DR. JOHN BULL'S Smith's Lonics FOR THE CURE OF **FEVERand ACUE Or CHILLS and FEVER**, ALL MALARIAL DISEASES.

The groprietor of this celebrated medi-tine justly claims for it a superiority over all remedies ever offered to the public for the SAFE, OKRTAIN, SPEEDY and PEB-MANENT cure of Ague and Forer, or Chills and Fever, which er of short or long stand-ing. Ho refers to the entire Westorn and Southern country to bear him testimony to the truth of the assortion that in no case whatover will it fail to ours if the direc-tions are strictly followed and carried out. In a great many cases a single does has been sufficient for a cure, and whole fami-lies have been cured by a single bottle, with a perfect restoration of the general health. It is, however, prodent, and is every case more certain to cure, if its use is continued in smaller doses for a week or two after the fiscase, bat them backed were proveriable In smaller coses of a week of the sale of the disease has been observed, more especially in difficult and long-standing cases. Usu-ally this modicine will not require any aid to keep the bowels in good order. Should the patient, however, require a esthartic medicine, after having taken three or four
