### Darkest Hammonton.

Much has been said of our beautiful town, its quiet, restful, Christianlike homes; and particular mention is often made of the dutiful and careful observance of the Sabbath-day. With such praise from the lips of visitors, how our hearts quicken with appreciation and enthusiastic joy, that we are of its citizens, permitted to enjoy these blessings, with a consciousness that it is in our power of home government and good citizenship to preserve and promote such conditions. How the writer would like to leave this impression stand untainted; but in all truth it is a well known fact that dark clouds hover over us, and so astonishing in their quiet development as to threaten the existence of our boasted condition and security. Sunday ball games and daily speak-easies appear to have become so notoriously common that every good citizen should blush for shame. We entreat every law-abiding man to awaken to his duty, and every praying man and woman to pray for the extermination of these evils. Incidentally, I cannot help but ask, wherein lies the seat of trouble? Am I shirking a duty? or who? CITIZEN.

Two very attractive early Autumn tours are announced by the Pennsylvania Railroad Company. They include the battlefield of Gettysburg, picturesque Blue Mountain, Lury Caverns, the Natural Bridge, Grottoes of the Shenandoah, the cities of Richmond and Washington, and Mt. Vernon. The tours cover a period of ten days, and will start from New York in special trains of parlor cars on Sept. 24th and Oct. 8th. Round trip rate, including all necessary expenses, \$55 from New York, \$53 from Philadelphia, and proportionate rates from other points. For detailed itinerary apply to ticket agents or to Tourist Agent, 1195 Broadway, New York, or Room 411, Broad Street Station, Phila.

### Knights of the Maccabees.

The State Commander writes us from Lincoln, Neb., as follows: "After trying other medicines for what seemed to be a very obstinate cough in our two children, we tried Dr. King's New Discovery, and at the end of two days the cough entirely left them. We will not be without it hereafter, as our experience proves that it cures where all other remedies fail." Signed F. W. Stevens, State Com. Why not give this great medicine a trial, as it is guaranteed and trial bottles are free at Croft's Pharmacy. Regular size 50 c. and \$1.

The Methodist Sunday School did not go to Atlantic City or Lakeside Park this year; but went over to Inskip. The picnic was a grand success, the people riding over in wagons, with the exception of two boys (?) who used their "bikes," but did not reach the grove as soon the wagons, having taken a longer route beholding the beauties of nature and basking in the beautiful sunlight. The great feature of the day was the base-ball game. After dinner, W. B. Tilton and J. B. Roberts chose sides and, to add to the beauty of each side, chose a young lady player. The W. R. T.'s won the toss, but were struck out in one-two-three order. In the first inning the J. B. R.'s made four runs. J. B. Roberts pounded out a home run. Trafford hit for a two-bagger, but only reached 1st on account of sand and quickness of fielder. After playing two innings time was called to eat ice-cream after which the game was continued. Space will not allow me to go into details, but Roberts made two home runs, C. H. Wilson made four runs, and a pretty catch, ending the game. Both young ladies played good ball, doing credit to their sex. After the first half of the ninth, it was plainly to be seen with a professional eye that the W. R. T.'s were "not in it." The following are the batteries:—for the W. R. T.'s, Cunningham—Tilton, vice-versa, H. Roberts—Cunningham, Tilton—Cunningham, Chas. Simons—Cunningham. For the J. B. R.'s, A. Trafford—J. B. Roberts and Sherlock. Trafford pitched winning ball, holding the W. R. T.'s down to 20 runs. Score, 34 to 20 in favor of the J. B. R.'s. After the ball game we had a "smacking" good time. Leaving Inskip at 6 o'clock, we made the return trip via Folsom, reaching the postoffice at 8:45 tired but happy.

JOHN T. FRENCH, P. M.

Misses Clara Potter, of Pleasantville, and Miss Carena Frambes, of Absecon, have returned from an enjoyable trip to Virginia. They visited White Sulphur Springs in West Virginia, the Natural Bridge, Wilson's Springs, Clifton Forge, Augusta Springs, and climbed Elliott's Knob, 4442 feet above sea level, the highest point in Virginia. On their way home, they spent a few days in Staunton and in Washington, D. C.

Mr. and Mrs. Harry Smith are at the Leedom House, Atlantic City, for a fortnight. Misses Whitmore and Osgood accompanied them.

Who will be winner of America's cup? Whether Britannia or Columbia will rule the waves, time only will tell; but never before has a yacht race been anticipated with so much enthusiasm, and never before have the contestants been so closely matched. Apropos, very interesting, and valuable at this time, is a most elaborately illustrated paper in *Demorest's Magazine* for September, on "The Races for the America's Cup," which gives a history of the famous cup and the famous races for its possession, and the latest information about our gallant Defender and her crew,—information which every patriotic American should have. Another important national event, the dedication of the Chattanooga National Park and Cemetery, is treated in "Battle-Field and Burial Ground," which is embellished with numerous illustrations, including portraits of generals commanding. Hon. Chauncey M. Depew, Dr. Joshua Pim and Governor Evans, of North Carolina, give their opinions of "International Contests;" there are charming stories by Mrs. W. K. Clifford, Julia Magruder, May D. Hatch, and others; and the departments, for which this typical family magazine is famous, are full to overflowing with good things. \$2 a year.
