses will be put into the Tribune's press room in November and December; and the extra sheet will be folded into its place in the main sheet before it comes from the press. The enlarged Tribune will be the biggest sheet of all the New York weeklies, and the new machinery will print it, in the enlarged form, at the rate of seventy-two thousand copies a hour.

New features and a greater variety of contents will be added to the Tribune during the coming year. Readers will be given nearly half more for their money than ever before.

Pensions for the old volunteers, especially Service Pensions, are being vigorously agitated in the Tribune; much space is given in every issue to this subject. Better Protection to Farmers under the tariff; the salvation of the country from the curse of intemperance; and the rescue of the national government from the hands of the rebel brigadiers; these, and all the other live issues of the day are receiving aggressive, earnest and loyal treatment in the Tribune.

The Tribune does not attempt to supersede the local State and County press. But the great Presidential conflict now at hand, every thinking Republican, old soldier, farmer, and temperance man, should have his local paper and the New York Tribune.

Subscription Rates.—Weekly, \$1 a year; extra copy with every five. Semi Weekly, \$2 a year; extra copy with every five. Daily, \$8.50 per year. Sunday Tribune, \$1.50. New subscribers receive the paper until Jan. 1, 1888. Remit always by draft, check, express, or postal money order, or registered letter.

Premiums.—(1) The New York Tribune's History of the United States and Pocket Atlas of the World, 16mo, 254 pages, 50 maps, 50 colored diagrams, price 40 cents; to subscribers, 20 cents; prettiest premium of the year—a fascinating running account of the history of the country, with a great variety of reliable and general information. (2) Presidential Pocket Knife; subscriber's name and picture of his choice for President on the handle; send for descriptive circular. Price at retail, \$1.75; but given with the Weekly one year for \$1.75; two other styles for less money. (3) Popular Picture Gallery—a fine large picture, including the new officers of the G. A. B., Mr. Blaine, Senators Evarts and Hiseock, "Return of the Mayflower," "Christ before Pilate," and "Children writing to Santa Claus."—send for circular. (4) Waltham Watch; expansion balance movement; stem-winder, stem set, seven jewel nickel case, thoroughly reliable and an excellent watch; with the Weekly Tribune one year, \$7.50. (5) Tribune's "Book of Open Air Sports." (6) Webster's Unabridged Dictionary. (7) Wood's "Household Medicine." These premiums cannot be described in full here. Send for circular.

**Their Business Booming.**

Probably no one thing has caused such a general revival of trade at Cochran's drug store as his giving away to his customers so many free trial bottles of Dr. King's New Discovery for Consumption. His trade is simply enormous in this very valuable article, from the fact that it will always cure and not disappoint. Coughs, colds, asthma, bronchitis, croup, and all throat and lung diseases quickly cured. You can test it before buying by getting a trial bottle free, large size \$1. Every bottle warranted.

**You can be cured**

of RHEUMATISM by using **RUSSIAN RHEUMATISM CURE.**

It is not a cure-all. It cures nothing but Rheumatism, but it is a safe and sure cure for that disease. Thousands who have been cured will testify to its reliability.

Mr. G. R. ULMER, of 1231 N. 12th St., Philada., wrote four months ago he had been cured by the Russian Rheumatism Cure (waiting to see whether it would return), saying he was bedridden with the disease, and thought he would lose his reason from the agony he had to endure; and inside of two weeks he was cured by this remedy, although he had his horse physician, and used other remedies without result, previous to trying this wonderful remedy.

Mr. O. A. COX, American and Morris St., Phila., said: "My wife was bedridden, and her condition made me despair. Doctors and everything else failed. The Russian Rheumatism Cure cured her in one week."

Best Home Paper in America

This is not brag. It is a plain statement of honest fact. Ordinarily, the weekly issue of a daily paper is esteemed to be merely a digest of the week's news, suited alone for rural readers.

This is not true in reference to the *Weekly Press*.

It is specially edited by a trained corps of writers selected for the purpose of making the best paper.

It is adapted to the improvement and enjoyment of both sexes, of all ages, of every family whether a resident of the city, village, or country.

Not a word of crime or impure suggestion in any part of the paper.

It is an old paper, and carries its age and reputation equally well.

Now we are seeking a new and larger circle of readers. As an inducement to this end, the *Weekly Press* in connection with any four dollar magazine in America will be sent for the single subscription price of such magazine.

Or, on application, we will make a special combination of any two or more periodicals published in America, either weekly or monthly, in conjunction with the *Weekly Press*, at such low rates as will be equivalent to a year's subscription to the *Weekly Press* free for one year.

We make this exceptional proposition in order that the *Weekly Press* may go on trial in a million households for an entire year.
