## Poultry in Hammonton.

Hammonton is destined to be the poultry market from which will be derived the supply of the finest quality of broilers for the large cities. It has every advantage. Its geographical position cannot be excelled, while gapes and cholera are unknown, - due to its light, sandy soil.

The poultry business does not conflict with the fruit interests. Those who are idle during the winter season can at least receive pay for their labor by hatching chicks. Incubators and brooders are cheaper here than elsewhere, while our experience during the past few years is largely in our favor. I earnestly request all to assist in promoting the objects of the Poultry Association recently organized. If you cannot attend send in your name. The admission fee is only 25 cents, and the dues 10 cents per month. We have everything to gain, and nothing to lose. There is more profit in poultry, in proportion to capital invested than in any other pursuit. It may not pay to keep a dozen hens, or a hundred, but when thousands of fowls and chicks are marketed, small profits become remunerative. Come to the next meeting at Small's Hall, Tuesday evening, Aug. 3rd. Everybody invited.

A steamship can ram a thing with astonishing force. The Waesland, just over, struck a whale on June 14 and killed it. No shock was felt on the ship.

Congress is still trying to force the seventy-five-cent dollar out of the Treasury, instead of the easier, simpler plan of preventing the three-quarters dollar from getting into the Treasury to begin with.

Delicious in taste, sure in its effects, Vinegar Bitters Cordial is acknowledged to be the finest medicine that has been prepared in years. The brain, nerves, liver and kidneys testify to its efficacy by resuming their normal functions after having been treated with the Cordial.

## A QUESTION ABOUT Brown's Iron Bitters ANSWERED.

The question has probably been asked thousands of times: "How can Brown's Iron Bitters cure everything?" Well, it doesn't. But it does cure any disease for which a reputable physician would prescribe IRON. Physicians prescribe iron as the best restorative agent known to the profession, and inquiry of any leading chemical firm will substantiate the assertion that there are more preparations of iron than of any other substance used in medicine. This shows conclusively that iron is acknowledged to be the most important factor in successful medical practice. It is, however, a remarkable fact, that prior to the discovery of BROWN'S IRON BITTERS no perfectly satisfactory iron combination had been found. BROWN'S IRON BITTERS does not injure the teeth, cause headache, or produce constipation—all other iron medicines do. BROWN'S IRON BITTERS cures Indigestion, Biliousness, Weakness, Dyspepsia, Malaria, Chills and Fevers, Tired Feeling, General Debility, Pain in the Side, Back or Limbs, Headache and Neuralgia—for all these ailments iron is proscribed daily. BROWN'S IRON BITTERS, however, does not cure in a minute. Like all other thorough medicines, it acts slowly. When taken by men the first symptom of benefit is renewed energy. The muscles then become firmer, the digestion improves, the bowels are active, the eyes begin at once to brighten; the skin clears up; healthy color comes to the cheeks; nervousness disappears; functional derangements become regular, and if a nervous mother, abundant sustenance is supplied for the child. Remember Brown's Iron Bitters in the family medicine that is not injurious. Physicians and Druggists recommend it. The Genuine has Trade Mark and crossed red lines on wrapper. TAKE NO OTHER.

## THE RUSSIAN RHEUMATISM CURE DOES THE BUSINESS.

Thousands have tried it and found relief. There is abundant testimony to this point, positive and uncollected, which should convince the most skeptical. If you suffer with Rheumatism, send for a pamphlet which tells what has been done for others. It is sent free. To be cured costs only \$2.50, for one box is sufficient for the worst case.

## IT HAS NEVER FAILED

J. C. McALLISTER, for many years with Hood, Bonbright & Co., now with Wood, Brown & Co., Philadelphia, says: "I suffered from Rheumatism so terribly that I could hardly walk, was at times unable to turn my head. I tried the Russian Rheumatism Cure. Inside of two weeks I was completely cured." Descriptive pamphlet, with testimonials, free. Price \$2.50. If mailed, 10c. additional. If registered, 10c. more.

One box does the business. None Genuine without this Trade-Mark.

As yet it is not to be found at the stores, but can only be had by enclosing the amount as above, and addressing the American Proprietors,

## COAL. COAL

All wanting the best quality of Lehigh Coal can find it at Scullin's coal yard on Egg Harbor road, near Barnhouse's steam mill. Coal will all be dumped from the cars into the yard, and will be sold in five ton lots at the same rate as car load lots from other yards. Having a good plank floor to shovel from, instead of the inconvenience of shoveling from the cars, is really worth ten cents a ton to every purchaser. All coal will be sold strictly for cash on delivery.

Its objects are mutual protection by co-  
operative effort in raising and selling poultry  
and eggs, the buying of pure-bred fowls

the interests of the Association or its mem-  
bers may be advanced.

The officers shall be a President, Vice  
President, Secretary, Treasurer, three Trust-  
ees, and a Standing Committee on Pure  
Breeds.

DUTIES.  
The President shall preside over the meet-  
ings, under the usual parliamentary forms,  
appoint all committees, unless otherwise di-  
rected, and shall hold his office for one year,  
or until his successor is elected.  
The Vice President shall act in the capac-  
ity of the president during the absence of  
the latter, or may be called upon to do so by  
the President, during any regular or stated  
meeting. He shall hold office for one year  
or until his successor is elected.

The Secretary shall keep a correct report  
of the proceedings of the Association, con-  
duct all correspondence relating thereto,  
and receive and fill all orders for pure-  
bred poultry, or eggs from the same, poultry  
supplies of any kind, or anything else per-  
taining to the sale of goods in the pure-  
bred department. The Secretary shall also  
receive, or collect, all dues or other moneys  
belonging to the Association, turning the same  
over to the Treasurer, taking his receipts therefor,  
as well as to perform any other duties authorized by the Association,  
and shall submit a report of the business  
and finances of the Association on the first  
meetings in the months of January, April,  
July, and October, of each year, for the  
quarters ending with the months pre-  
ceding the times mentioned. The Secretary  
shall be elected to serve for one year,  
or until his successor is elected, and may re-  
ceive such compensation for services as the  
Association may direct. He shall draw all  
orders, attest them, and have them signed  
by the President before delivering them, and  
shall have books and accounts always ready  
for inspection.

The Treasurer shall keep all moneys be-  
longing to the Association, receiving the same  
from the Secretary, but shall make no  
disbursements, except to honor orders drawn  
and attested by the Secretary, and signed by  
the President. The Treasurer shall also  
make a report to the Association at the first  
stated meetings in the months of January,  
April, July, and October, of each year, of  
the amounts received and disbursed during  
the quarters ending with the months pre-  
ceding the times mentioned, rendering a  
balance sheet of the assets and liabilities of  
the Association for such periods. The Treas-  
urer shall also furnish security to the Trust-  
ees for any amount required, if desired by  
the Trustees, in their direction, which shall  
be duly entered in legal form. The Treas-  
urer shall be elected to serve for one year,  
or until his successor is elected.

There shall be three Trustees who shall  
have charge of all property belonging to the  
Association, secure the places of meeting,  
make all necessary contracts relating to the  
sales of market poultry and eggs, and per-  
form such business as the Association may  
direct. The Association may however, if  
desired, allot any portion of the duties of  
the Trustees to such persons as may be  
chosen for that purpose. Trustees shall be  
chosen to serve for one year, or until their  
successors are elected.

The Committee on Pure-Breeds shall in-

members engaged in keeping pure breeds,  
(or selling eggs from the same), for sale and  
may compel such members to use all nec-  
essary precautions in selecting fowls for  
breeding purposes, or confining the same,  
and shall have power to reject all birds  
which, in the judgment of the committee,  
may be liable to cause injury or discredit to  
the Association; but any member feeling  
aggrieved at the action of the Committee on  
Pure-Breeds shall have the right to appeal  
to the Association. The Committee shall  
consist of three members, who shall be elected  
for one year, or until their successors are  
elected. A majority of the Committee is

prices therefor, and each and all are  
expected to co-operate for that purpose.

ANNIE ELVINS, P. M.

Mr. Thomas Wells, Sr., died very  
suddenly on Tuesday night, aged about  
eighty years, apparently from paralysis  
of the brain. During the day he had  
worked hard, digging potatoes, and the  
weather being oppressively warm, he be-  
came over-heated. However, he ate his  
supper as usual and went to bed. About  
eleven o'clock he awakened some of the  
family, saying that he felt very sick. In  
half an hour, before help could reach  
him, he was dead.

"Hologangus" is a word that  
means "no good" in the Seminoles lan-  
guage. Very few people know it, how-

our candid opinion that a good many  
people we might mention are holo-  
gangus.

Post Office matters are delight-

years previous to April 24th, except  
that no mail-bag is carried beyond the  
office proper.

The Italians were refused the use

they have usually held their festival, so  
they leased Hammonton Park for last  
Saturday, advertised it well, and drew

several novelties. Two bands from  
Philadelphia furnished excellent music.  
All nationalities participated, and all  
seemed to enjoy it.
