Robert Steel, our jeweler, tells
me he will furnish the new Presbyterian
Church with a Town clock, at cost. As
a little hint to others, I will give five
dollars towards purchasing it. Of course
this would necessitate a smooth, deep-
toned bell. A Town clock would be
good company for every man, woman
and child in our beautiful Town. By
all means let us have it.

WM. RUTHERFORD.

Tuesday's weather was one of
Nature's finest productions. Warm as
Summer, bright and altogether delight-
ful. Party workers of every persuasion
were busy, and 562 votes were polled—
out of 652 registered. There was
considerable quiet excitement, but no
quarreling, not a harsh word anywhere.
The tickets were badly cut.—Republicans
voting 160 straight; Democrats but
92. The Election Board were kept
busy until nearly three o'clock Wednes-
day morning; but had the company of
numerous interested parties until the
count was finished.

The Philadelphia Press
For 1896.

Pennsylvania's greatest Republican family
newspaper, The Philadelphia Press, will enter
upon the new year under the most favorable
conditions of its history.

A powerful agent in the national com-
munity, it is now more than ever a leader in
news and able comment.

Its various departments have during the
past year been greatly strengthened.

Pennsylvania is covered county by county,
city by city, town by town. No other news-
paper covers the State so well.

The Woman's Page of The Press has be-
come one of its most prominent features and
is eagerly sought by ladies.

In the matter of Amateur Sports The Press
is also far in the lead and publishes more
news on that subject than any other paper in
the country.

The subscription price of The Press, per
year, is: Daily, six dollars; Daily and Sun-
day, eight dollars; Weekly, one dollar.

The Press is the greatest want medium in
Philadelphia and gives the lowest rates on
that class of advertising.

IT'S GRIGGS!

HOFFMAN
JACKSON
SCOTT
McLAUGHLIN

For the first time in thirty years, old
Jersey is to have a Republican Governor.
Can you blame us if we indulge in a
good, hearty hurrah? It's a fact worth
cheering over—27,000 Republican
plurality! Add to this fact that all over
the State—nearly, Republicans have
elected their Legislative candidates, and
you will agree with us in declaring that
the people were marvellous with Demo-
cratic misrule, and decided to "turn the
rascals out."

Elsewhere we give details of Atlantic
County votes, as nearly correct as we
can get them. If there should be found
any important error, we will correct it
next week. Save the table; you'll find
it convenient to refer to in the future.

Tuesday's elections were a veritable
"land slide," all over the country.
Kentucky went Republican by 10,000.
Utah elected a Republican legislature—
meaning two United States Senators of
that complexion. New York's majority
is 63,000—another Republican Senator.
Jersey's 27,000 leaves little to be desired.
Maryland elects a Republican Governor.
Massachusetts is 63,000 Republican.
Pennsylvania, about 170,000. Ohio not
all counted, may reach 100,000. Kan-
sas, 40,000. Nebraska, over 10,000.
In fact, everything went Republican ex-
cept Virginia and Mississippi, and in
both the Democratic majority was
greatly reduced.

Mr. McGill carried but four counties,
—Hudson, Hunterdon, Middlesex, and
Warren.

The "Juniors" expect to play
the "Uniques" foot ball eleven, Nov.
23. They are composed of apprentices
of a Camden iron foundry. The Juniors
have the nucleus for a fine eleven,
and they will get there if they keep on
practising as they have. They will
certainly have to work hard to defeat
the "strange fellows." The following
is the line up of the Juniors:

L. E.—Luderitz.
L. T.—Lew. Cordery.
R. G.—E. Jones.
C.—Hurley.
R. G.—Samuel Irons.
R. T.—L. Allendar.
R. E.—Harry Roberts.
Q. B.—R. Allendar.
L. H. B.—Roy Beach.
R. H. B.—Anderson.
F. B.—Manfort.

Tickets purchased for last Sat-
urday's game will be good for to-day's
foot-ball match. The boys have been
to the expense of fencing off the field
and having it barrowed and rolled, so
that altogether the field is in fine con-
dition. The probable line-up of the
H. A. A. foot ball team to-day will be
as follows:

L. E.—Harry Treat.
L. T.—Lew. Langham.
L. G.—E. Baker.
C.—Harry Davison.
R. G.—Will Slack.
R. T.—Harry Roberts.
R. E.—Will Parkhurst.
Q. B.—Bert Jackson.
L. H. B.—Joe Dodd.
R. H. B.—Hort. Jones.
F. B.—Dud. Farrar.

The Board of Education has
requested Miss Wood to take charge of
Main Road School. Some of the pupils
in Central seemed to require a male
teacher, and Mr. Pressey was called in.
Miss Wood is regarded by the Board as
an efficient teacher, and Main Road is
next to Central in standing.

The Discovery Saved His Life.
Mr. G. Cailloette, druggist, Beaver-
ville, Ill., says: "Dr. King's New
Discovery I owe my life. Was taken
with a gripe and tried all the phys-
icians for miles about, but of no
avail, and was given up, and told I could
not live. Having Dr. King's New Dis-
covery in my store, I sent for a bottle
and began its use, and from the first dose
began to get better, and after using three
bottles was up and about again. It is
worth its weight in gold. We won't
keep house or store without it." Get a

FOOT BALL.

The H. A. A. played the "Juniors" again Monday evening and were again scored against, the final score being 28 to 6. The Seniors had their full team most of the game. The Juniors substituted E. Cordery in place of Rogers who had his nose injured, though less seriously than was feared at first. Neither side played as well as they did two weeks ago.

The Seniors had the kick-off, which was returned by Beach. After the second or third down, Dodd slid around the left and scored the first touch down for the H. A. A. within two minutes after the beginning of the game. They did not succeed in getting a goal. Soon after Dodd again touched it down. Then the ball was pushed to within five yards of the Juniors' goal, and H. Jones scored a touch down. This time Jackson succeeded in kicking the goal. From near the middle, Parkhurst, with nearly a clear field, raised the score to 18-0, with which the first half closed.

In the second, H. Jones, with an excellent interference, made a run of about 35 yards, and scored. Soon after, the ball, while in possession of the Seniors, was fumbled, and while they were either standing looking at it or trying to pick it up, instead of falling on it, Anderson gathered it up and was down the field before they recovered their wits. Thus was scored the Juniors' only touch down which, added to the goal kicked by Monfort, gave them 6. Soon after, Parkhurst made another of his good runs, making the last touch down and Jackson kicked the goal.

Almost everybody was disappointed with the Seniors' line of interference, —its weakness being due principally to their slowness in starting after the ball had been snapped back. They also seemed afraid to fall on the ball, perhaps with the idea that they might be able to pick it up and add everlasting glory to their name. The Juniors were very good in tackling, especially E. Cordery, Roberts, L. Allendar and Monfort. The H. A. A. tacklers could not show off much for the Juniors gave their half backs very little to do. There was always some trouble in getting the ball back, and they never did much when they had the ball. Monfort kicked all the goals he was offered and distinguished himself in kicking off and punting; and Jackson in returning. One great fault with both teams is high tackling.

Jas. O. Ransom.

Preamble and Resolutions of the Society of Progressive Spiritualists, of Hammonton, N. J., on the decease of J. O. Ransom. Unanimously adopted at a regular meeting held on Nov. 3, 1895.

WHEREAS, The change called death has always, sooner or later, since the stars in the morning of creation sang together, succeeded life in all its varied forms on this earth, from the minutest speck of protoplasm capable of independent motion to that most wonderfully complex organism, physical man; and WHEREAS, in the ignorance of the past mankind generally have been accustomed to consider death as a punishment inflicted by an offended Deity for sin of our first parents, and inherited in consequence not only by man, but by all the multifarious forms of life on the earth to all generations. We reject this theory, and accept as truth the established fact of science, that matter and force are eternal and indestructible; and that death is but the natural change of conditions in that eternal potency which we call spirit, in accordance with immutable and eternal law—the law of development and progress toward our Father, the Infinite; and that it comes to man in incurable disease, decrepitude, and old age, as natural, and as an angel of mercy, evidencing to us original design of the beneficent and loving Ruler of the Universe, our Father and our God; and WHEREAS, Our Brother, J. O. Ransom has lived in the flesh beyond the time usually allotted to man, and has had experiences and a spiritual training well calculated to fit him for a more exalted life; therefore

Resolved, That in this trying and afflictive dispensation of Providence to us, we recognize the hand of a loving Parent, "Who doeth all things well."

Resolved, That in the departure of our Brother Ransom from physical life, we have lost to our outward senses an Honored and Efficient President, a Well Developed Medium, an Affectionate Brother, a Zealous Spiritualist, a Well Informed Gentleman, a Good Speaker, a Kind Neighbor, and an Honest Man.

Resolved, That we condole with his children left behind, who see his kind and loving face no more; but who may, we believe, under favorable conditions, feel his living thoughts of love steal over them as "a still small voice," to inspire them for good, for truth, for happiness; for he is not dead, but lieth, as his Father, God, liveth, forever.

Resolved, That while his loss to us and to the grandest religious and scientific truth of the ages seems almost irreparable to this community, we know there is a power that overrules all things for good, and out of seeming evil good eventually comes. We trust in this power, knowing that "truth, though crushed to earth, will rise again," and that "truth liveth and conquereth forever."

Resolved, That this preamble and these resolutions be spread upon the Records of this Society, and a copy be presented to the family of our ascended brother; and also a copy be furnished to each of our town papers, to the *Banner of Light*, and the *Progressive Thinker*, for publication.
