HAMMONTON, N. J.

Let us have your order for 10-pound Grape Baskets. We quote at \$3.50 per hundred.

We also handle Peach Baskets, which we offer in any quantity at the extremely low price of 5½ cents each, which we think is the lowest figure they have ever reached.

JUST IN,—a very pretty assortment of Dress Prints in short lengths, from one to three dress patterns in a piece. Regular 8-cent goods. We can sell them to you for 6 cents. Call and see them.

We reduce the price of those "Peerless" Coffee Cakes and Ginger Snaps to 5 cents per pound, — quality as usual, A 1. No broken stale stuff,—all fresh baked goods:

New Canned Lobster is now in, and for fine quality and care in packing cannot be excelled. Only choicest of the fish are packed. Put up in paper-lined one-pound tins, either tall or flat, very desirable for salads or to serve plain. We warrant every can.

Tall Cans, 22 cents.
Flat Cans, 25 cents.

Dunham's Shred Cocoanut is, without exception, the finest article of its kind now on the market. Always sweet, fresh, and ready for immediate use. Elegant for cake or pie. Quarter pound packages, 8 cents.

Oh, the Flies!—how they do bother us!—Sure relief is secured by using "Tanglefoot" Sticky Fly Paper,—two sheets for 5 cents. 25 double sheets, with Holder, for 50 cents. If you object to the sticky paper, we have "Dutcher's Lightning Fly Killer." Simply fold a piece of the prepared paper, place in a saucer, and cover with water; set the dish where flies are most troublesome, and you will be surprised how soon you will be rid of the pests.

Fly Fiend—for horses—is certainly the greatest discovery of the age. Simply brush your horse or other animal lightly with the preparation, and the flies will not trouble them in the least for several hours. Two applications a day sufficient.

Fly Traps—for those who have a prejudice against fly paper of any kind. We think we have the best, and at an extremely low price,—16 cents each.

Have you tried "Germea" yet? No! Well, you are missing a good thing. This hot weather it is delicious for breakfast, and very quickly and easily prepared.—A two-pound package for 15 cents.

Another summer article of diet which has become very popular is CRYSTAL RICE. These days you don't care for much fire about the house. The great advantage of using this Crystal Rice is that it requires no cooking.—Serve it as you buy it, with milk and sugar. 5 cents per pound.

"Columbia" assortment of Mixed Mustard. The advantage of it is, you have almost any kind of a package desired, there being twelve different styles of packages in the assortment. Ready mixed for the table. 10 c. each, your choice of style.

New Cheese now in, but quality never finer. We reduce the price to 12 cents.

Sardines are seasonable goods. Very nice for picnic parties. We quote domestic, in oil, quarter-pound tins, at 5 cents; in mustard, 6 cents; imported, in oil, 15 cents.

Egg Macaroni, served with tomatoes, makes an elegant dish. One pound packages at 14 cents.

"Belle" Condensed Milk is rapidly taking the place of all other brands of like goods. The finest article for the price we ever offered for sale. Full weight cans at 10 cents, and every can warranted.

New Black Grass is now in. Also, a car of choice Mixed Fresh Hay, which we quote at 85 cents per 100 pounds, small bales. Special price on half-ton or ton lots.

Communication.

On Monday last the Italian citizens of Hammonton celebrated the "Feast of our Lady of Mt. Carmel." A band from Philadelphia arrived at six o'clock in the morning, and at ten Rev. A. Van Kell sang high mass, assisted by a choir from Egg Harbor. An eloquent sermon was preached by the very Rev. G. Baudinelli, Passionist Provincial. The procession which was to have formed at three o'clock was delayed by the shower until seven, causing the route to be shortened. Nearly all carried lighted candles, many being of wax and richly decorated. A feature of the procession was a statue representing St. Anthony holding the Infant Jesus. The pretty ceremony of blessing this statue was performed by Father Baudinelli, the previous evening, Mr. De Feo and three others being sponsors. "Blessed are the pure in heart for they shall see God," said the Rev. Father, urging his hearers to emulate the virtues of this gentle saint who lived in the XIII Century, and was rewarded for his tender devotion to the Infant Jesus by being permitted to hold the Divine Child in his arms. There was also a new banner, with emblems and suitable inscriptions in letters of gold, carried by Master Charles De Feo. Later, all enjoyed the music and fireworks, and very many thanks are returned to all who kindly aided in making the day a pleasant one. F.

Relative to the question of "single tube" vs. "inner tube" tires, we quote the following: "The single tube is undoubtedly the coming tire. The cemented inner tube tire when punctured must be removed from wheel and unlaced before the inner tube can be gotten at to repair puncture, and when mended it must be replaced and cemented in the rim. The single tube tire does not puncture as readily and when punctured it is simply a matter of inserting a plug in the puncture, inflating the tire and proceeding on your way,—from two to five minutes being the time required to complete the job. Mechanically attached tires, that is, inner tube tires that are not cemented in but attached either by the edges of the outside covering of the tire being so made that they clinch in an edge formed on inside of rim, or by means of wires in each edge of covering, are not as difficult to repair as the cemented tires."

List of uncalled-for letters in the Hammonton Post-Office, on Saturday, July 21st, 1894:

JOHN T. FRENCH, P. M.

Debs and three of his colleagues were arrested on Tuesday for contempt of the United States Court and were locked up in default of bail, to await a hearing next Monday. The charge against them is a continued violation of the injunction forbidding interference, or inciting to interference, with the mails and with inter-State commerce. In order that they might pose in the light of martyrs, the accused persons refused to enter bail, and they will therefore remain in jail until the hearing, and perhaps much longer. There is said to be plenty of evidence to warrant the action of the government authorities.

The three Columbian caravels which were sent here by Spain last year were presented by that country to the United States. Our government does not know what to do with them and proposes to give them to the city of Chicago. But the people of that city are not enthusiastic over the promised gift. The caravels could not be made to serve as ice-boats or fire-boats and with all the fair buildings burned up three antiquated-looking hulks would scarcely add to the beauty of the lagoon in Jackson Park. Chicago's day of sentiment is past. She wants something practical now.

Of the ninety-eight railroad corporations of New Jersey last year only twenty-one paid a dividend while the other seventy-seven were operated without profit. In many cases the dividends paid were in compliance with the conditions whereby the different roads were leased by controlling systems.

A close observer tells us that from a compilation of the names of the rioters in the recent strike, that scarcely one name could be called American. Gompfer, Debs, and Sovereign are not.

The Relief Fire Company, of Mount Holly, was one hundred and forty-two years old on Wednesday, and claims to be the oldest fire company in America.

SUBJECT TO PAIN IN THE STOMACH.—Elder S. S. Beaver, of McAllisterville, Juniata County, Pa., says his wife is subject to cramp in the stomach. Last summer she tried Chamberlain's Colic, Cholera, and Diarrhoea Remedy for it, and was much pleased with the speedy relief it afforded. She has since used it whenever necessary, and found that it never fails. For sale by Cochran, the druggist.

SATURDAY, JULY 21, 1894.

The Italians certainly had a grand celebration on Monday. They began early—their band arriving on the six o'clock train, and making some late sleepers with their music. The streets soon began to fill with natives of "Sunny Italy," home and foreign. St. Joseph's Church was crowded at the 10:30 mass and more were outside than inside. The procession was to move at three o'clock, but a very welcome shower came to us about that time, and the clouds hung over so long that it was about 6:30 before a decision was made and the band started. Just at dark a rocket gave the signal and a very fine display of fireworks followed, lasting more than an hour. An immense crowd gathered near the church to witness this exhibition—probably over two thousand persons—men, women and children, of all nationalities, and all praised President D. D. Foe and his assistants, who made such a success of this celebration. The band from Philadelphia, was an unusually good one, and Hammontonians know and appreciate good music. There was any amount of noise, all day, plenty of fun, but, so far as we can learn, not one case of disorder.

We have the *Musical Messenger* for July, and prize it highly. The first part is devoted to poetry, general reading matter appropriate for musical readers, and biographies. Then comes "Did You Ever Get Left?" a comic song; "Native Land," patriotic; "Song of Rest and Home," very pretty, etc.; also as a supplement, a grand anthem, seven pages—"The Lilies." Published by Filmore Brothers, New York, at \$1 per year.

LOTS FOR SALE. Three lots N. E. corner Third and Pratt Streets. First lot, 20 x 160 feet each. A fine business site, next to Trustee's store, Bellevue Ave., lot 30 to 32 feet. Bargain. **DR. E. M. COOK,** 105 South 10th St., Philadelphia, Pa.

The Board of Education met on Wednesday evening in their office. As directed by law, they designated the terms of members as follows:—
One Year, C. F. Oszoud, Dr. Edw. North, Mrs. Beverage.
Two Years, Messrs. Rutherford and Jacobs, Mrs. Packard.
Three Years, Messrs. Monfort and Adams, Miss Pressey.

C. F. Oszoud was elected President of the Board for one year; P. H. Jacobs, District Clerk.
Messrs. Sausbury and Pressey, Mrs. Berry, and Miss Brown, Hammonton teachers, attended the National Teachers' Association last week, at Asbury Park. There were about six thousand present, and many from the West were detained at Chicago by the strike, and returned home. Many very instructive papers were read. Two receptions were held,—one tendered by the entertainment committee, one by citizens of the Park.

STOCK. Sixty-one shares of stock in the Fruit Growers' Union and Cooperative Society, which were—belonging to the estate of the late S. H. Taylor, W. R. TILTON, Administrator.

Edw. Ludwig Zehner, late of First Road and Eleventh Street, began the day early and badly, Wednesday. He evidently slept poorly, for at four o'clock that morning he bent and bit his wife so savagely that she still carries the marks. Justice Atkinson requested Constable Bernhouse to escort the fellow to May's Landing, where Sheriff Johnson will entertain him until September.

The United States Grand Jury at Chicago handed down twenty-three indictments against seventy-five strikers, including new indictments against Dubs and the other leaders of the American Railway Union.

Money and sentiment are both good things in their way, but neither will determine the next Republican Presidential nomination.

It is understood enough men have been secured at Pullman to warrant starting the works on Monday.

P. S. Remember, I sell a nine-jeweled movement and a gold filled case, that I will guarantee, for Fifteen Dollars.

In "Winter's Handy Book of Reference" occurs the following:

"Just at this point I think a few words regarding the use and manipulation of smothered hogs, or hogs that have died of disease, may be in order. * * * Great caution must be exercised in handling such animals. They should always be handled with hooks, or with gloves. If handled with naked hands, on which is the slightest scratch or sore, blood-poisoning is almost sure to follow." And after giving the Recipe for handling it, says it can be "used in any mixture, or for any purpose."

All recipes for Lard Compound call for a certain per cent of the above pure Lard.

How much of such trash the people of Hammonton have eaten, is impossible to tell,— unless they have always used Jackson's Lard, in which case they can be sure that they have eaten none.

Moral.—Always use Jackson's Lard.

The telephone rang briskly in Mrs. Howard Hascomb's pleasant home, and she picked up the receiver.

'Hello! Is that you, Lottie? I've concluded to leave for New York this noon. The boys are on the way to the house for my grip. You know what I'll need for a week or ten days' absence.

'I'll just run across and mail it. I'll leave the door open—it won't take a moment.'

men, walked out of the doorway and parted company, to avoid the eagle eye of the police, who would have recognized in their duality a conspiracy against the law and order.

'What is it, Kitty?' she asked, rather gravely, because the girl was looking at her with a peculiar expression.

'I'm just as much surprised as you are, ma'am, to see you here. I thought you were in New York.'

On that same night a belated citizen hurrying home was accosted from the lower window of a house 'he was passing in the residence portion of the city.'

In the last Congressional election the vote in Utah was Democratic 15,211; Republican 12,405, and Liberal 6,989. If the Democrats could do no better than that in the year of the Democratic tidal wave, there is every reason to believe that the new State will go Republican at its first election, and that its two Senators, with others to be elected in other States, will restore the control of the Senate to the Republicans in the fifty-fourth Congress. The people of the entire country will see to it, next November, that the control of the house shall also be restored to the Republicans, the Presidency coming two years later.

Dr. Asa J. Mead, of Cleveland, O., describes death as rather a pleasure, than pain. He says that the sensation of dying is similar to that of the dreaming morphine eater, who gradually passes off into a semi-conscious state, in floating visions of bliss. But how does he know.

The wise summer girl stays at home and takes her pick, while her unwise sister goes to the summer resorts and scrambles with a crowd for the attention of any fellow who happens to come along.

Notwithstanding the tenacity with which Joe Blackburn stood by the whiskey trust, which is supposed to own the Democratic party of Kentucky, there is talk of turning him down.

Surely Mr. Charles A. Dana did not have to go to Europe to find out that the Democratic party had broken all its promises.

SUMMER COMPLAINT.—Last fall I was taken with a kind of summer complaint, accompanied with a wonderful diarrhoea. Soon after my wife's sister, who lives with us, was taken in the same way. We used almost everything, but without benefit. Then I said, let us try Chamberlain's Colic, Cholera, and Diarrhoea Remedy, which we did, and that cured us right away. I think much of it, as it did for me what it was recommended to do. John Hertzler, Berbel, Berks Co., Pa. 25 and 50 cent bottles for sale by Cochran, druggist
