A Good Offer. Next!

DEAR MR. EDITOR: What did you think of the parade and show the Hammonton people gave last Friday night? I say it was simply great! I cannot conceive of another town in the state, of the size of Hammonton, giving anything to compare with it.

What did you think of the school kids? Great, I say. And the floats! Great, I say again. And the ladies, eh? Were they not fine? Reverting back to the floats. The one which struck me as being the finest in point of fact, was the "facsimile" of the hum fire-house. We should be ashamed to point that building out to any one. There are many barns in town that would put the fire-house to shame; don't you think so?

Well, I say the only way to get rid of it is for the good citizens of Hammonton to help the fire boys along. As they cannot do good work in a poor shop, they cannot keep the fire apparatus in good shape in a two-by four barn.

I'll tell you what I will do, with any NINE other citizens: I will give one hundred dollars toward a new fire house. That will make one thousand dollars, a good start. Leave the rest to the firemen, after a start like that; and with entertainments during the winter, and perhaps with part of a year's salary which they receive from the town, and other money they have at this time, they may have enough by next Spring to build a new plant that will be a pleasure and a joy forever.

DR. WAAR.

This is November, with its proverbial weather.

A company of friends made Mrs. J. C. Bitler a surprise visit on Tuesday evening,—her birthday.

Cups have been received, which the High and Grammar School ball teams won as County champions. They were contributed by Commissioner Bacharach.

The ladies of the Lutheran Church at Folsom will give an oyster and sauer-kraut supper in Menger's Hall, this evening. They will be glad to meet all the friends there.

Civic Club thimble bee on Thursday, 11th, at three o'clock, at Club House. As this is the last bee before the Fair, ladies will please see that all goods are at Club House that day.

W. E. Hopper, the popular contracting agent for the DeRue Bros. minstrels, was in town Monday, making arrangements for appearance of the big show at Bellevue Hall next Monday, 8th.

The skeleton of a man was found near Weymouth, the other day. A key ring found in a pocket contained the name "Jos. M. Lehman, 720 Arch St., Philadelphia." An investigation is being made as to the cause of death.

The County Board of Education had an interesting and profitable meeting on Thursday, in Civic Club Hall, Hammonton. Several addresses were made on vital topics, after which about fifty partook of dinner at the Raleigh.

Lyceum tickets are being rapidly sold by ladies and by Mr. Steel. Reserved seats will be on sale next Saturday even'g, at Bellevue Hall. Those who have no program can get them at Jackson's market, or at the Republican office.

Dom Ruggeri, living on Fairview, was kicked in the face, on Monday, by a fractions horse. The frontal and cheek bones were fractured. Tony Penzi, of Middle Road, was badly gashed on the head by a horse kicking him, on Thursday. Dr. Cunningham is treating both cases.

Bold Bad Boys Caught.

On Tuesday, Chief Adams received word that a gang of boys—who had stolen a horse and buggy in Camden County—were headed this way. Of course he got busy, and later had them in the "cooler."

There were seven in the crowd, all from Philadelphia, aged from twelve to sixteen years. They got as far as Central and Park Aves., when the buggy dropped a wheel, and they abandoned it. They then found that John Kelly's and Mr. Mawson's families were away, temporarily, made entrance through the cellar, helped themselves to eatables, and many valuable articles including gold watch, necklace, etc.

When, seeing that the "Cops" were after them, they ran in all directions, throwing away part of their booty, and but two were caught. The rest of them started for Main Road, stealing Alvin Adams' horse and wagon, and drove like Jehu; but a Winslow Constable persuaded them to take a ride in his auto, and he drove to Hammonton and turned them over to Chief Adams, who locked them up.

That evening they were taken before Justice Strouse, where they plead guilty of all that was charged, and admitted guilt of various degrees of theft in the city. Next morning they were taken before Judge Shlau, in the Juvenile Court, at Atlantic City; but, for some reason not understood here, the entire seven, admitting guilt of thefts of horses and burglary, were released.

However, on Wednesday afternoon, they passed through town in a jitney bus, in charge of an officer, probably to answer to the charge of horse-stealing in Camden County.

FORD, the UNIVERSAL CAR.

ANNOUNCEMENT.

The following prices f. o. b. Detroit, effective Aug. 2, 1915:

Ford Runabout	\$390
Ford Touring Car	\$440
Ford Town Car	\$640

No Speedometer included in this year's equipment, otherwise cars fully equipped

There can be no assurance given against an advance in these prices at any time. We guarantee, however, that there will be no reduction in these prices prior to August 1, 1916.

Profit-Sharing with Retail Buyers

On August 1, 1914, we made the announcement that if we could make and sell at retail 300,000 Ford cars between August 1, 1914 and August 1, 1915, we would share profits with the retail purchasers, to the extent of from \$40 to \$60 on each car. We have sold over 300,000 Ford cars in the time specified, and profit-sharing checks of \$50 each will be distributed as rapidly as possible after August 15, 1915. Retail purchasers who have not yet mailed us their profit-sharing coupons, properly endorsed, should do so without delay.

Our plan to profit-share with retail purchasers of Ford cars during 1914-15 has been most successful. We thoroughly believe in it, but, realizing the uncertainty of conditions generally makes it advisable to defer any announcement of future profit-sharing until a later date.

We are, however, confident of our inability to reduce costs for several months, and therefore can offer no profit-sharing for cars delivered during August, September, and October, 1915.
