Vol. 55

HAMMONTON, N. J., SATURDAY, AUGUST 11, 1917

No. 32

Three weeks more of vacation.
Sale of properties this afternoon,
for unpaid sewer rents.

Rev. W. J. Cusworth and family
are away on a vacation.

Walter Herbert is a member of
Co. D, now in training at Sea Girt.

A "Hammonton" ambulance
may be fitted up and sent over to
France.

Miss Lillian Lehman has been
entertaining her cousin, Miss Helen
Rudy, of Philadelphia.

William Craig, of Philadelphia,
is visiting his old friend and com-
rade, D. W. C. Russell.

Winslow Lodge, I. O. O. F., is
planning a meeting of uncommon
interest for next Wednesday eve.

John B. Beatty, of Philadelphia,
visited his friend and fellow-em-
ploye, Ernest A. Stanistreet, over
Sunday.

The Baptists had as nice a day,
Tuesday, as any lot of picnickers
could wish for, and all enjoyed
themselves.

Mrs. W. H. Farrar is a patient
in Hahneman Hospital, Philada.
Her illness will probably delay their
departure for India.

Rev. Everett vanDright will go
to Ocean City next Monday, to
spend his vacation, remaining until
Saturday, Sept. 1st.

Miss Ethel Burt is entertaining
her friend, Miss Cecelia Smith,
who is pleasantly remembered by
many school friends.

A pretty parrot has been making
its home among the trees on the
Watkins property, for some days. It
is apparently somebody's pet.

There was a case of near drown-
ing, last Sunday, at the Dam,—
two young Hammonton ladies hav-
ing gotten out beyond their depth.
It took several attempts by deep
divers to bring them to the surface,
and about half an hour to fully
resuscitate them.

Something the boys need in the
war trenches,—“Ration Heaters.”
They are easily made of old news-
papers, saturated with paraffin.
They burn without smoke, which is
dangerous when in view of the
enemy, and will boil a pint of soup
in ten minutes, or heat his coffee
in quick time. Will burn for half
an hour. A demonstration of how
these little heaters are made will be
given at Mrs. Butler's home next
Wednesday, Aug. 15th, from two
to four o'clock. This is how the
children can do their bit. And,
by the way, these things would be
fine for the Boy Scouts or other
camping parties.

Government Market Bulletins

IN HAMMONTON

The "Government Bureau of
Markets," with headquarters at
Washington, D.C., has established
a temporary office in the Post-office
building, on South Second Street,
Hammonton, under charge of Mr.
Don. E. Crews, for the purpose of
issuing daily market reports to the
peach growers, shippers and others
who are interested in the move-
ment of the New Jersey peach crop.
These reports will be put out in
bulletin form, at about noon each
day, and will contain complete in-
formation on market conditions
and prices in all the principal
available markets of the country,
as they existed on the morning of
that day. They will also contain
a complete report of the carload
movement from all peach shipping
areas. Anyone wishing to receive
these bulletins, which are free of
charge, should notify Mr. Crews,
care of general delivery, Hammon-
ton, New Jersey.

These bulletins have been in-
sued with a great degree of success
from other important fruit and
vegetable shipping points, but this
is the first year that the service has
been offered to this section; and it
is hoped that everyone who is at
all interested will avail themselves
of the information that is offered.
Everything looks favorable for an
excellent crop this season, and
these bulletins should prove very
valuable in helping the shippers to
find the right markets.

William Skinner is under the
professional care of Dr. Palen, at
the Medico Chi Hospital, and his
recovery is looked for.

Some of the boys from Allentown
will be home to-day. This will be
their last visit for months, as they
will be among the next thousand
to go to France.

Mr. and Mrs. W. H. Swallow, of
Westmont, were visitors of D. M.
Chapman and family, at Elm, and
called on their former Hammonton
neighbors and friends.

The third annual Atlantic County
Agricultural Fair will be held the
last three days of this month, Aug.
29th, 30th, and 31st, at Lelling's
Park, May's Landing. Farm prod-
ucts, live stock, machinery, and
home economics will be on exhibi-
tion.

Congressman Bacharach writes
that he can be found at his office,
1510 Atlantic Avenue, Atlantic
City, instead of at Washington,
until about the middle of Septem-
ber. He adds that those who wish
a personal interview can arrange
for it by appointment.

The following have successfully
passed the Civil Service examina-
tion for positions on the local Elec-
tion Boards. The selections will
be made by lot before Aug. 25th,
in the presence of County Judge,
Republicans: A. L. Jackson, C.
Morton Crowell, Eugene V. Coggey,
Harry L. Murphy, Robert H. Goff,
James W. Cottrell. Democrats:
Byron A. Davis, Wayland DePoy,
Leonard G. Rogers, Frank C. Dud-
ley, Harvey E. King, William B.
Phillips, Charles D. Clauss, Joseph
A. Baker.

Mr. Robert R. Ruby, a long time
resident of Hammonton, died on
Friday, August 3rd, at the home
of his daughter, Mrs. Thomas C.
Elvins, aged 75 years. Mr. Ruby
had been very sick since Dec. 4th
last, and death came as a welcome
relief from intense suffering. He
was buried at Greenmount Ceme-
tery on Sunday afternoon. Mr.
Elvins and family tender thanks to
friends and neighbors for repeated
kindnesses, and their sympathy at
this time. Mr. Ruby was well
thought of here, having served
faithfully on the Election Board
for many years.

Town Council Meeting.

There were four present at the
regular meeting, Wednesday eve'g.
—Mayor Elvins, Messrs. Brownlee,
McIntyre, Small; absent, Messrs.
McIlvaine, Pizzi, and Tell.

Bills amounting to \$1400.59 were
ordered paid.

The Home Guards asked per-
mission to hold Field Day at the
Park, on Labor Day. Granted,
including lights at night.

Baker Brothers claim that they
are unjustly charged with two sewer
connections,—one on Bellevue
Avenue, one on Central. Bank
Brothers made a similar claim.
Both cases referred to committee
for investigation.

Tony Pinto applied for renewal
of pool-room license. Referred.

Clerk was instructed to write to
Dr. McIlvaine, asking what he
proposes to do about his member-
ship of Council; also, to ask Town
Solicitor whether Council has the
power to declare a vacancy.

An ordinance, supplementary to
Sewer ordinance, passed first read-
ing,—providing that rent may be
rebated when property is vacant.

Also, an ordinance forbidding
the opening of a permanent street
pavement without a permit.

Heavier covers were ordered for
all lamp-holes in sewer system.

Resolution passed, authorizing a
temporary improvement note for
\$13,100 to pay Bellevue Avenue
improvement bills.

Contractor's bill for storm sewer,
\$298.10, paid; Engineer's bill of
\$10.35; also \$1285.45 to Mr. Staub
on paving contract.

Chief of Police reported nine
arrests for disorderly conduct.

Clerk received \$109 for licenses,
etc.; also \$20 for copy of assessm't
map; also \$54.72 from Railroad
Company, for sewer pipes broken
in transit.

Band proposed weekly concerts
in School Park, provided lights are
furnished. Referred.
Adjourned at 10.43.

Bank Bros. Open Evenings till 8 o'clock—Saturdays till 10 **Bank Bros.**

This Clearance Sale now on in every department is really of more importance to you than any previous sale we held. Buy what you need for immediate use, and, if at all possible, buy for future use. Your investment will prove the most profitable you ever made, when you compare present and future prices.

Clothing at our Regular Low Prices, and Reduced Prices.

Here is a pure business proposition:

We have nearly a thousand suits on hand. The cloth that was put in to make these suits was bought when market conditions were normal, the cost of labor was much less than it is to-day. We offer this entire stock of guaranteed clothes based on the low prices of their cost of production, which means a saving worth taking advantage of.

Suits reduced to \$12—

They were formerly \$15 and \$16.50, made in both pinch-backs and conservative models, of light cassimere cloth.

Suits reduced to \$5—

Tropical weight; just the thing for immediate use.

Suits reduced to \$10—

Were formerly \$13.50 and \$12.50; of cassimere and fancy tweeds.

Suits reduced to \$18—

Were \$20 and \$22.50; made of light and dark cassimere.

Men's and Young Men's Suits at \$15 and \$16.50.

Most remarkable suit values; value up to \$22,—serges, worsteds and cassimeres.

All wool Serge Suits at \$18.

Blue and black serges, guaranteed fast color, and all wool. They can't be duplicated for less than \$25. You can buy them here, while stock on hand lasts, for \$18.

Light weight Office Coats

reduced to 50 cents

Boys' Wash Suits reduced

to 39 cents, 95 cents, and \$1.50

Men's Dress and Sport Shirts

Reduced to 75 cents

Were \$1 and \$1.25;
another lot just added

Quite a delegation of Hammonctonians went to Atlantic City on Wednesday, to voice their sentiments in regard to location of the State road through town. Apparently, however, the matter had been decided previous to this hearing, in favor of passing Bellevue Avenue, on down Main Road and Hammoncton Avenue, across the foot of the Lake, to connect with Egg Harbor Road near DaCosta. Well, we admit that the new route will be a little more direct, possibly a mile shorter, but it will cost thousands more to build, and tourists will miss the garages and other conveniences to which they have become accustomed. Many prefer the present route, and will continue to use it, even if the State opens a new one.

Plans are under way for a great time in Hammoncton on Labor Day, Sept. 3rd, under auspices of the Home Guard. There is talk of quite a programme of drills, athletic events, etc., and invitations to be sent to Guards in neighboring and shore towns. If this is done, some of our slackers will have to get busy and attend weekly drills.

The provisions of a new State law compel our Town Council to publish all ordinances introduced before they are finally enacted, that the people may know what is proposed. We publish two ordinances this week, under the new arrangement.

We have a new line of Government booklets from Washington, of interest to householders. They are entitled "How to Select Foods; What the Body Needs," and "Cereal Foods." They are free to our readers for the asking.

Hammoncton was pretty well canvassed, the past week or two, by pretty little misses, in the interests of the Red Cross Society; and we hear that their receipts were gratifying.

Band concerts in School Park would be appreciated on summer evenings, and we hope Council's committee will be able to complete the arrangements.

Read that article about Government Market Bulletins. We believe they will be of great value to Hammoncton shippers.

On page two of this issue will be found a complete list of drafted men, in the order in which they are drawn.

Home Guard Resolutions.
On the death of John Baldi, Hammoncton's first mortality, the following resolution was drawn up by a committee of the local Home Guards:
"Whereas, It has pleased Almighty God that the first victim from Atlantic County in the great world war now being waged should be John Baldi, a sterling youth of our town, unafraid to offer his life for his country, thereby proving that patriotism is not solely a characteristic of those born of American parents, and
"Whereas, The Hammoncton Home Guards deem it fitting and proper that such example should be highly commended, therefore,
"Be It Resolved, That the Hammoncton Home Guards attend the funeral of Patriot John Baldi as a tribute to his memory and as a public means of expressing our sympathy with the bereaved family, and
"Be It Further Resolved, That a copy of these resolutions be presented to the family and the press."

The Red Cross.
To date, there are 119 members in the local branch of the Red Cross Society. The receipts are as follows: membership dues, \$120; contributions (much of the amount secured by the girls), \$162.26.
The roll is still open for new members, and the great "drive" ended last Saturday night.
To correct a false impression, no one is obligated to do anything by becoming a member. There is no field service or other duty. Your dollar, and your interest in the work, is all that is asked, and it is likely that your awakened interest will prompt you to do more for the cause.

Get a Camera
AND
"Chum" with Nature.
A camera will cause you to get out of doors, where you may come with Nature. The fresh air, the sunlight, and recreation will do you good, to say nothing of the delights which you will encounter in taking pictures of the woods, streams, etc.
You may think that picture-making is an art which requires time to learn. This is not true when a modern camera is used. With one of our
UP-TO-DATE CAMERAS
An amateur can take wonderful pictures. All that is necessary is to get the object in the "finder," and press the bulb.
We carry a full line of "Anasco" Cameras and supplies.

The Ford car makes its appeal to you in appearance as well as for service. Large radiator and enclosed fan, streamline hood, crown fenders, entire black finish, nickel trimmings—up-to-date in all requirements for handsome appearance—and serving the people the world over as a money-saving, time-saving, labor-saving utility. It is surely your necessity. The Ford car is just as useful on the farm as it is in the city; just as necessary to the business man as it is to the professional man. More necessary to every man than ever before. Low purchase price and very economical to operate and maintain. Why not investigate? Touring Car, \$360; Runabout, \$345; Coupelet, \$505; Town Car, \$595; Sedan, \$645. I. o. b. Detroit.

Order your car now, to insure prompt delivery.
When you buy a Ford car you also buy Ford service.
We carry a complete line of parts for repairing Ford automobiles, and can do your work in first-class manner, promptly, and at a moderate fair price.

Hudson Super-Six
Proves Endurance

A Test That Never Fails to Reveal Every Weakness and Prove Every Strength of a Motor Car

Stock Hudson Super-Six cars are deliberately sent through tests more trying, more destructive, than any the average driver could imagine.

For one hour, a fully equipped phaeton with top and windshield up and carrying five passengers, was sent at top speed. It averaged 70.74 miles an hour and established the best time for such a performance with a stock car. The test was officially observed by the American Automobile Association.

It is just one of the many similar tests to prove endurance.

It was not a preconceived campaign of tests that we set out to make. Each test was thought sufficient in itself. But just as the giant is surprised as he realizes the ease with which he accomplishes each feat that he had felt would try his strength, so the Super-Six has so easily met every test that more trying and abusive trials have been devised.

We were sure that in the 24-hour test a stock chassis would break all previous records. But no one thought it would go 347 miles farther than any other car had ever gone in 24 hours. The Super-

Six covered 1819 miles. It broke all records for a traveling machine.

So, too, when a seven-passenger Super-Six set out from San Francisco for New York it was with confidence that it would lower the time of all other transcontinental runs. It did so by 14 hours and 59 minutes. Then because the run had been made so easily and without special planning, the car was turned around and raced back to San Francisco. In the return trip it also did better than any other automobile had ever done in crossing the continent in either direction. Hudson's round trip required 10 days and 21 hours.

Because of the ease with which the Super-Six has met every trial, it has always suggested something harder to do.

Endurance First

There is hardly any quality of a car that is so important to the buyer as that of endurance. Safety, comfort, reliability, low maintenance cost are all dependent upon endurance.

Every quality of motor car satisfaction is dependent upon power, acceleration, speed and endurance.

And every Hudson test proves that in these respects there is no car that equals it.

Convincing as the official records are, there is still further proof that no other car has to offer equal advantages. These proofs are furnished by 37,000 Hudson Super-Six owners. They have added their experiences to the official tests.

Others Have Increased Their Prices—Not Hudson

Other makers are now announcing price increases which brings the former \$1,200 and \$1,300 cars into the Hudson class. Until present material supplies are exhausted Hudson prices remain unchanged. So you can get for a limited time a Super-Six at a price not influenced by present high material costs. When the present allotment is exhausted then Hudson too, must go up in price.

For months Hudson has been the largest selling fine car. Its popularity and the growing scarcity and increasing cost of materials hasten the day when you must pay more than you can buy a Super-Six for today.
