The condition of John W. Roller continues to remain about the same, so say reports from the hospital. He is still a pretty sick man.

Hammonton Lodge, Loyal Order of Moose, is about to be instituted, with half a hundred prominent citizens as charter members.

Abe Sorden was out for a walk yesterday, and is recovering from injuries received by being struck and run over by an automobile.

Dr. A. G. Lewis is boarding at "The Cedars." He expects to remain long enough to regain possession of "Maple Villa," now occupied by J. A. Milliken.

The Board of Education will receive applications, on or before Wednesday, Sept. 15th, for the position of Medical Inspector for Hammonton Schools. Send your application to W. R. Seely, Dist. Clerk.

Volunteer Fire Company voted, at a special meeting on Monday evening, to accept Egg Harbor's invitation to parade in their carnival, on the 16th. Messrs. Walther and Spyes are the committee on arrangements.

Tony Puschetto's wagon and an automobile collided, Monday evening, near Turner's, and Tony was thrown out, his wagon damaged, and an axle of the auto bent. It cost the tourist a hundred and seventy dollars to settle for the damages. Tony, it is said, had no light on his wagon.

Frank Werner, formerly a Hammonton boy, and one of its best, is to be superintendent of the hosiery mill when it re-opens in two or three weeks. Congratulations are due Frank, and the company who have taken the factory. It will be remembered that the young man held a responsible position in this same mill under the Cottrell ownership. Since that time, he has been connected with a Philadelphia factory in a similar capacity, and was strongly recommended to the Taubel Co. by his late employers.

There will be a reception next Friday evening, from eight-thirty to ten-thirty, in the Presbyterian Church, in honor of the Hammonton school teachers. The young people of that church extend a cordial invitation to all, to attend.

The Mullica Township Board of Education awarded contracts for transportation of pupils as follows: To Hammonton schools.—E. W. Breder, eleven pupils from Egg Harbor and Elwood; M. L. Robertson, six from Pleasant Mills and Nesco; W. C. Reynolds, six from Weekstown; Jos. Nowatcke, ten from Heidelberg Avenue to the Agricultural School; Charles N. Rossell, ten from Pleasant Mills to Nesco.

A Farewell Surprise Party.

On Tuesday evening last, about thirty of Miss Margaret Higgins' friends gave her a farewell party, on the lawn at the home of Miss Nancy Bassett, which was prettily decorated with lanterns. After she had recovered from her surprise, Miss Margaret was presented with a handsome watch, from the crowd. Messrs. Miller and Fairfax, from Atlantic City, helped to entertain the company by taking them out in groups for a ride. All departed at a late hour, wishing their friend success and happiness.

Miss Higgins has been employed in Simons' store, where she made many friends. She now enters Stetson Hospital, Philadelphia, as student nurse.

The Hole in the Lake.

There is a general impression that there is a hole in the Lake's bottom, leading out under the dam, and that a suction holds any one who comes within its reach. Such a suction would either wash away the dam in a few hours, or pull all the water out of the lake in a like period. The "hole" is all over the deeper part of the lake. The bathing beaches grow broader each year by the constant treading of the sandy bottom. The sand is set in motion, and falls to deeper water, broadening the shallows gradually, until the depth of the tallest bathers is reached, when it falls sharply at about an angle of forty-five degrees. This is the danger point for non-swimmers. A competent instructor would see that learners started their swim toward the shore, instead of toward where the bottom drops from under you. A counterpart of this can be seen in the sand-washed gutters after a rain storm. BATHEN.

A DOUBLE WEDDING.

Miss Valetta Loveland and Mr. Wm. E. Erb, Jr., a Philadelphian, were married at high noon on Wednesday, September 1st, 1915, in St. Paul's M. E. Church, in Atlantic City, by the pastor, Rev. Dr. H. J. Zolley. Also, at the same time and place, by same minister, Miss Mollie Loveland and Mr. C. E. Dreher, Atlantic City, were united in the holy bonds.

Thus, in a double ceremony, the twin daughters of Mrs. and the late Capt. C. D. Loveland were united to the fortunate young men of their choice. Hammonton sends greetings to the happy quartette, wishing them all the joys of life.

S. C. Loveland, their brother, gave the brides away, and each sister, in turn, acted as bridesmaid for the other. After the ceremony, the party partook of a wedding breakfast at Hotel Dennis, then the four boarded a train for Philadelphia, enroute for a fortnight's trip. On their return, Mr. and Mrs. Erb will reside at Norristown, Penna., and Mr. and Mrs. Dreher at Atlantic. Each has a completely furnished home awaiting their return.

Those present at the wedding were Mrs. C. D. Loveland, Mr. and Mrs. W. E. Erb, Sr., Mr. and Mrs. H. Dreher, Dr. and Mrs. Jean B. Pressey with their son and daughter, George W. and Harriet; Mr. and Mrs. S. C. Loveland and their son Samuel; Mr. and Mrs. N. R. Black, Mr. Bell Loveland, Charles D. Loveland; Mr. and Mrs. R. A. Hooper, Mr. and Mrs. R. E. Wheeler and daughter Serena; and Miss Helen Bermbouge.

The Report Upheld.

After three hours of argument and testimony, on Wednesday, Judge Carrow confirmed the report of the Sewer Assessment Commissioners, with the exception of the "prospective benefit" clause, which he ruled out.

A score and a half of interested citizens went to Mayor's Landing to hear and testify as to the "intention" of the voters, and about a dozen were called to the stand—Adjournment was made to the afternoon; and the hearing lasted until about three-thirty, when the Judge announced his decision.

White, we do not agree with the decision, and cannot view the case as the Commissioners do, we consider it a victory for the Town. In this it proves that every step taken in this sewer business has been legal; that it will stand the test of law; and as a result, the sale of bonds will not be hampered by any question as to their safety.

As a result of this hearing, the assessments as stated on the postal cards will stand as your share of the sewer cost. The balance will be taken up by bonds, which will soon be advertised for sale.

The Court awarded the Commissioners two hundred dollars each, for their seventy-five meetings, and getting blessed (?) by everybody, a job which no one would be apt to choose.

Now that it is all over, let's forget our differences and dig down into our jeans and see how soon we can pay off our assessments.

Referring to the intention of Councils to compel vacant lot owners and others to make sewer and other connections to curb before the contemplated improvement of Bellevue Avenue, a reader says:

"Something should be done at the same time to take care of the surface water. The twenty-four inch pipe at Fourth and Bellevue is frequently inadequate to take care of the rain-fall. At least a half dozen times this summer, the water has overflowed Bellevue, down the middle of Fourth Street. The stone monument in the center of Fourth Street was formerly covered with about six inches of gravel, and has been washed nearly bare. Of course, many times, the pipe would carry the rain-fall if it were not for the sticks and leaves and waste paper that float down from the business section; but there have been several occasions this summer that the pipe was too small, even for clean water. A thirty-six inch storm sewer from Third to Fourth Street would be none too big."

Up to Thursday night, there had been no petitions for Mayor or Councilmen in the hands of the Town Clerk. There were several for Constable, however. In fact, we have seen but one petition, and that was for Mayor, with the name of Hon. Thomas C. Rivins. The Town could not find a better man for the position.

We are very sorry that Dr. F. C. Durr has decided to decline a re-nomination for Mayor. He has made an energetic official, progressive, and devoted much precious time and thought to the rapidly increasing duties of the office.

Teamsters are forgetting that they are required by law to carry lights, as automobiles are. Monday night's collision might have been avoided had the wagon been with the approaching car.

Next Monday will be Labor Day, a legal holiday. Both Banks will be closed all day, the Post Office all except at mail times, and business generally will take a half-day off.

Egg Harbor is to have a nine thousand dollar fire-home. Hammonton will continue to use its little six-by-nine shell for a hundred years yet.

Next Wednesday will be the last day for filing petitions for Town officers. If you want an office, better get busy.

As the Peoples Bank will be closed on Monday, those who wish to pay Loan Association dues should call to-day.

Schools will open next Tuesday. This will be welcome news to many three months,—but not to the kiddies.

People passing through town are surprised to see large quantities of red raspberries being harvested.

Decidedly cool weather all this week—especially at night.

Advocates Protection.
New York, Aug. 28, '15.
Editor:
In view of the late lamentable drowning at the Lake, it is perhaps pertinent to inquire why the Town authorities have not, long before this time, knowing that bathing in the Lake is a dangerous pastime when indulged in by those who are ignorant as to the location of the deep holes, placed warning signs or guarding ropes, which up to this time, no citizen has pressed such a move on the attention of your town "Fathers," while a demand should have been made, and met, years ago.

I am not sure that an athletic life-saver should not be engaged by the Town, to be on hand with proper apparatus from the beginning of the bathing season to its end, at this much-patronized bathing beach.

I recall with a shudder the experience, at this same spot, not many years ago, of one of my own family connection,—the catastrophe being averted through the heroism of a fortunately present expert swimmer, of whom Hammonton should be proud.

Mr. Editor, press this matter in every issue, until the proper steps are taken.

SAPRIV.

[In regard to the number of drownings in Hammonton Lake, we can recall but four during the past thirty-five years.—Editor.]

Thanks are tendered to our long-time friend, John F. Jenison, for a basket of fine peaches.

It is a crude way to put it, but according to Commissioner of Health John D. Robertson, in an address before the Olivet Institute, in Chicago, cows and pigs are of more value than babies in the estimation of the State and Federal governments. He says:

"In reference to the several millions that the government is spending to stamp out the foot and mouth disease, no such amount is spent to stamp out diseases that destroy baby life. One out of every five babies dies before it is two years old. On an economic basis, every baby is worth \$7,000. If a calf or pig were worth that much, it would not be permitted to be exposed to anything that would threaten its life."

FORD, the UNIVERSAL CAR.

ANNOUNCEMENT.

The following prices f. o. b. Detroit, effective Aug. 2, 1915:

Ford Runabout \$390
Ford Touring Car \$440
Ford Town Car \$640

There can be no assurance given against an advance in these prices at any time. We guarantee, however, that there will be no reduction in these prices prior to August 1, 1916.

Profit-Sharing with Retail Buyers

On August 1, 1914, we made the announcement that if we could make and sell at retail 300,000 Ford cars between August 1, 1914, and August 1, 1915, we would share profits with the retail purchasers, to the extent of from \$50 to \$60 on each car. We have sold over 300,000 Ford cars in the time specified, and profit-sharing checks of \$50 each will be distributed as rapidly as possible after August 15, 1915. Retail purchasers who have not yet mailed in their profit-sharing coupons, properly endorsed, should do so without delay.

Our plan to profit-share with retail purchasers of Ford cars during 1914-15 has been most successful. We thoroughly believe in it, but realizing the uncertainty of conditions generally makes it advisable to defer any announcement of future profit-sharing until a later date.

We are, however, confident of our inability to reduce costs for several months, and therefore can offer no profit-sharing for cars delivered during August, September, and October, 1915.

Resolutions of Esteem.
 Whereas, Miss Alice Aigner, a
 member of Hammonton Grange,
 No. 3, has passed out of this life,
 we desire hereby to express our
 grief over her loss.
 During the brief time that she
 has been a member of the Grange,
 we have learned to appreciate her
 worth; therefore be it
 Resolved, That we put on record
 our sorrow at her death, and tender
 to the bereaved members of her
 family our heartfelt sympathy, and
 assure them that we share with
 them in their loss; believing
 that the God of love and comfort
 draws near to succor and to make
 known his tender mercy and divine
 compassion to those who are sorely
 afflicted. And be it further
 Resolved, That a copy of these
 resolutions be published in the
 Hammonton paper, and a copy be
 sent to the bereaved family.
